

1977
RAILSPLITTER

John Paul Agostine (Jr.)

THE 1977 RAILSPLITTER
presents
The Forty-First Graduating Class
of
Abraham Lincoln High School

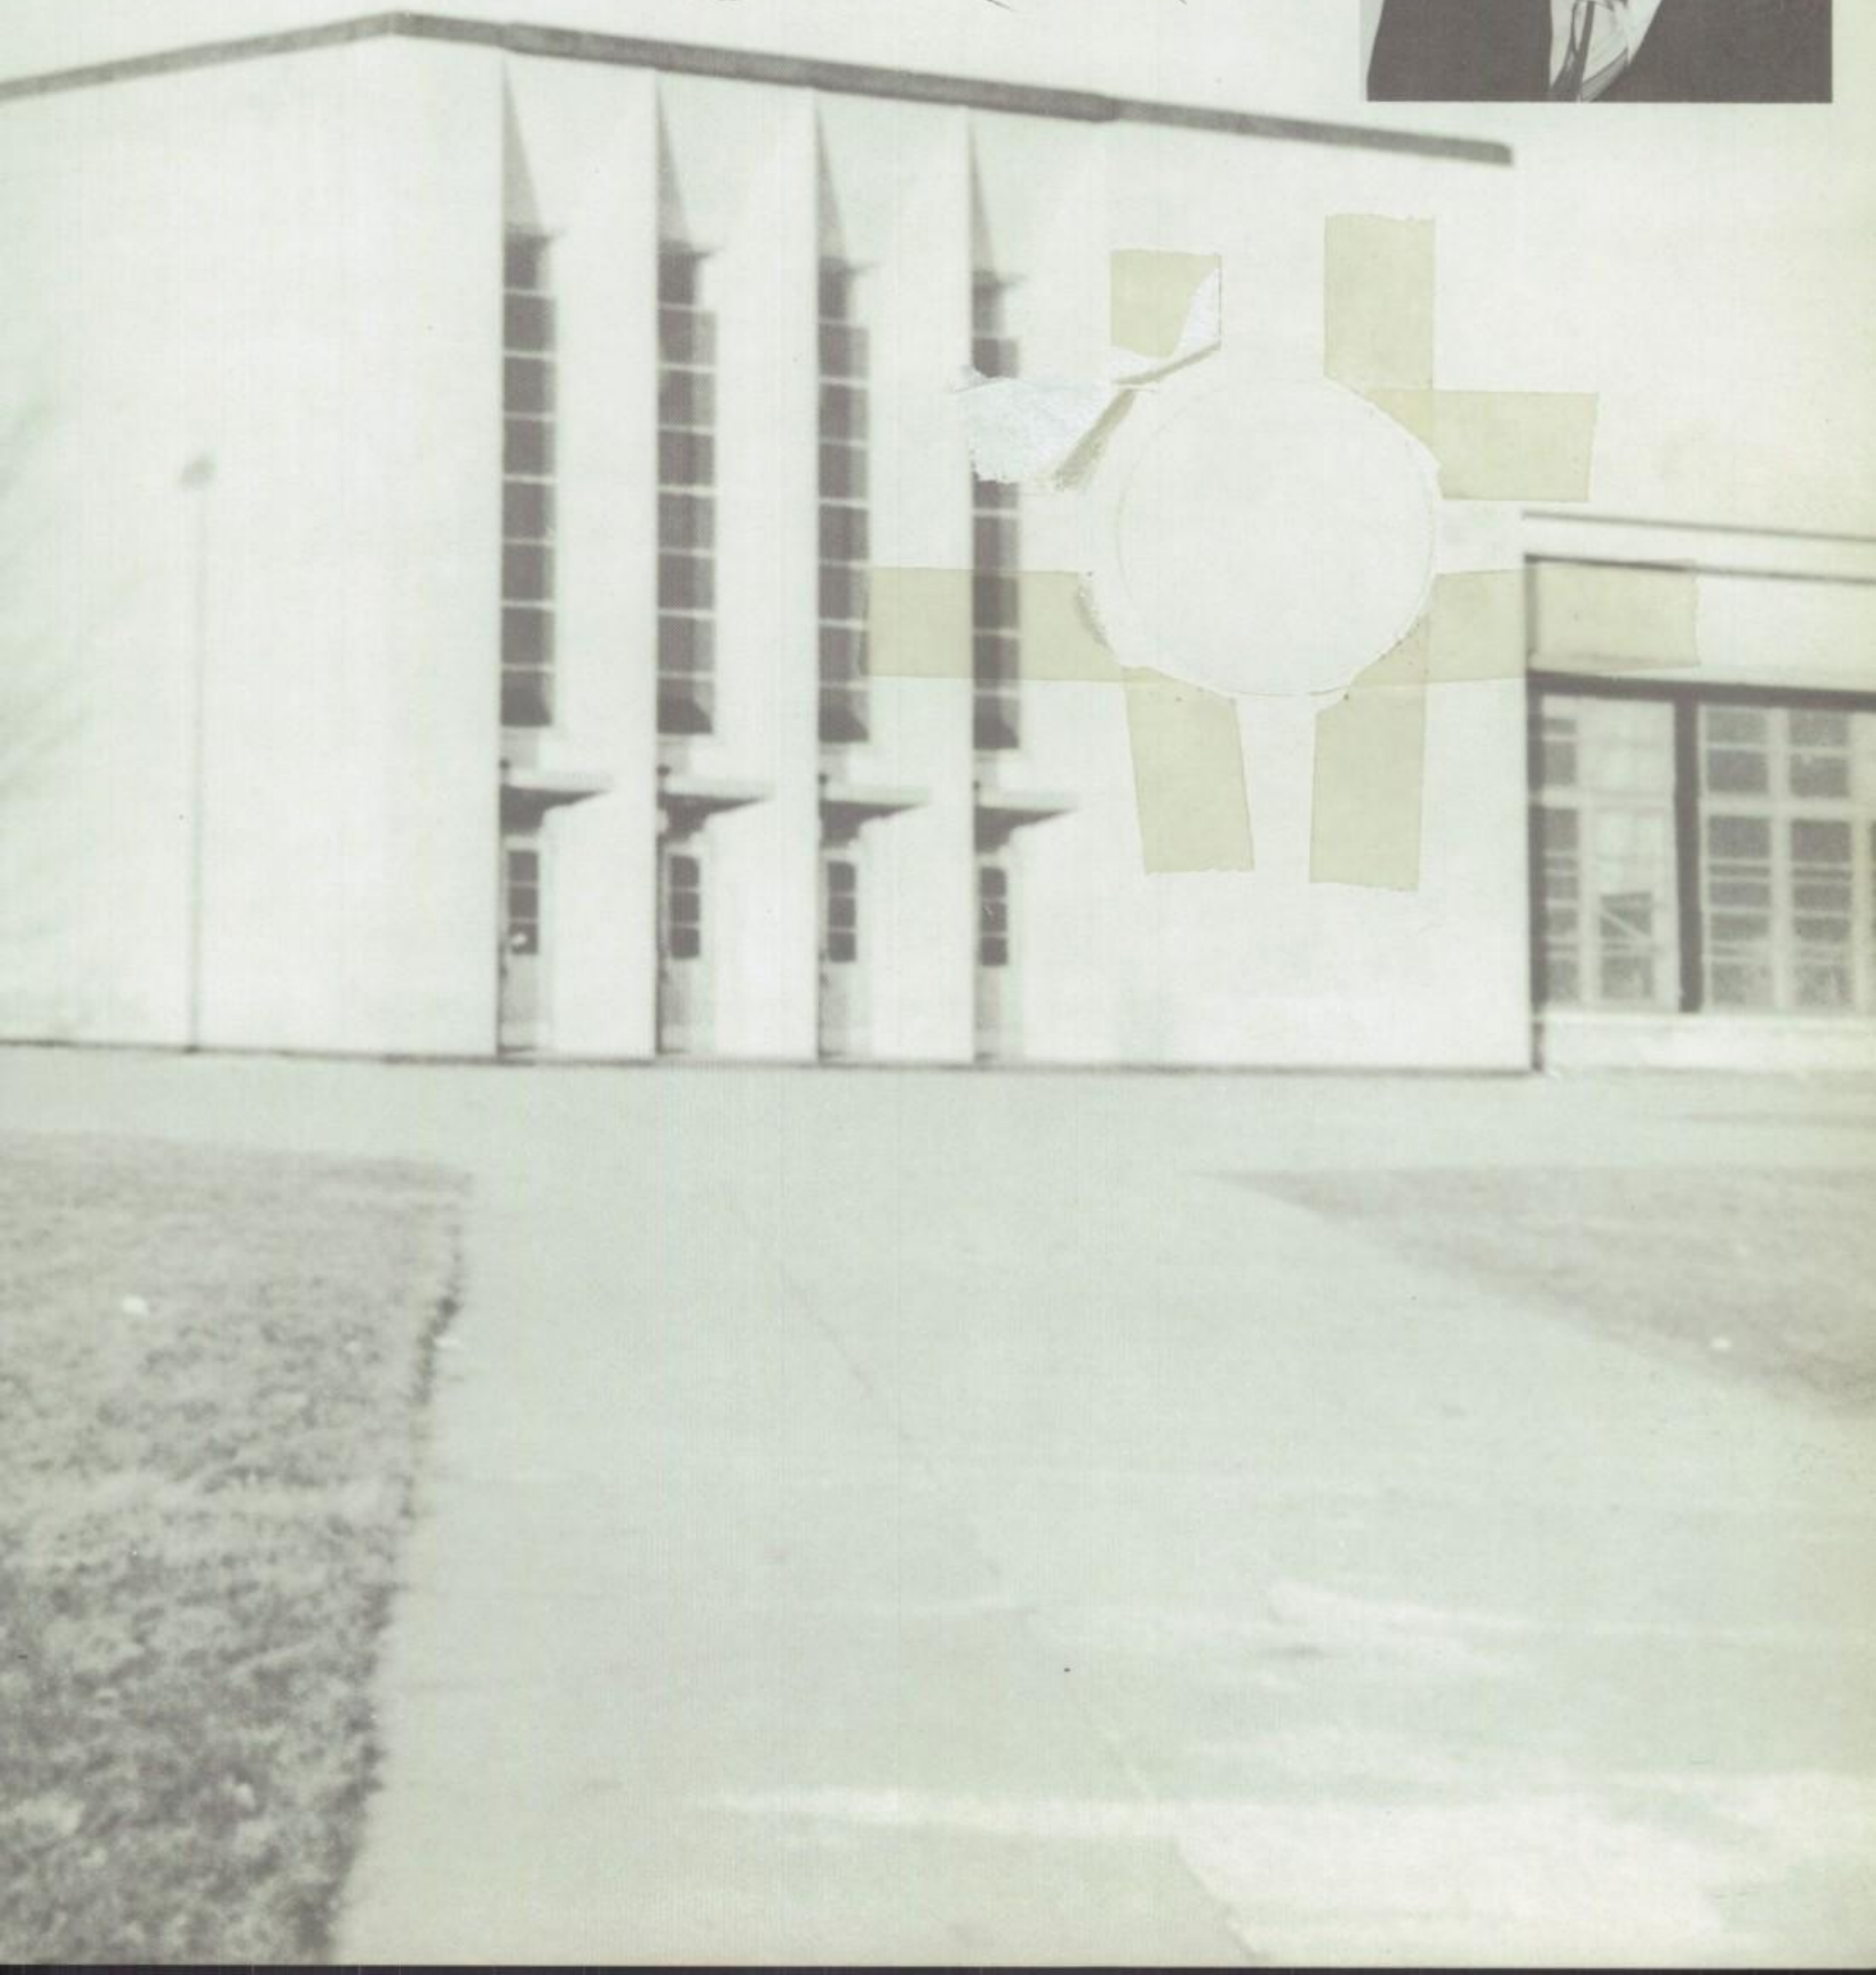

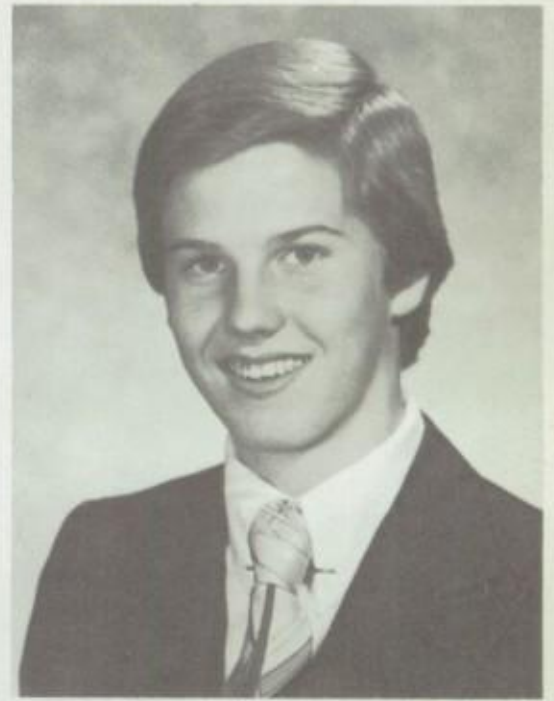

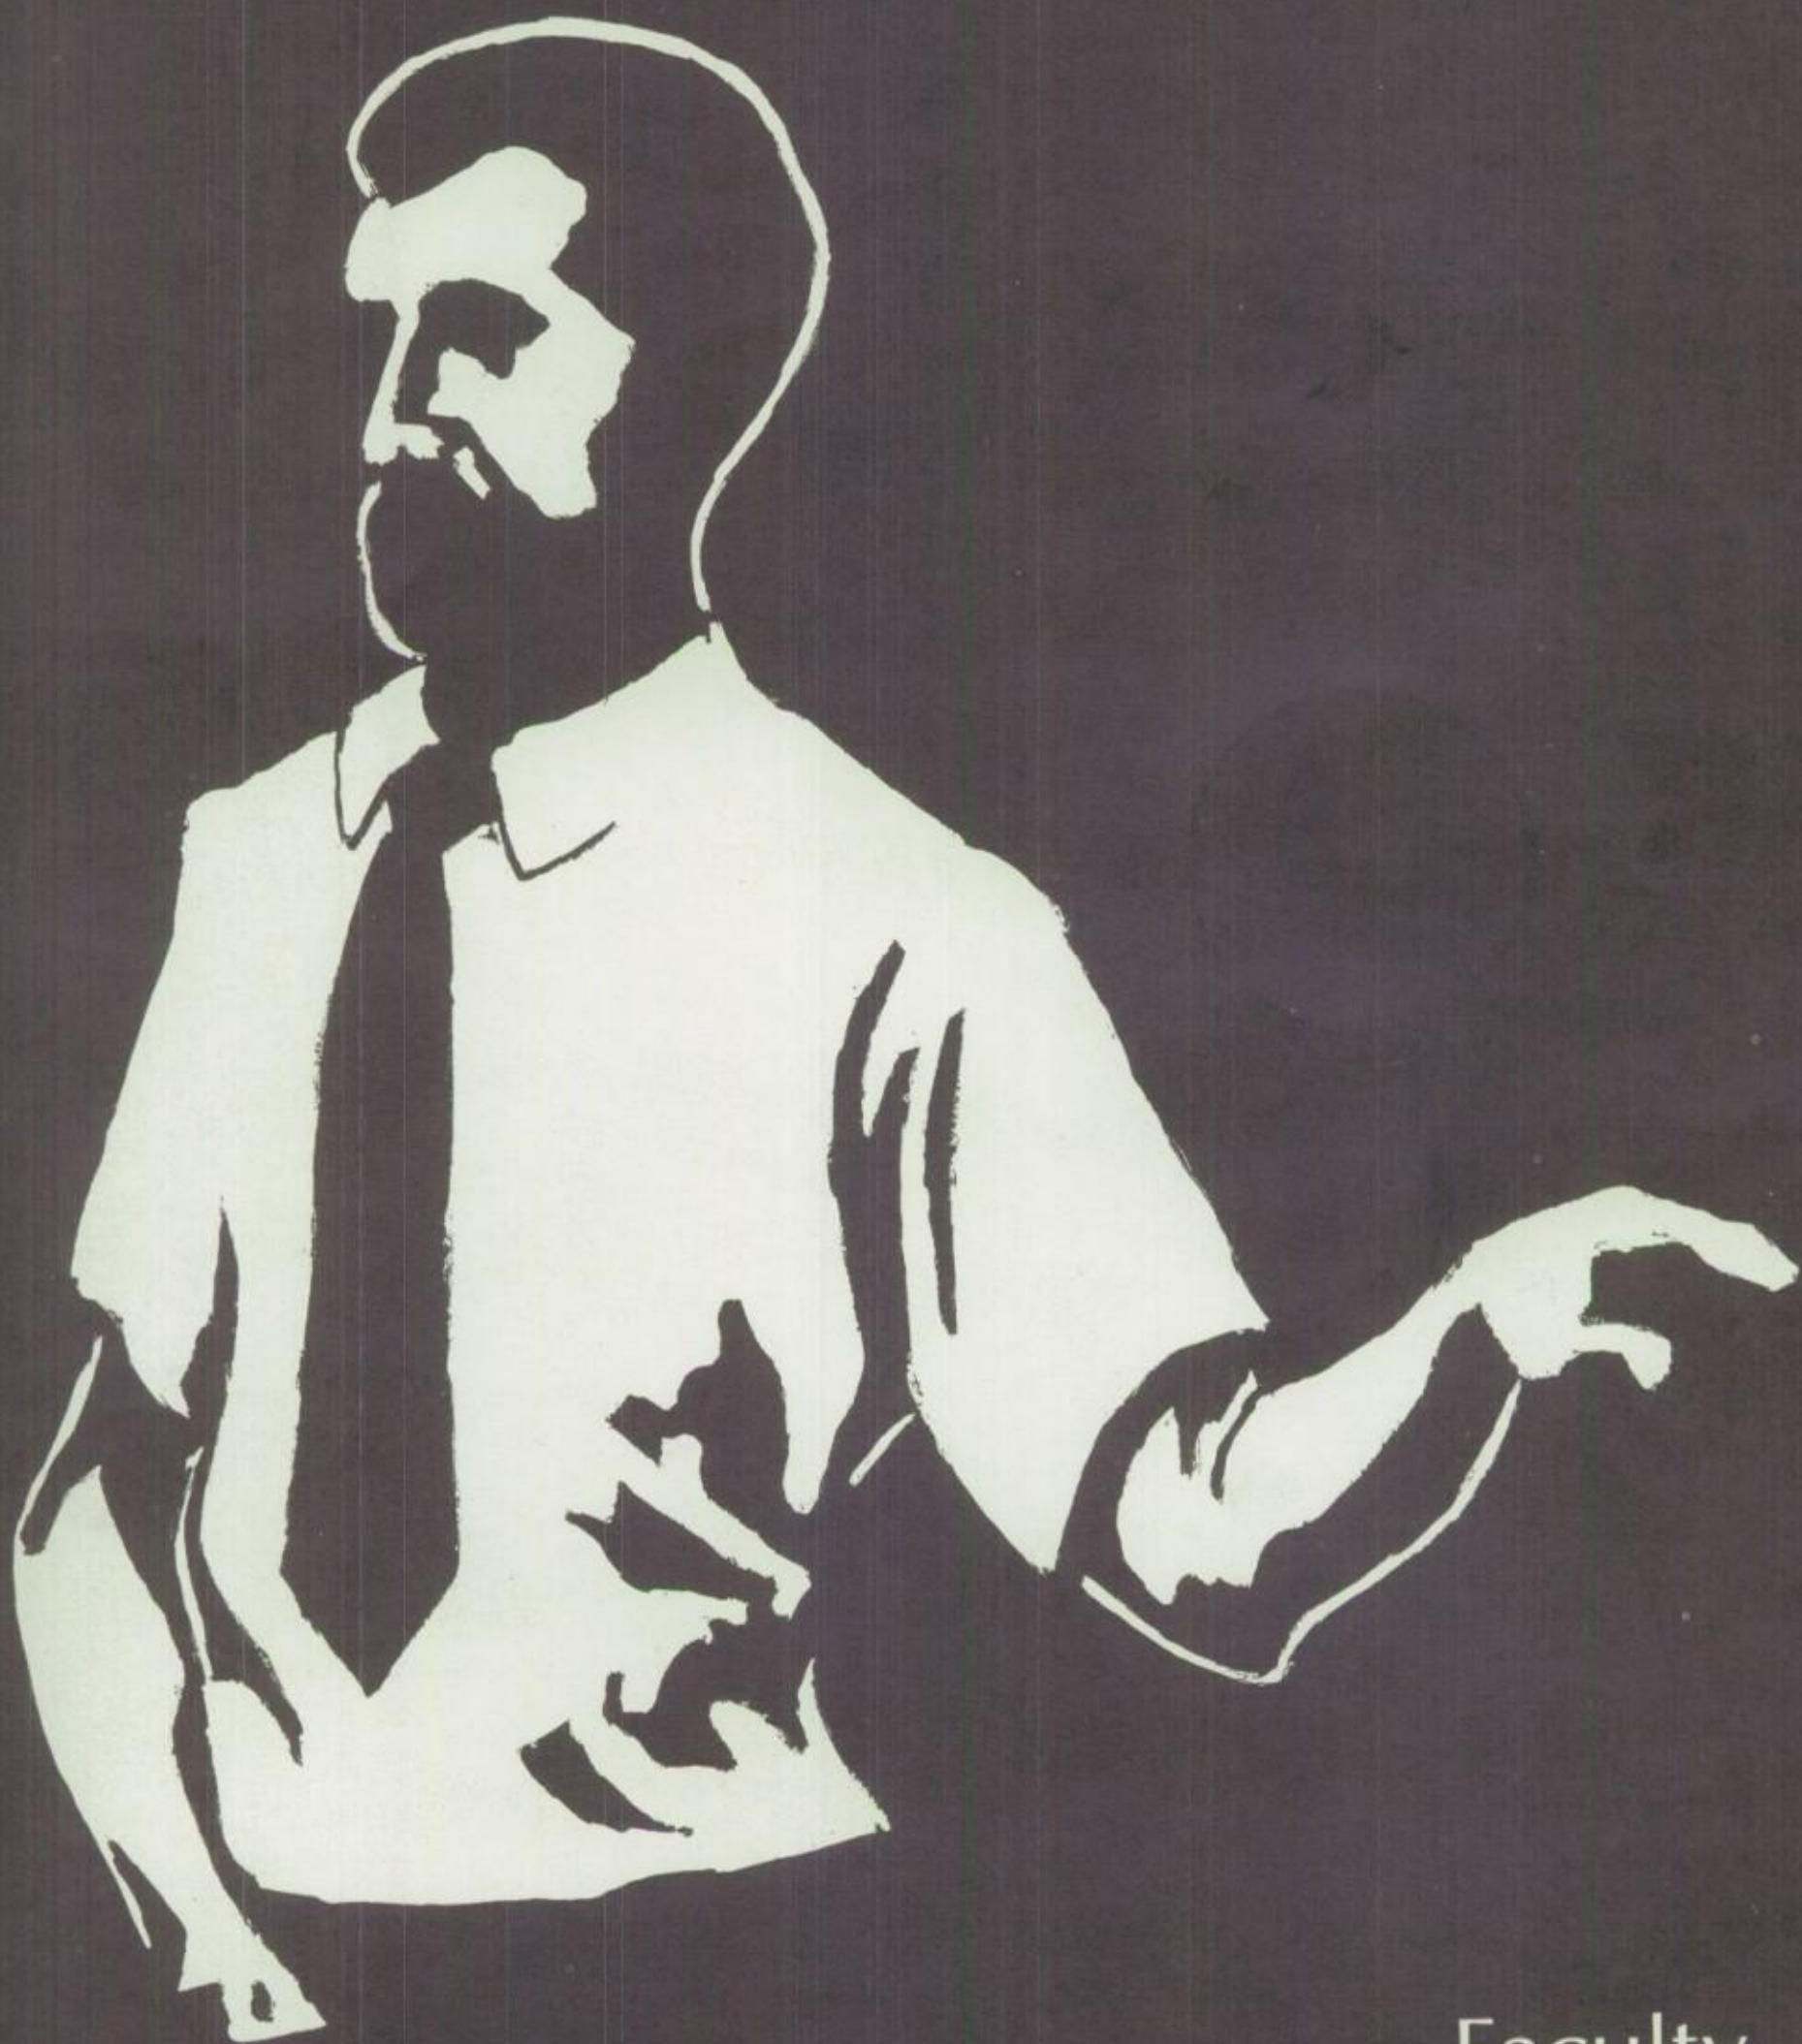

Editor's Message

Our years at Lincoln are invaluable, for as we grow, we will constantly look back and draw from our high school experiences. We have been provided with skills and information, a foundation for future decisions. But we cannot sit back and wait to use what we have learned. We must seize life, for it is ours to make of it what we wish. Success, whatever one conceives it to be, is not easily achieved.

We are young, and youth and its vitality are unstoppable forces. We have the advantage of time ... but time is irreplaceable. We must live now. "Thus, though we cannot make our sun stand still, yet we can make him run."

Bob Rowland

Faculty

Principal Dr. H. Silcox

As the first class to graduate in America's third century, you are faced with a world that shows little resemblance to the one faced by your parents. Our dependence on oil as an energy source, the distrust in the country of all forms of authority due to Watergate, and fewer job opportunities have served to increase the problems your generation will face. These are problems that you as students, very rarely, if ever, considered, but this apathy is not different from the generations who have gone before you.

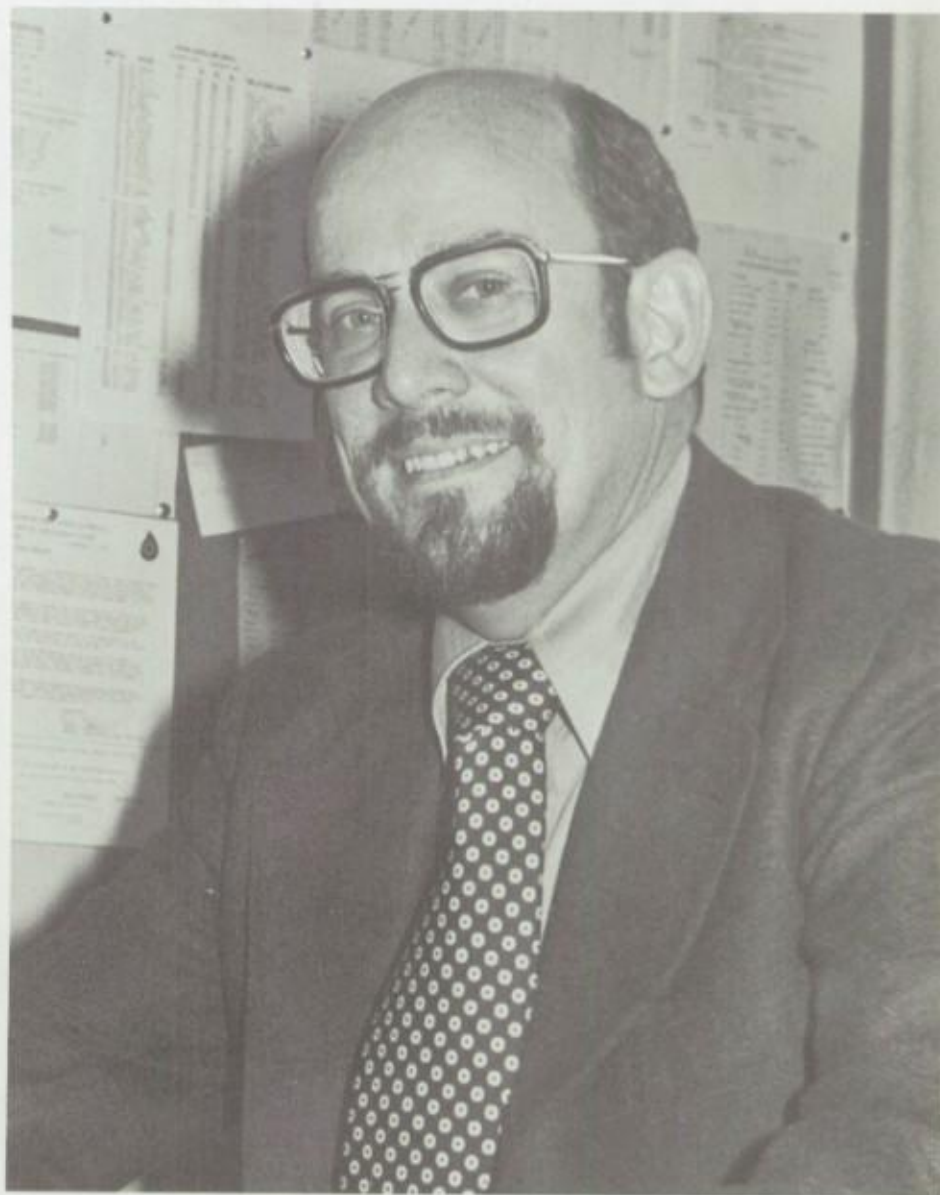

Here is a bit of advice in facing the world. Have confidence in yourself since the only person you can control is yourself. Be responsible for your actions and help those around you to be reasonable. The class of '77 is now part of the adult world, one that holds the promise of abundant gifts and immediate disaster. Let us all work toward achieving the gifts of life. Good luck and success to a fine class.

William Brown

If you should notice a man sitting with his feet up on a desk, eyes staring at the ceiling and talking about England, you have just found Mr. William Brown. A true English patriot, ("For the Bicentennial let's give the U.S. back to England"), Mr. Brown is the head of Lincoln's fine history department. Though he shows this definite bias towards "the Mother Country," he does a fine job teaching us colonists American History.

To add to his course, Mr. Brown will turn storyteller and amuse his students with various tidbits and tales from his travels abroad. He is always ready to help a student improve and to all who have had him, "you could find out" is an all-too familiar suggestion.

Mr. Brown is an interesting source of knowledge and adds a special cultural flavor to education at Lincoln. Although he'd rather hear it from the Queen, the class of 77 wishes him "a bloody good show in the jolly years to come."

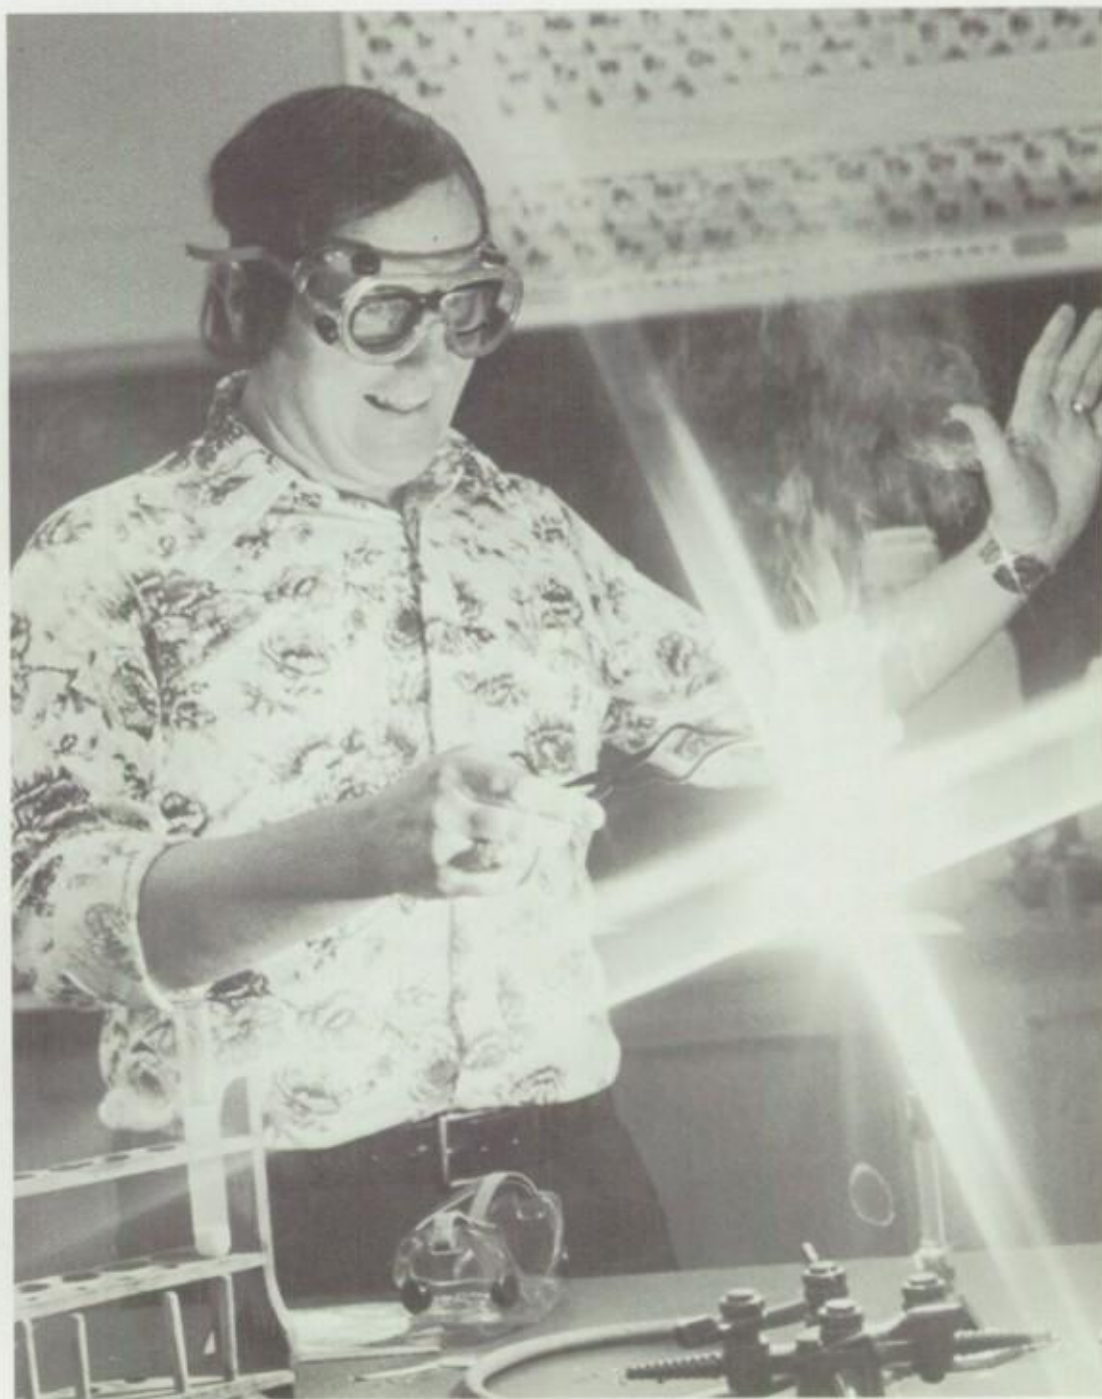

James Hayburn

"Alvarez, to derive the molecular weight ... of a solid in the gaseous state. ..."

When students first enter Mr. James Hayburn's classroom, they may imagine that they are losing their hearing. However, as soon as Mr. Hayburn's students learn to interpret the English language spoken at the speed of light, they immediately recognize the wit and warmth of one of Lincoln's finest science teachers.

Mr. Hayburn covers an exhaustive subject with an inexhaustable amount of energy. He is always willing to lend extra help to those students who may require it. And his chem labs ... well, what can be said other than that he makes them as interesting as a chem lab can be. Question — "Mr. Hayburn, how is it poisonous?" Answer — "It is poisonous in that it kills you!"

Out of the classroom, Mr. Hayburn is involved with his students in extra-curricular activities. He is the sponsor of the parking lot crew ("Move that chevy") and the annual intramural basketball league ("Technical foul on number forty-one ... two shots"). And to the class of 77 he has been our faithful egg-throw coach in the Jamboree for the last three years. As we have been close to Mr. Hayburn, we feel his most notable accomplishment has been the lengthening of his hair. To the new Mr. Hayburn we wish the best of luck in the years ahead.

Johanna Webb

Mrs. Webb is not just your everyday, run-of-the-mill French teacher. Many an unsuspecting student has entered her classroom expecting just a regular lesson in French verbs, only to see what resembles a performance of Jim Henson's Muppets! Mrs. Webb's "audio-visual aids" include the Cookie Monster, Bert and Ernie, and a green, red-eyed monster known as "Grok"! Naturally, all these puppets speak fluent French.

When not performing with her puppets, Mrs. Webb may regale a class with stories of her world-wide travels and her student days in Paris. On special occasions Mrs. Webb's familiar alto voice may be heard leading her classes in rousing French drinking songs.

But there is method to all this madness. In listening to her stories and singing her songs, Madame Webb's students develop their French listening and speaking skills. By discussing her student days, Mrs. Webb brings the atmosphere of the Sorbonne into Lincoln's classrooms. She has also traveled in France with many students from Lincoln during Easter vacations.

The Class of '77 says "merci" to you Madame Webb, for sharing your life with us.

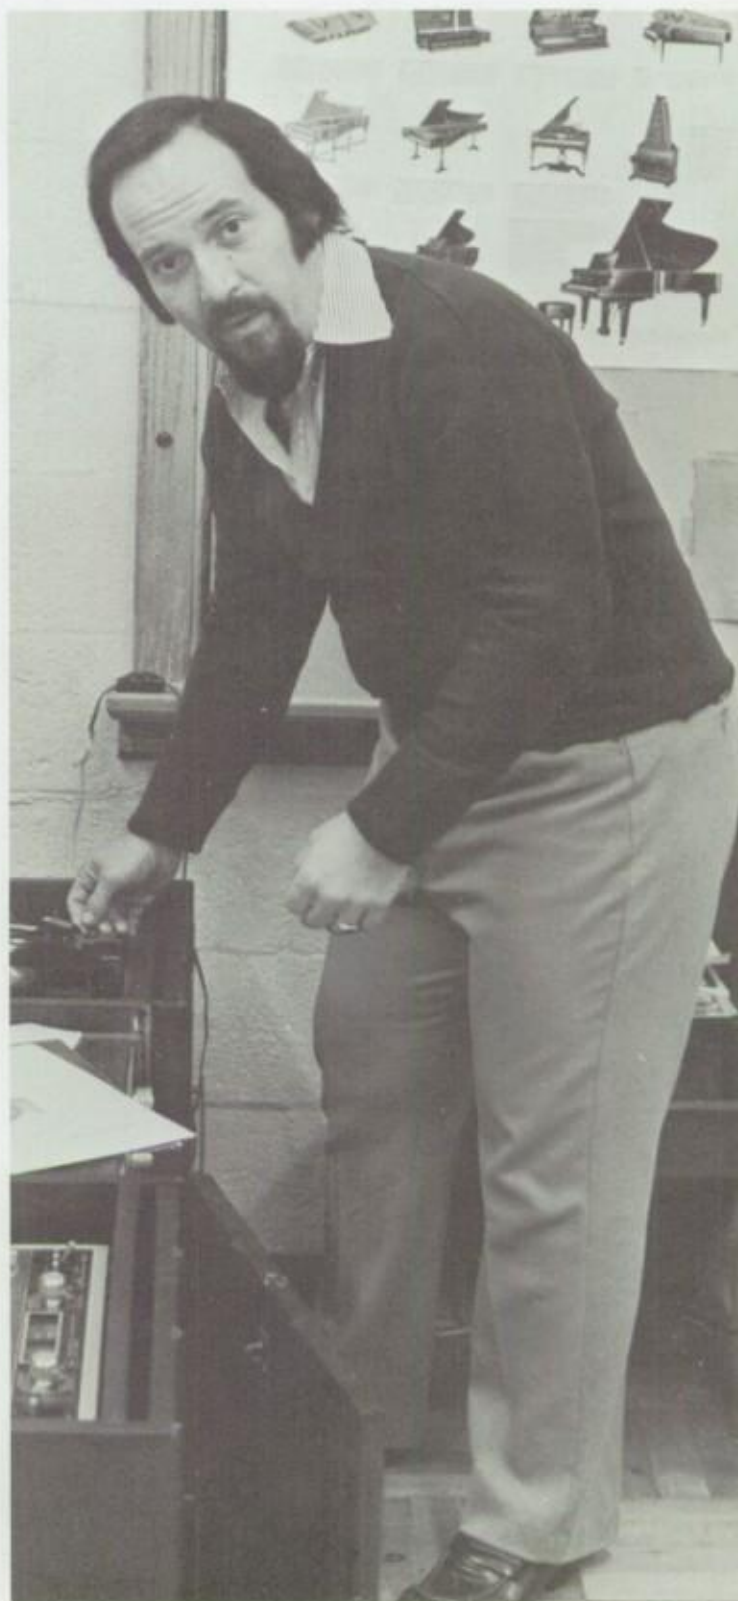

Jay Braman

The name "Mr. Braman" means many things to the students of Lincoln High. To some he is primarily a music teacher. To others, the conductor of Lincoln's A Cappella and Chamber Choirs. But for the students who have come to really know Mr. Braman, it is hard to express, in a few words, the feelings which they really have for him.

Yes, Mr. Braman is a music teacher and choral director, but his real job transcends both of these occupations. It is his goal to transfer just some of his love for music to those around him, to enable his students to feel a mere bit of the excitement music brings to him.

In his teaching, Mr. Braman establishes a very close rapport with his students. As a result of this closeness, he often becomes a counselor — always willing to listen. The class of '77 wishes to thank Mr. Braman for his involvement with us.

Andrew DePino

One of the least traveled hallways in Lincoln High School is the 260 hall, and consequently, not many students have come into contact with Dr. Andrew DePino, the hallway hawk. When not protecting the Commerce Department from invasion, Dr. DePino moonlights as a Business Teacher.

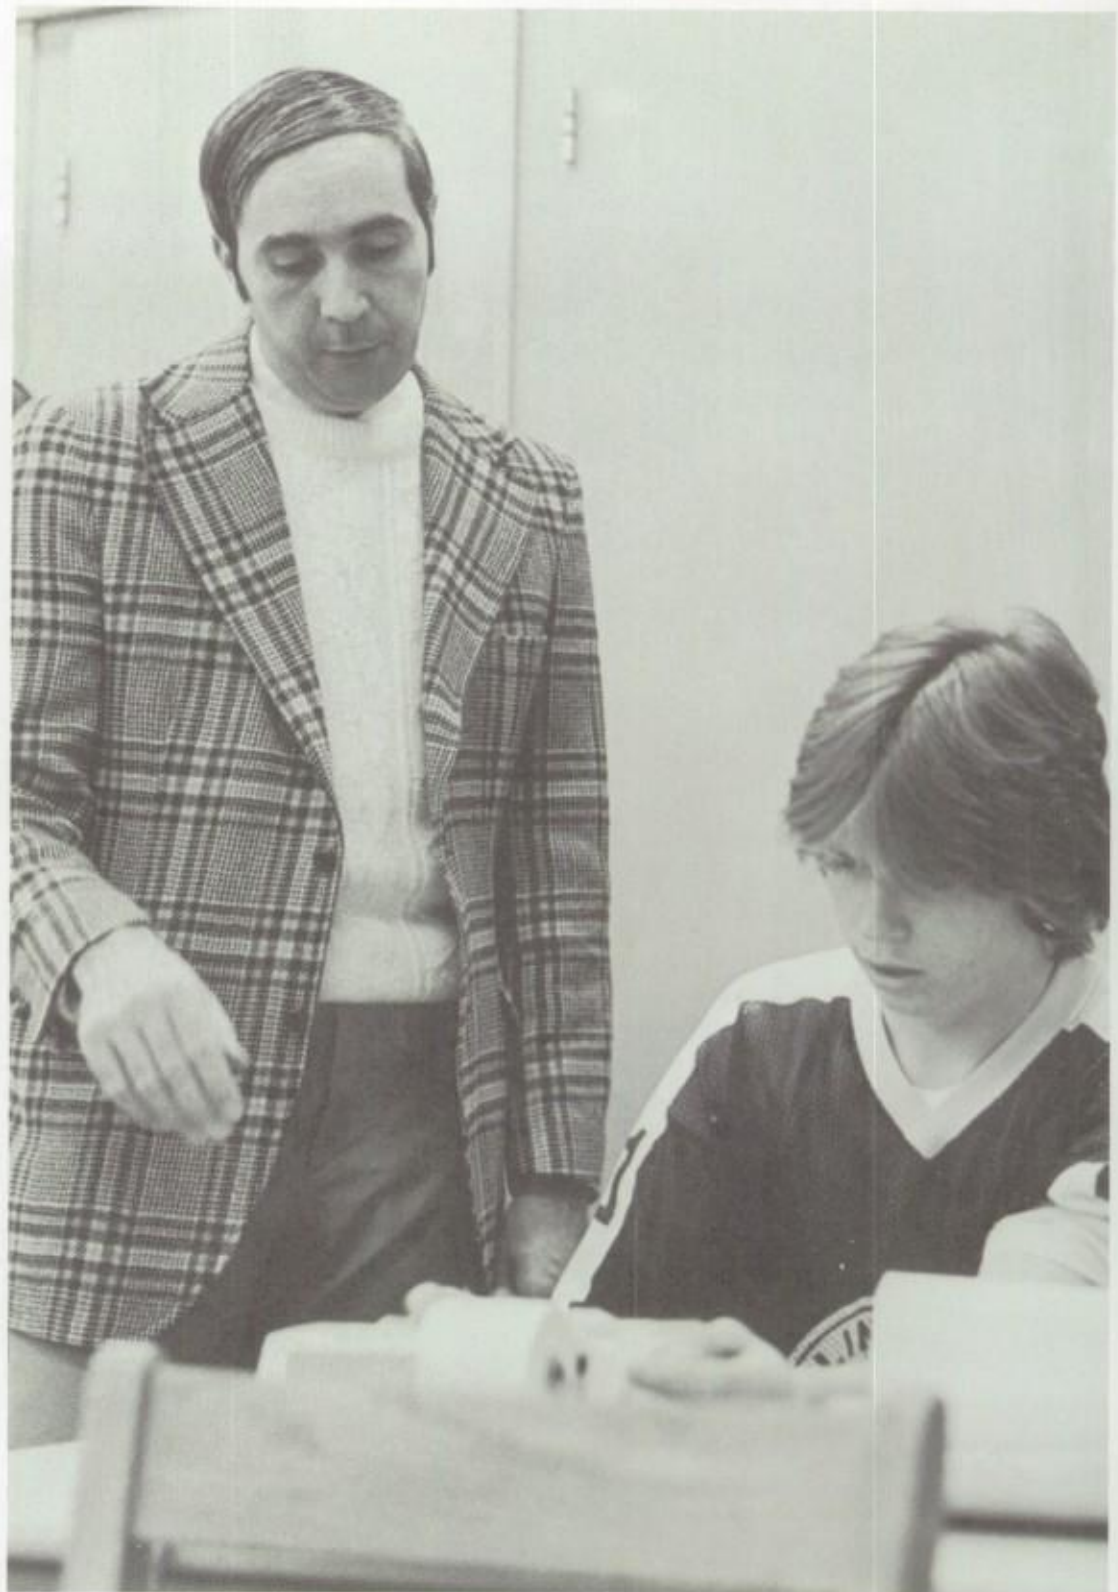

Seriously, he is one of Lincoln's new "doctors", having recently received his doctorate. Some of his students feel that he should have taken a course in joke telling, though sometimes the "King of the Corn" reels off a good one.

All in all, Doc DePino is responsible for giving Lincoln's commercial students the essentials for a successful career in the business world.

Memo
To: Dr. DePino

From: The Class of '77

Continued success in the future.

Helene Soifer

Anyone wandering in the vicinity of the 250 hall is bound to come across an unusual teacher who devotes her entire school day to teaching her "beloved" students about the facts of English. This is Ms. Helene Soifer, English teacher, dedicated wife, Simon and Garfunkel fan, and very nice person.

A typical Soifer-class may involve a discussion about the "fabulous fifties," a debate on the quality of "women drivers," or a joke about her "incredible" height, a feature which makes students feel confident when they are chatting with her, for she usually has to look **up to them**.

Ms. Soifer quite often surprises her pupils by speaking in such an eloquent and complicated manner that someone is apt to remark, "Would you please repeat that in English?" Ms. S. then proceeds to flash a smile which can subdue even the rowdiest of students.

When she is not astounding people with her tremendous vocabulary and her brilliant smile, Ms. Soifer is often found at home, busily knitting sweaters for her parakeet or reading Shakespeare to her plants. Along with her botanical interests, Ms. Soifer also enjoys traveling, only of course, when her travels do not include shuttling back and forth between school and home!

Helene Soifer is not just another teacher. She is a unique and remarkable human being, and her concern for students makes her one of Lincoln's finest teachers. The Class of '77 is grateful to have been able to share her gift and hopes that Ms. Soifer always remains happy.

FACULTY FOLLIES

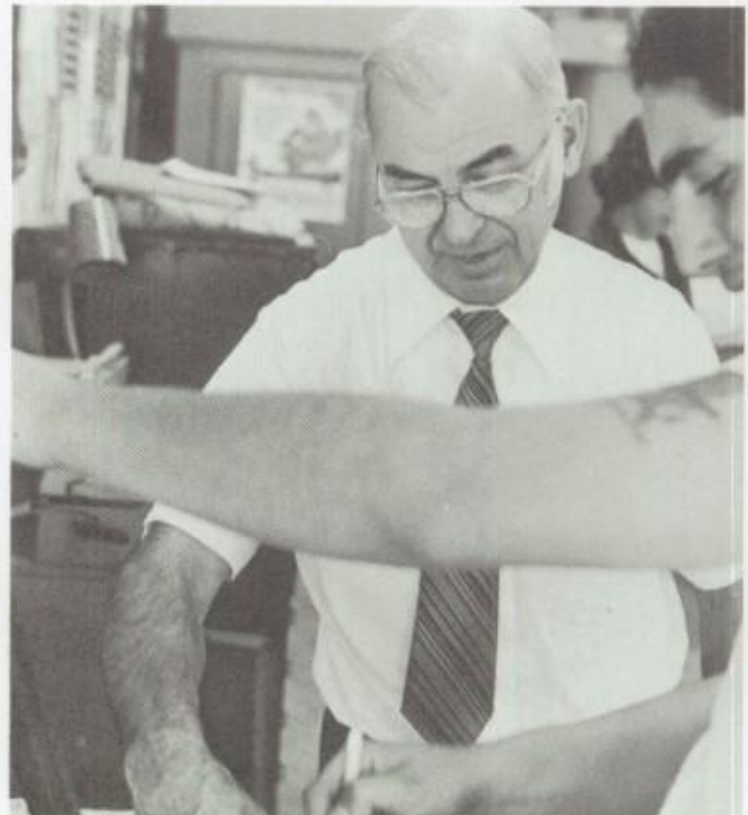

"Picture it . . . your name in lights!"

"No wonder they wanted to read this one!"

"What did you say her book number is?"

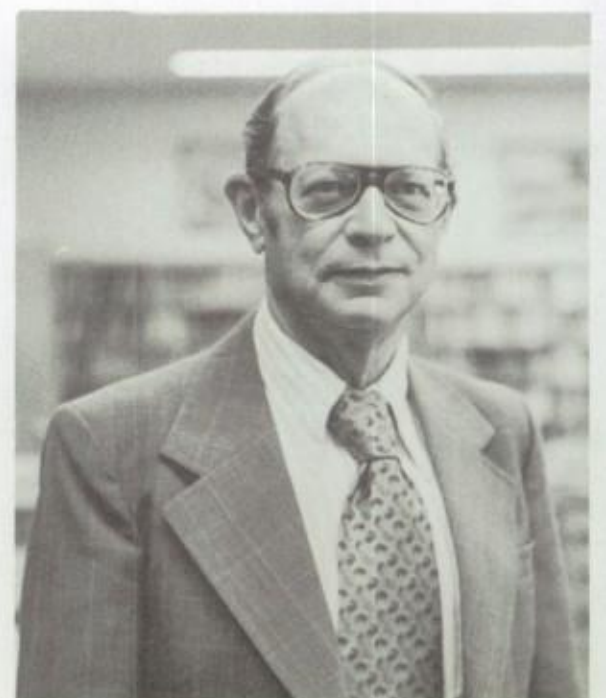

"Take Seabiscuit to win in the 1st . . . Lucky Lady to place in the 2nd . . ."

"Cool it Roger, Eleanor isn't into cross-pollination."

"Will you go to the Prom with me?"

"Let me say a word about laxatives . . ."

"O.K., who drew the moustache on Jane Eyre?"

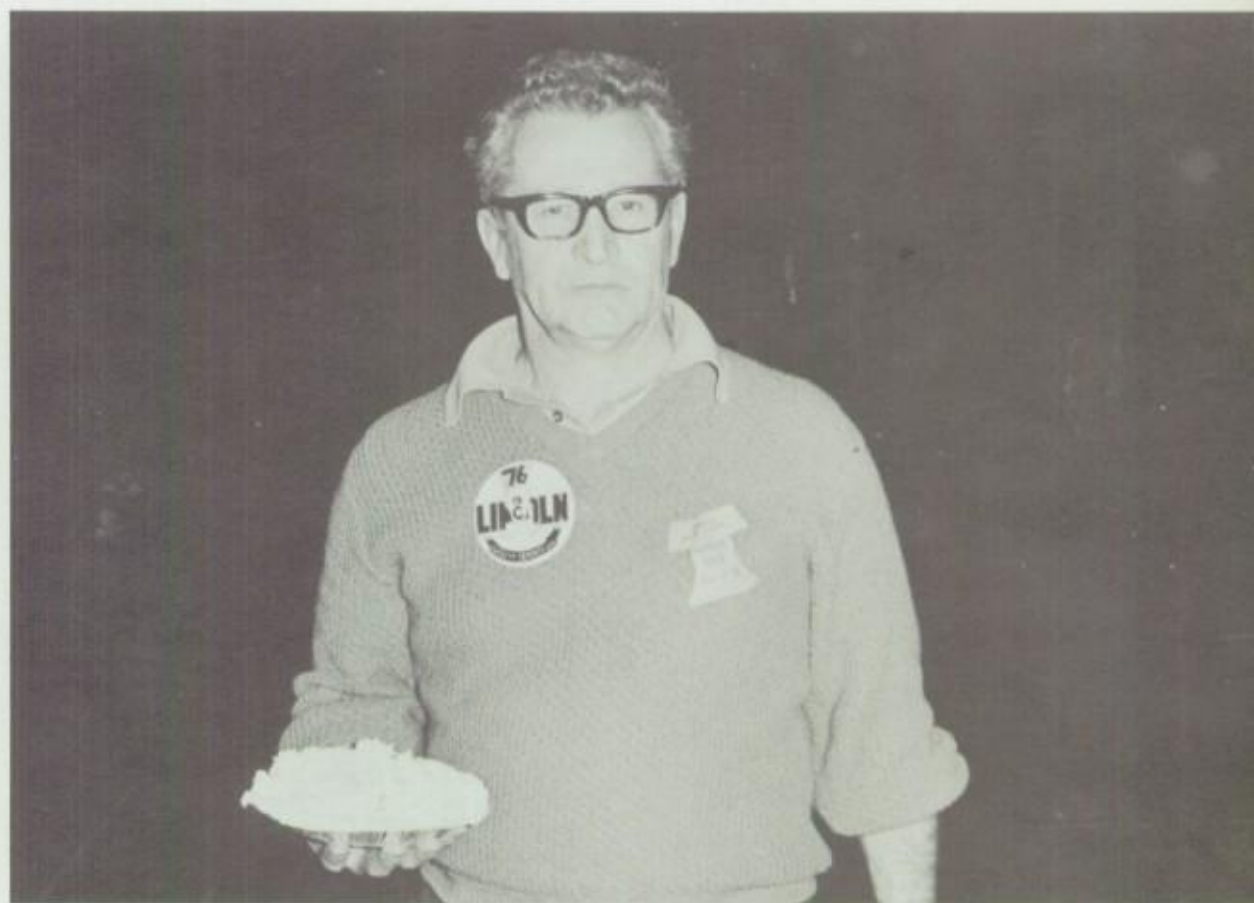

"Our next model, from Pierre Cardin . . ."

"O.K., who starched my smock?"

"Then I'll just take my ball and go home!"

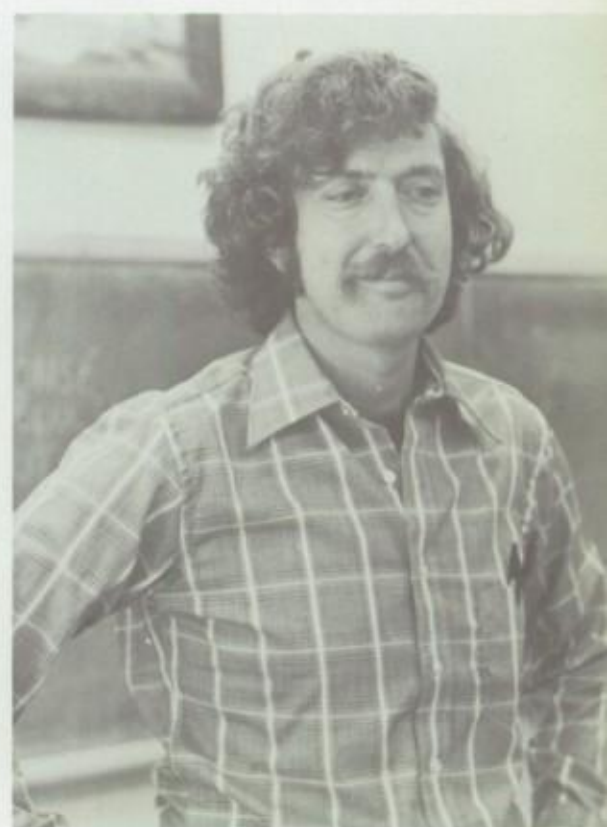

"So you won't climb the ropes, Huh?"

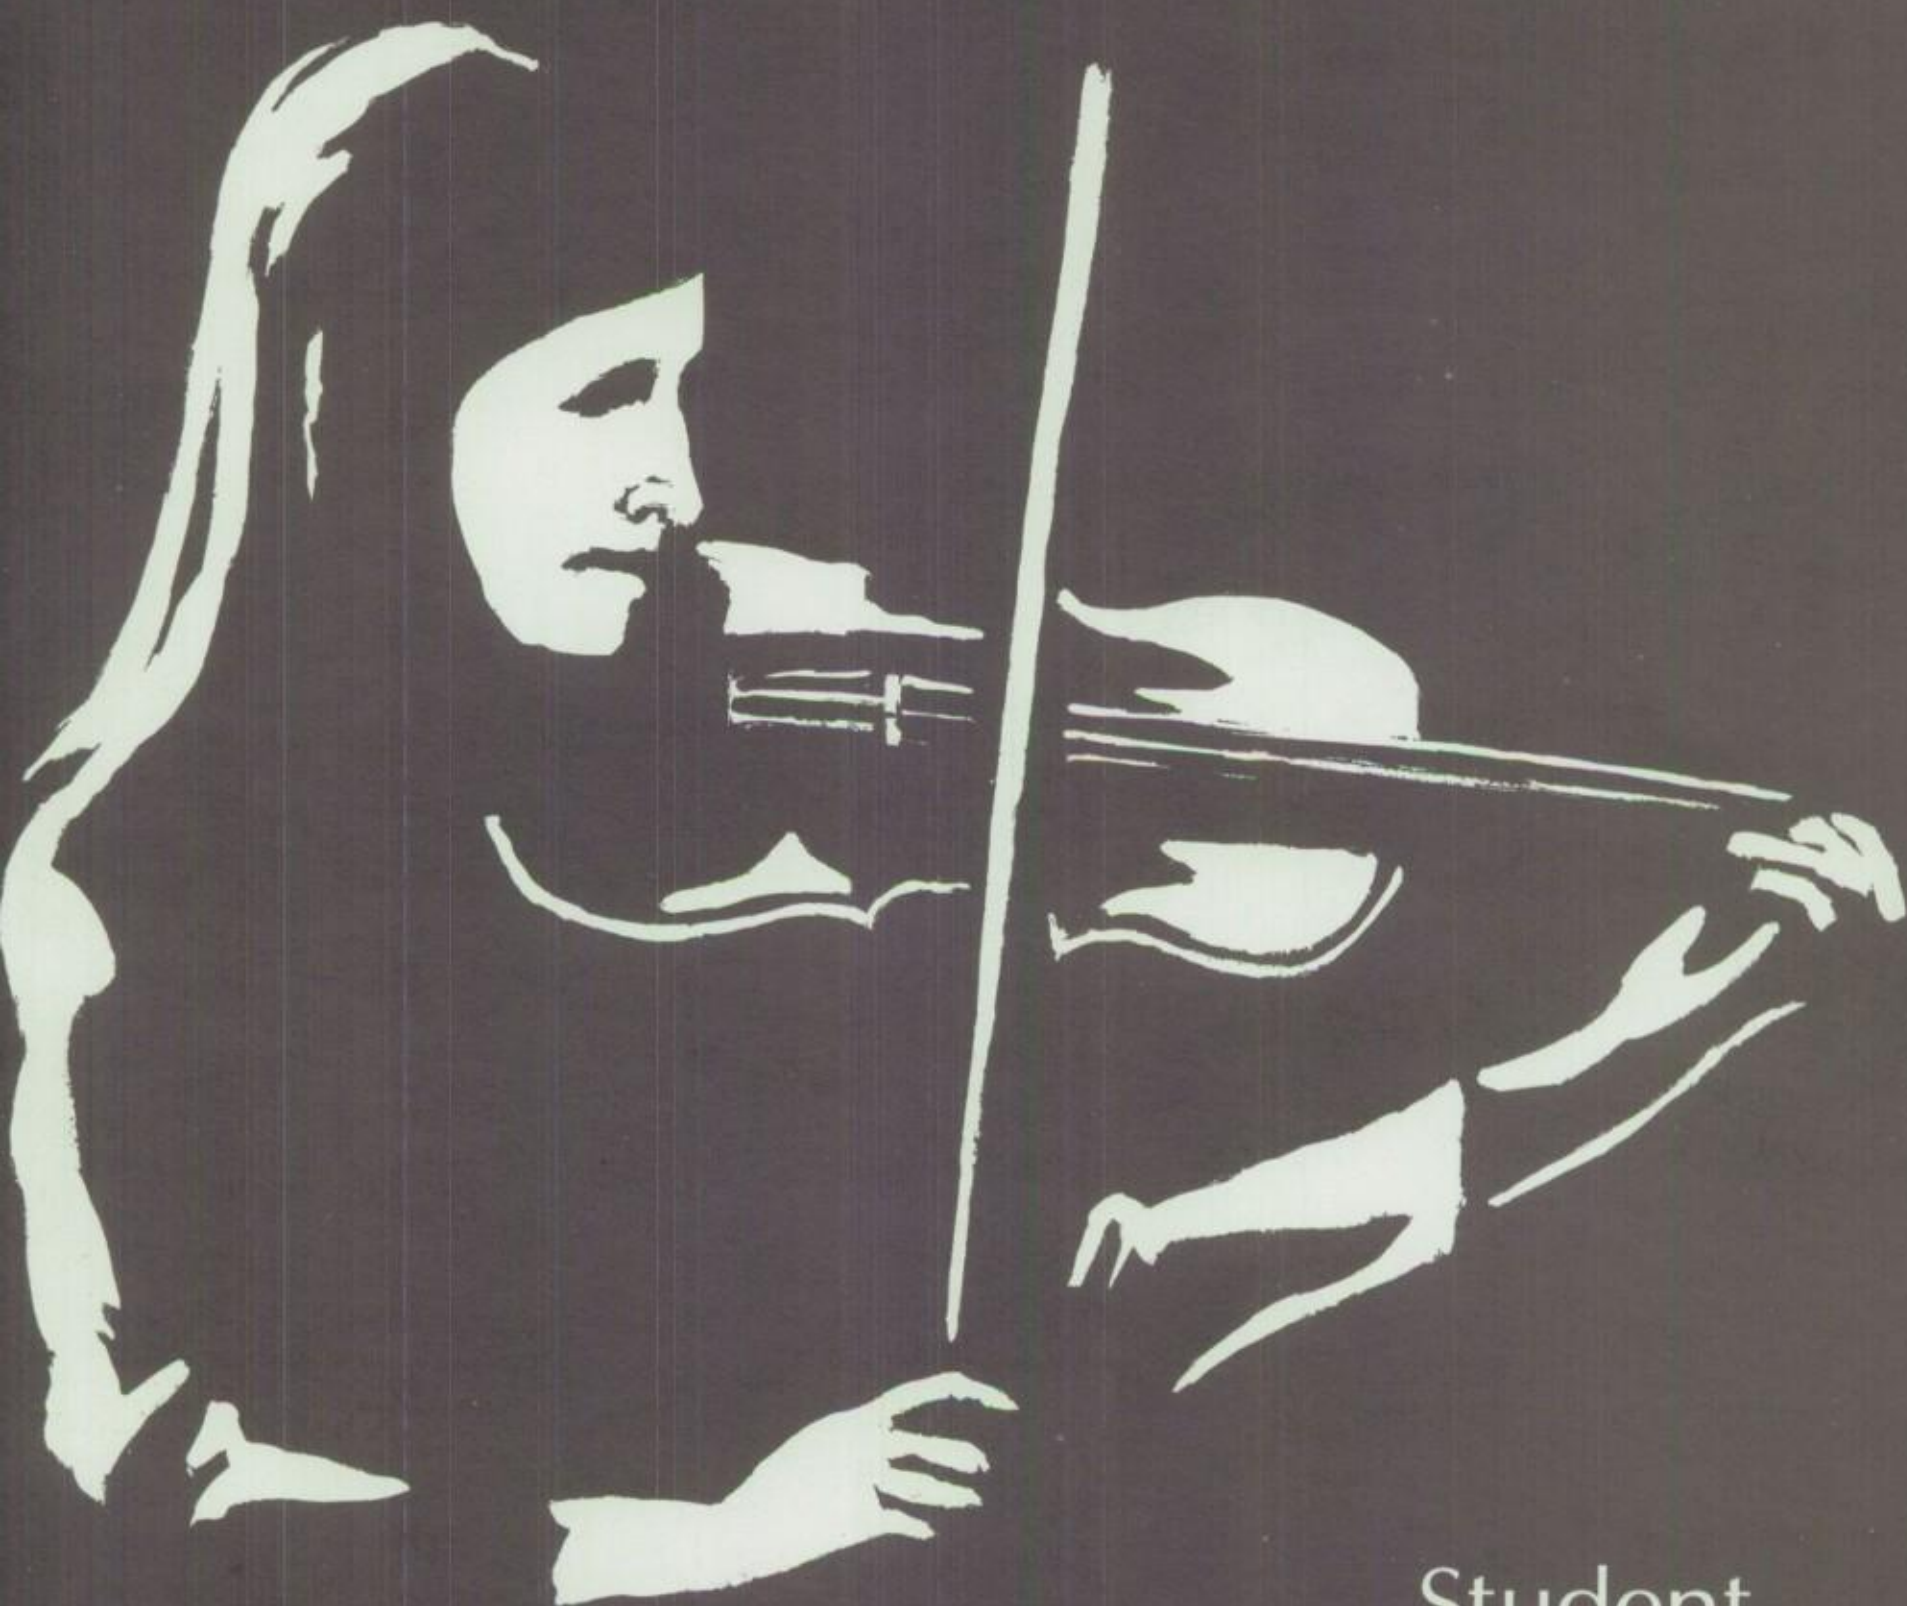

"But he didn't say Simon says!"

"Moon River . . ."

"I wonder if they know I'm an Old Spice Man?"

STUDENT ASSOCIATION

President's Message

As we leave Lincoln, now better prepared for our future with the knowledge that has been gained, we also take with us many memories. Over the years, we shall cherish these memories as some of the best times of our lives. Our futures and our lives have been greatly molded by our experiences here at Lincoln.

I feel that a class as ambitious and enthusiastic as ours will make its mark on the world. We are full of youth, vigor, ideas and dreams. Hopefully, each and every one of us will make his dream come true. "In dreams, there are no impossibilities."

I would like to thank all of you for giving me the honor of serving you and Lincoln. I wish you all much happiness and success — today, tomorrow, and always!

Nancy Chomenko

Vice-Presidents Bobby Skypala and Vicki Ott

Treasurer Debbie Scarcelli and Secretary Wendi Williams

Sponsor's Message

Much is written concerning the shortcomings and delinquencies in today's youth. I believe you, the graduates of June 1977, are the exception. I believe you to be representative of the very best. Among you are outstanding men and women — brilliant students, mature people, individuals who value right more highly than personal preference. In fact, I believe that your most important characteristics have been maturity of judgment, soundness of action, and a sense of humor. You have done much to advance Lincoln High School to a position of leadership among the high schools of the nation.

Despite the menace of prejudice, strife, fear, and disaster, your world holds great promise. It is a dynamic world filled with opportunity.

Knowing that your teachers who have worked with you have confidence and pride in you, you must have confidence and pride and make significant contributions to society.

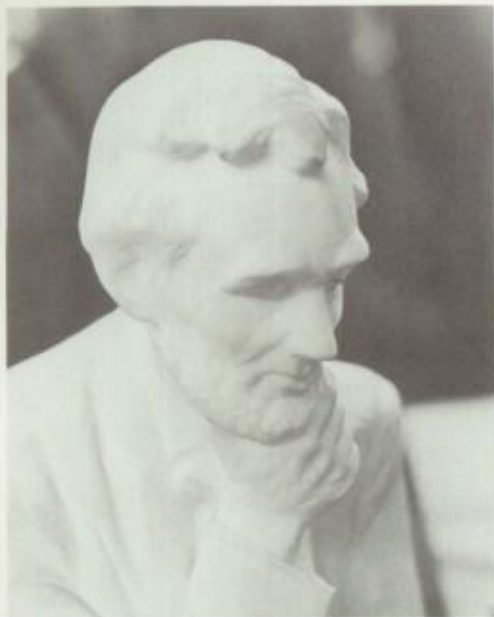

To my dear officers and to that unique group of students who work so diligently for L.H.S. go my blessings, profound appreciation, and love.

It won't be the same without you!

Arsène Lupin en prison

L'énorme petit château féodal du Malquis est fierement perché sur un rocher au milieu de la Seine, entouré à la fois par un pont. Dans cette ancienne demeure de bourgeois, habite le baron Calvès, le baron Sureau, comme on l'appelle parfois à la Bourse où il s'est enrichi un peu trop vite. Les seigneurs du Malquis, rois, ont dû lui rendre, pour un morceau de pain, le château de leurs ancêtres. Il y a installé ses admirables collections de meubles et de tableaux, et de bois sculptés. Il y vit seul, avec trois vieux domestiques. Personne n'y pénètre jamais. Personne n'a osé

In the past three years, the class of '77 has participated in an event which has featured cowboys and Indians, saloon girls, Mickey Mouse and Donald Duck, Hawaiian dancers, the Minute Men, and even the Flyers! Along with colorful cheers for the Black and Gold Teams, exciting relays and dance routines join to produce Lincoln's extremely unique "Jam-boree."

Sports

fall

CROSS COUNTRY

One may find the cross country team members any day in the fall, running out of a sheer desire to do well and seeking no recognition — just a better "time".

It is a little known fact that Lincoln's cross country team consistently finishes among the top five in the Public League. This year's team was no exception. With only three returning varsity team members, the harriers worked extra hard under new coach Fred Gordon and placed fifth in the championship meet, only six points behind the fourth-place team.

All-Public runner Ray Illuminati, who was the third best in the league, led the club. The other senior varsity team members were Joe Denski, Bobby Apeldorn, Rick Enders, and George Gaspar.

FIELD HOCKEY

Wuestner's Wicked Women, sometimes referred to as the Lincoln Girls' Hockey Team, ended the 1977 season with a record of 5-5-4 that was not really indicative of their true ability. Not one of the games was lost by a margin greater than two, and many were close up to the final whistle. Senior Co-Captain Colleen Costello was the only Lincoln player selected for the All-Public Team. Other Varsity members included Seniors: Co-Captain Carole Turner, Debby Iatarola, Kathy Quigley, Debbie Reiss, Sue White; Juniors: Lisa Heinrich, Barb Wismer; Sophomores: Althea Buafo, Joy Engard, Lynne Huber, Sandy Shipton, Margie Weber, and Barb Weiner.

SOCCER

This year's Varsity Soccer team once again turned in a good season. Under new coach Mr. Patton, the boys won eight games, lost four, and tied three while finishing third in the Public League's tough A division. The season's heartbreaker came when the boys were narrowly edged

out of a playoff spot by a mere four points. Senior Varsity players were "Bim" Bartley, Stan Blum, Carlos Buford, John Costa, Artie Galen, Larry Gardner, Mike Giampietro, Don Nicholas, and Jim Stevenson.

COACH'S CORNER

Mr. Patton has been pacing the sidelines of Lincoln's soccer fields for many years. Now, however, his players are taller than he and do not need him to lace their spikes. Seriously, Mr. Patton is well known for his work with the freshman soccer team and this year became the coach of the varsity team.

An excellent coach, Mr. Patton has the unique ability of relating to his players while still retaining their deep respect. The respect he has fostered stems from the fact that he is willing to give much of his time to his boys. His math room (yes, he teaches, too) in the 210 hall is always open to anyone who may need his help. Whether it be to support an extracurricular activity or merely to let someone read his newspaper (for which he is famous), Mr. Patton is always ready with a smile.

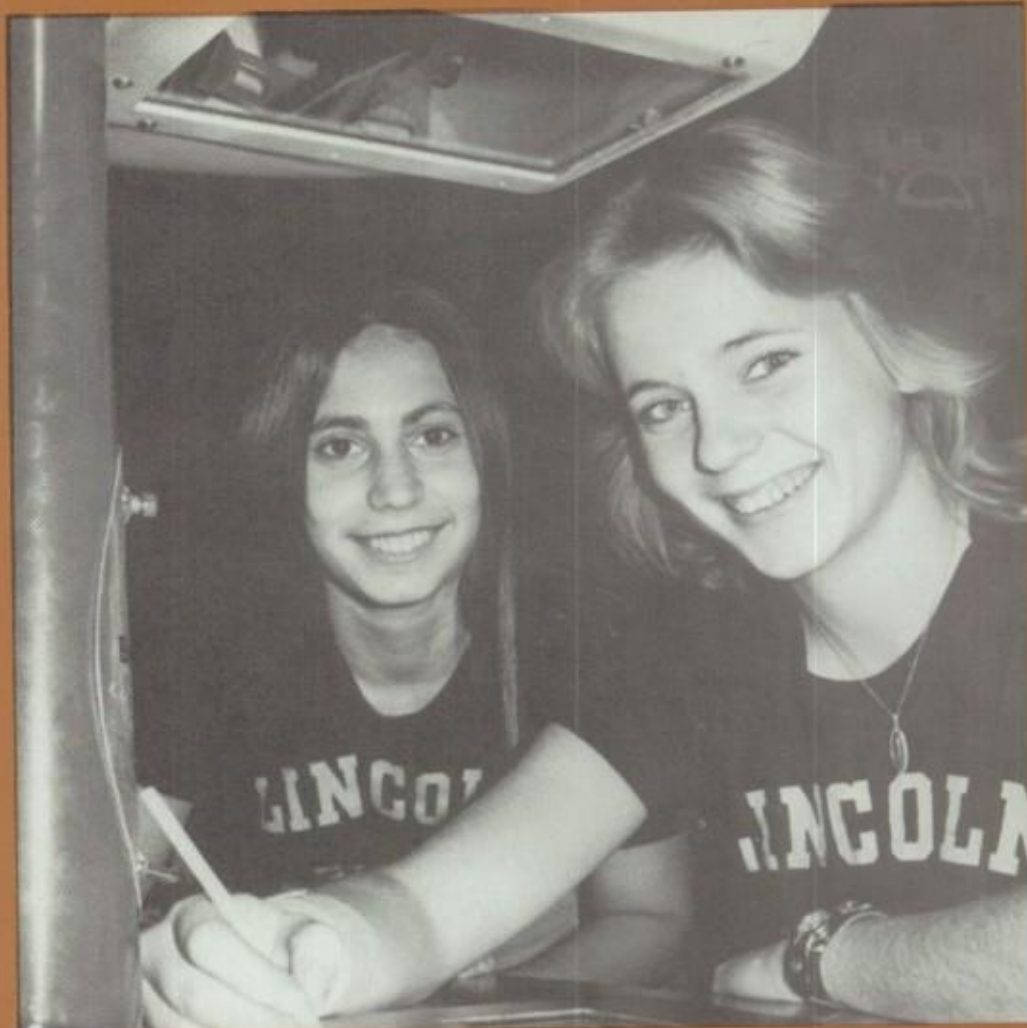

His skills as a coach are not limited to soccer, for he also is one of the track coaches. A true lover of all sports, he respects anyone willing to participate in athletics. The Class of 1977 would like to wish Mr. Patton much success as the new coach of the soccer team and rightly so, for we feel that a "nice guy" can finish first.

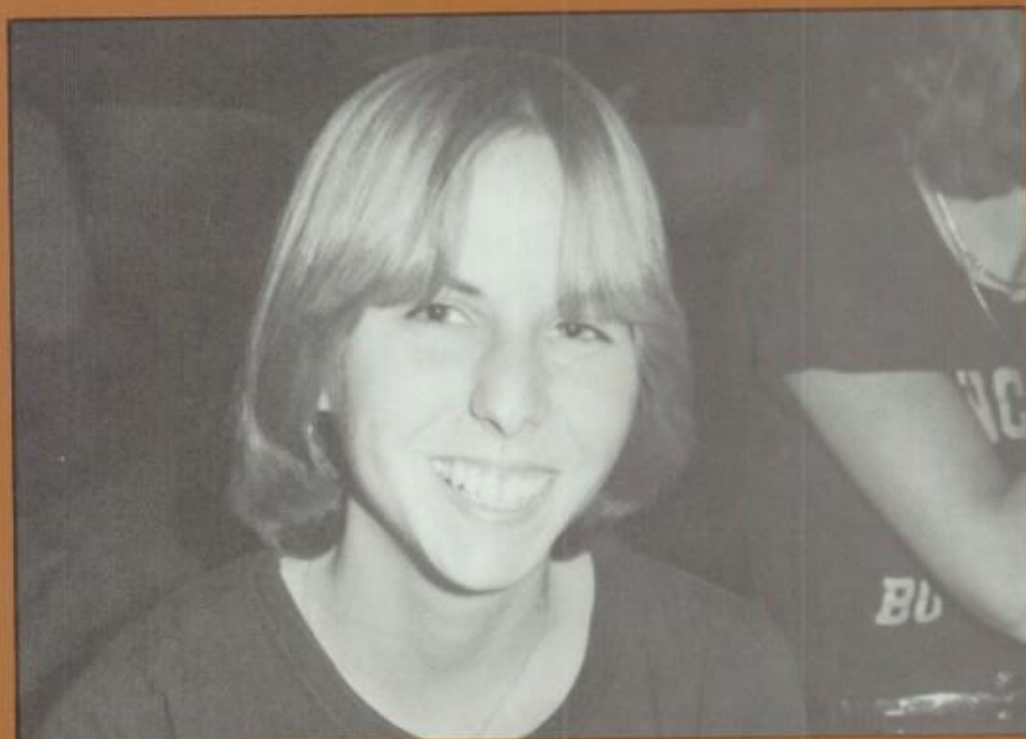

B O W L I N G

Lincoln's Varsity Bowling Team, defending Public League Champions, matched that feat again this year by tying Bartram in total pins 1451-1451. The team finished with a regular season record of 20-1. Their most emotional match occurred in the semi-finals as the team had to fight off a second game surge by Dobbins to advance to the finals. The first game of the finals was won by Bartram by a 17-pin margin. However, the team rallied in the second game to defeat Bartram by the identical 17-pin margin, thus creating a tie. It was decided that the two teams would be Public League Co-Champions.

The co-captains of this year's team were seniors Denise Grossmuller and Andi Liberda. Other seniors included Varsity members Beth Mostovoy and Sheri Richman, Edna Chism, Linda Martin, and Ginny McKay. Other Varsity members included Mary Bassing, Jodie Greene, Robin Masters, and Tina Ziccardi.

VOLLEYBALL

Volleyball boring? Not when it's played by the 1976 Lincoln Girls' Volleyball Team. With the coaching of M. Hering, the Varsity again came close to a championship season.

Although the final game of the season brought a Lincoln victory and a subsequent first place tie with Washington, the Railsplitters were denied the division title because of strength points.

The Varsity members include Captain Karan Scheidegg, Cheryl Berringer, Denise Storz, Karen Scheuren, Romaine Flowers, Sherry Share, and Martha Hill. The M.V.P. was awarded to Captain Karan Scheidegg.

Although Coach Hering and the girls were greatly disappointed because they lost the Division Title, the season was still considered to be a happy and exciting one.

FOOTBALL

As expected, the 1976 Football season was as exciting as ever. Led by Coaches L. Grandizio and B. Caesar, and captains Mark Ryan, Tom Atkinson, Tom Houpt and Mark Gresko, the team quickly established a reputation for being tough and aggressive. The team lost only to Germantown and Frankford in Public League action, and lost a heartbreaker to Father Judge on Thanksgiving. All in all, they compiled a record of 7-3-0 and took second place in the Northern Division. Individual standouts Perry Linton, Mark Ryan, Don Peters, Gary Neugebauer and Tom Houpt were selected for the All-Public squad. For pure action and excitement, nothing beats a Lincoln Football game.

winter

BASKETBALL

The boys of Lincoln's Basketball Team, many of whom have been competing on the varsity level for two or more years, compiled a very respectable record among Philadelphia's tough Public League. Captained by Mark Ryan and high-scorer Mark Silcox, coach Bob Logan's team also included seniors Bill Fricke, Houston Chasteen, Rich Koenig, Dave Sporkin, Doug Geiger and Guy Bracia.

BASKETBALL

The Girls' Basketball Team turned in another winning season in 1977. Captained by seniors Sue White and Debby Iatarola, the girls came within one game of securing a playoff berth. This year's team was privileged to have the talents of outstanding sophomore Barb Weiner, who was the leading scorer. Others under the leadership of Miss Arrott included seniors Cheryl Berringer, Colleen Costello, Debbie Macrane, Debby Iatarola, Pat Quinn, Kathy Quigley and Sue White.

GYMNASTICS

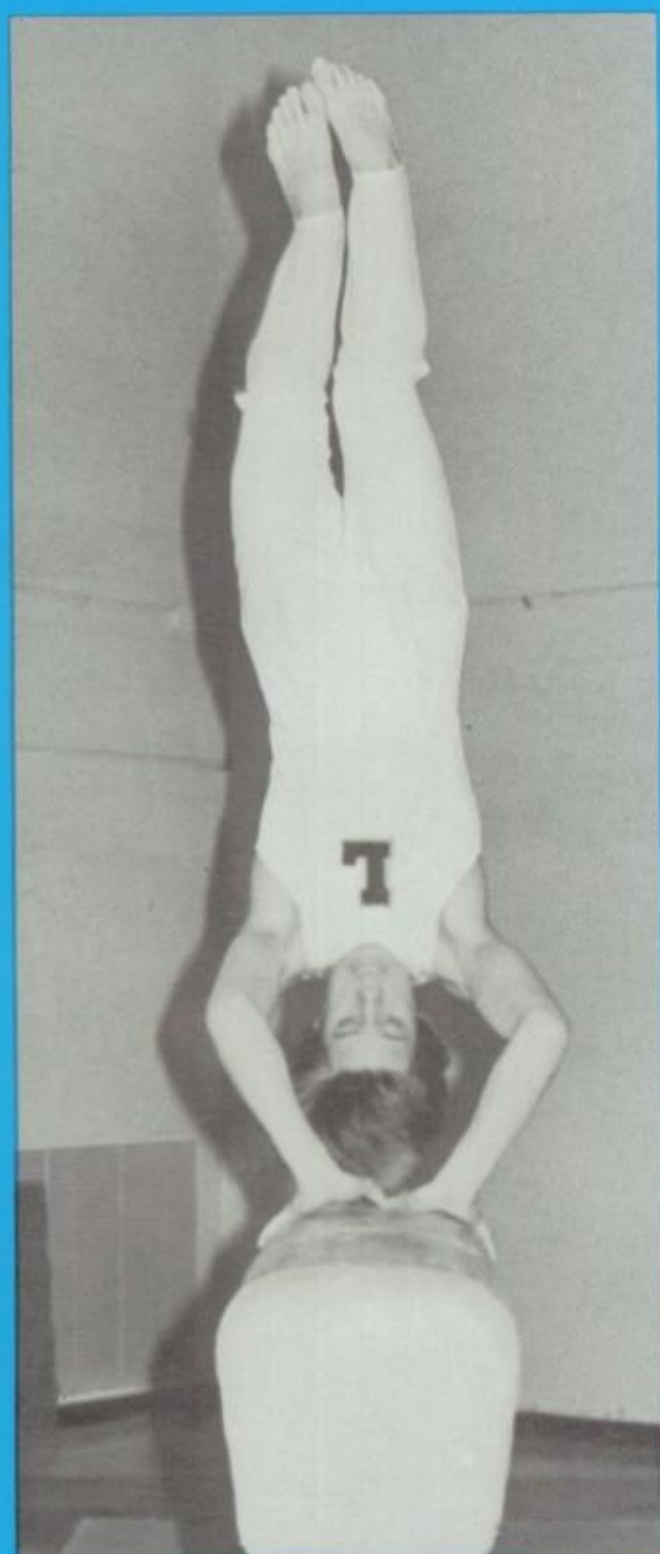

The gymnast's routine consists of a series of tricky moves with strange names — Moore, Stutz, Simple Swiss, Czech Giants, German Kip, Japanese Split, English Handstand, Polish Drozd ... Wait! Isn't that a coach? That's right. He's the very dedicated coach of Lincoln's fine gymnastics team. Mr. Drozd and his gymnasts practice each afternoon in the winter, endlessly repeating and refining their "routines" to reach the elusive, and impossible, perfect score. However, the team has its light moments, for Mr. Drozd is quick with his wit. This year's team is very experienced with nine senior Varsity team members — Captains Jim Mallon, Bill Vogel and Steve Ogden along with Howard Allen, Jim Dietz, Bob Rowland, Sammy Giampietro, Dave Long, and Harold Gittleman.

GYMNASTICS

The appearance of new coach Mr. Vincent DeFelice brought new life to the Girls' Gymnastics Team. Assisted by Mrs. O. Drozd, "Mr. D." brought an extreme amount of interest and excitement to a sport in which Lincoln's girls have not competed for several years. Due to the fact that they were a new team, the girls could not compete in the Public League this year. However, the girls worked faithfully to improve their skills.

While the majority of the team members were underclassmen, senior team members included Barb Simon and Rise Chemey.

SWIMMING

AH!!! Sun! Surf! Sand! Not Really. It was more like snow, slush, and sub-zero temperatures which the members of Lincoln's swim team braved to attend practice at the Northeast Y.W.C.A. This years team, coached by Mr. Collins, included some of the city's finest

swimmers and divers. This was evidenced by the outstanding performances rendered by the Railsplitters at the Individual Championships, highlighted by Senior Herb Brown's record-setting Butterfly victory and Junior Denise Farley's first-place diving.

The senior members of the team included Captain Mary Porgiglia; Dennis Agger, Richard Brackett, Herb Brown, Vincent Cecatiello, Anthony Cirone, Robert Eberhart, Art Galen, Mike Gaimpietro, Chris Langdon, Lee Smith, and Robert Twiggs.

TRACK

The Lincoln Track Team is privileged to have many returning seniors, including hurdle record holder G. Gaspar and long distance standout R. Illuminati. The team also includes many skilled underclassmen. Track is a sport which involves

many varied skills and leaves plenty of room for individual specialization. Capable coaching, experienced members, and determination to win are factors that make this one of the most promising teams the school ever had.

Head Coach O. Dobbins

Senior R. Illuminati

SOFTBALL

In continuing with the tradition of championship softball teams, Lincoln's returning Varsity members and Coach Wuestner expect to have another winning season in 1977. For the past three years, Lincoln has entered the Public League Championship Finals and has

won the title in both 1974 and 1976.

This year's team includes Cheryl Berringer, Liz Bolch, Debbie Clapp, Colleen Costello, Debby Iatarola, Kathy Quigley, Sue White, Carol Gall, and Barb Weiner, all of whom were members of the 1976 Championship team.

Coach Wuestner also expects to receive many talented players from 1976's winning J.V. team.

This talent, combined with hard work and a little luck, may yield another Lincoln Championship Team in 1977.

BADMINTON

Lincoln's Varsity badminton team, coached by J. Arrott, placed second in their division in 1976. Only one match was lost, to Washington, out of the six played.

The Varsity team consists of three singles players and two sets of doubles players. Returning Varsity players are: Seniors, Betsy Butterworth and Carol Karpovich; Juniors, Lisa Heinrich and Barb Wismer and Sophomore, Sherry Share.

The prospective team for this year promises to be a good one. Under the direction of a new coach, C. Scogna, they will probably have a winning season.

Varsity Coach C. Scogna

Senior Betsy Butterworth

Senior Carol Karpovich

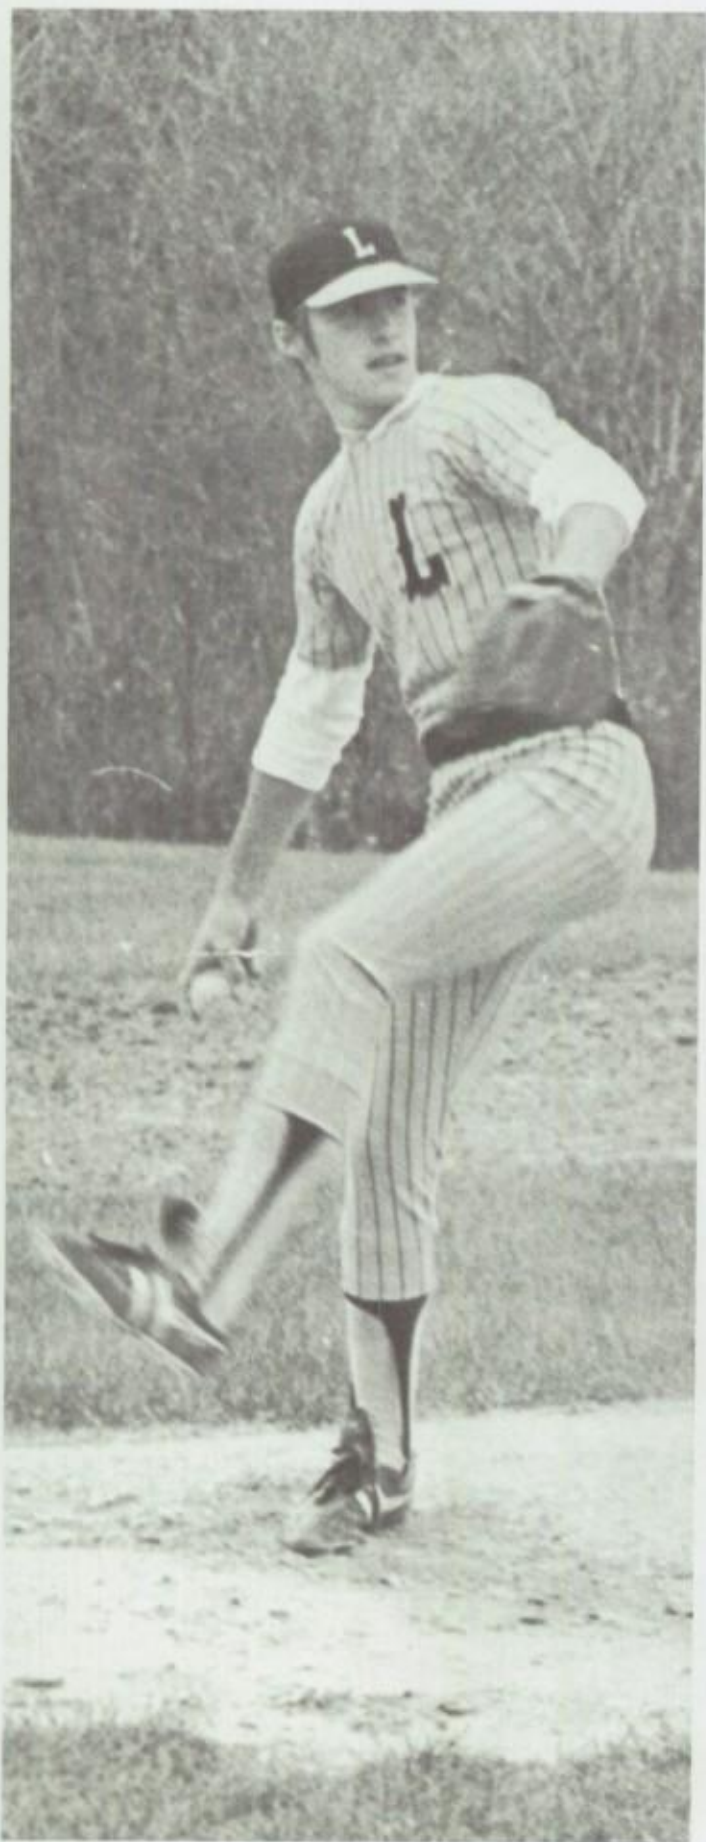

Junior Barb Wismer

BASEBALL

Returning from a rather disappointing 1976 season, this year's team promises to have a much better season than last, due to the determination the team has expressed and the skillful coaching of Mr. J. Constantine. The team leaders are Seniors Carlos Buford, Chris Langdon, Gary Neugebauer, Don Nicholas, and Ira Steinbock. Promising Juniors are Bill Cook, Mike Marano, Mike McCullough, and Bob Sariego.

COACH'S CORNER

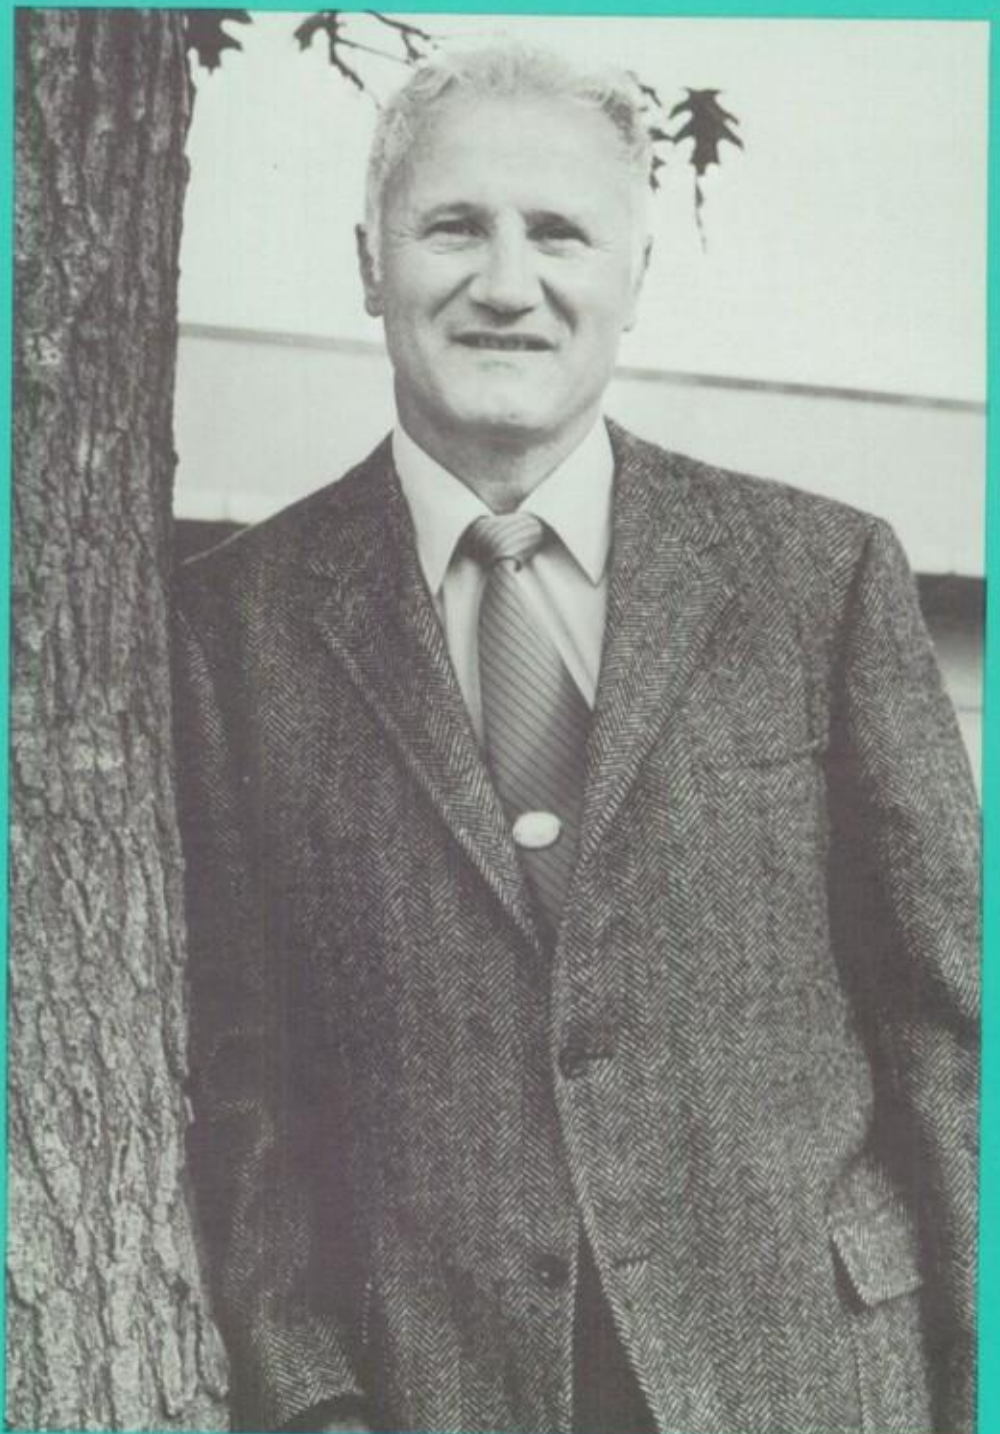

John Constantine has been a coach at Lincoln High School since 1957. In his varied career, he has coached track and field, swimming, baseball, and football. He has experienced many first-place finishes. Being backfield coach of the 1958 City Championship Football Team was a highlight.

Mr. Constantine feels that winning should be instinctive. The athlete should give his best efforts not only to his sport but also to his school, home, and outside life. Since all school activities should be a preparation for life, the athlete must prepare himself scholastically and physically, as well as discipline himself with the training of his particular sport.

Mr. Constantine's sense of humor is enjoyed by his players. But the real purpose of this humor is to help the athlete to relax and take control of himself. Practice and the game itself are serious matters.

Victory can be the result of chance, luck, and opportunity. While the experienced player offers his skill, the inexperienced player offers his enthusiasm. In the long run the athlete will not be judged by his victories, which are certainly enjoyed. Rather he will be remembered by who he is, what he represents, and what he eventually becomes.

While times, athletes, and coaching methods have changed, Mr. Constantine still maintains that "heart" is the most important element in athletic competition as in life itself. He firmly believes in a close, friendly interaction between coach and player.

Senior Linda Levenburg

TENNIS

Coach Shirley Novack has a promising year ahead as the girls tennis team serves up another year. Last year's record of 8-2 earned the team a three-way tie for second place, but this year the girls are looking forward to being in the championship.

Top seeded Jean Graham and Lisa Tilley are among the best in the league. Returning seniors are Linda Levenburg, Denise Storz, Karen Hunter, Gerry Salvadore, along with Junior Jody Hammerman.

Coach S. Novack and Senior Lisa Tilley

Senior Jean Graham

Varsity Seniors

With a new coach and only two returning seniors, there were second thoughts about this year's boys tennis team. Dr. William Kuchler, an Industrial Arts teacher, is taking over the coaching position held by Mr. Irv Brod for many years. The new coach is a fine player and will be helpful to the young team.

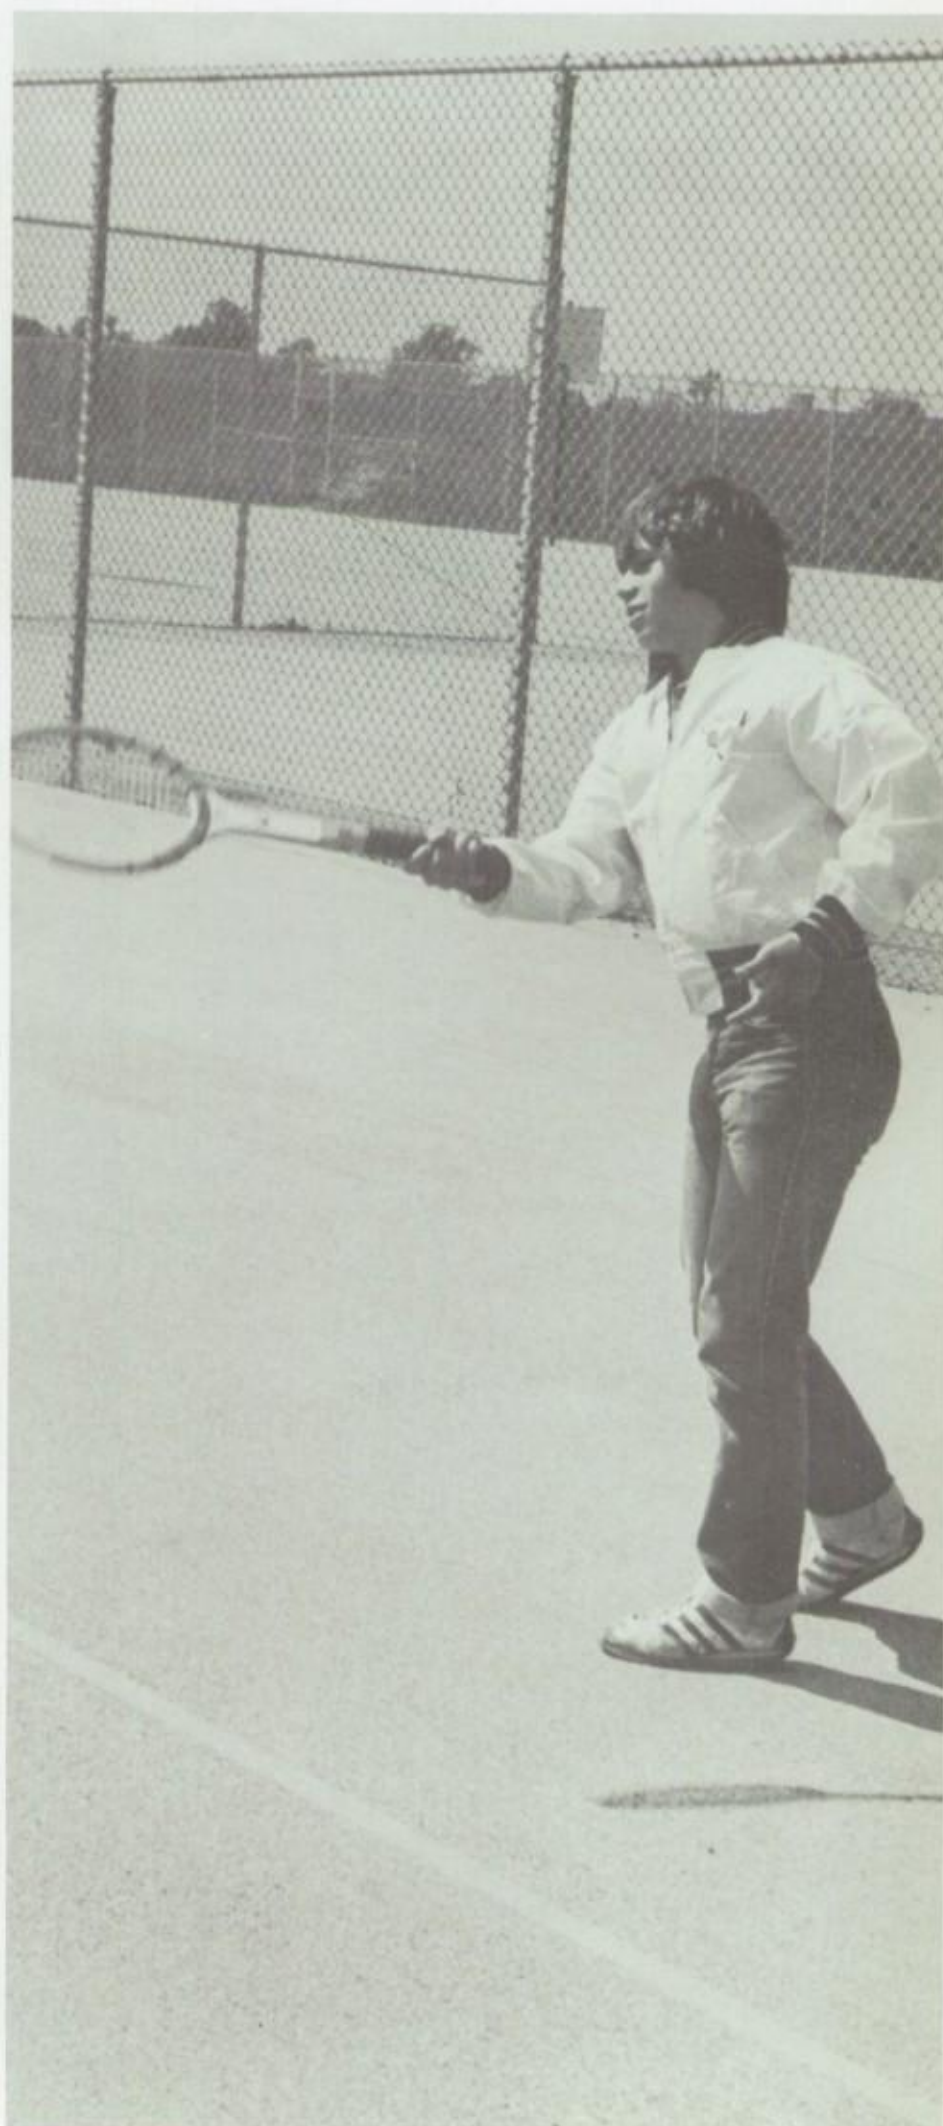

Seniors Joe Chilutti and Ron Cohen will have the assistance of many juniors and sophomores who are returning from last year's varsity team. Although not as experienced as in past years, the team has a few members who are quite talented, and who should prove themselves in the 1977 season.

VARSITY CLUB

It's a great feeling to get a Varsity Letter, but do you know who awards it? The school? The athletic department? No — the Varsity Club. The Varsity Club also awards the coveted Varsity Club jacket which is given to any athlete who earns four or more letters and is provided by the Home and School Association. Finally, the Varsity Club does much more for the school by selling programs and sponsoring events such as the annual ski trip and the donkey basketball game.

MEMORIES ...

"Who'd ya get for English?"

"Some lady who dances across the front of the room."

"What's her name?"

"Mrs. Abrams, I think. Who do you have?"

"I don't know; I missed English yesterday because I spent two periods looking for my music room."

"You know, I had the same problem finding the locker office."

"Don't sweat it — some big kid told me it was on the third floor, but you have to get an elevator pass first."

"Really? Maybe our counselor can get us a pass."

"Yeah, but I saw a sign that says you have to have an appointment."

"Speaking of signs, what are those blinking lights?"

"It might have something to do with the schedule; today I think we're on a 1 from 2nd to 4th and a 3 until 6th where a modified J takes us until ninth!"

"Wow! That's great! Now I'll only have three study halls."

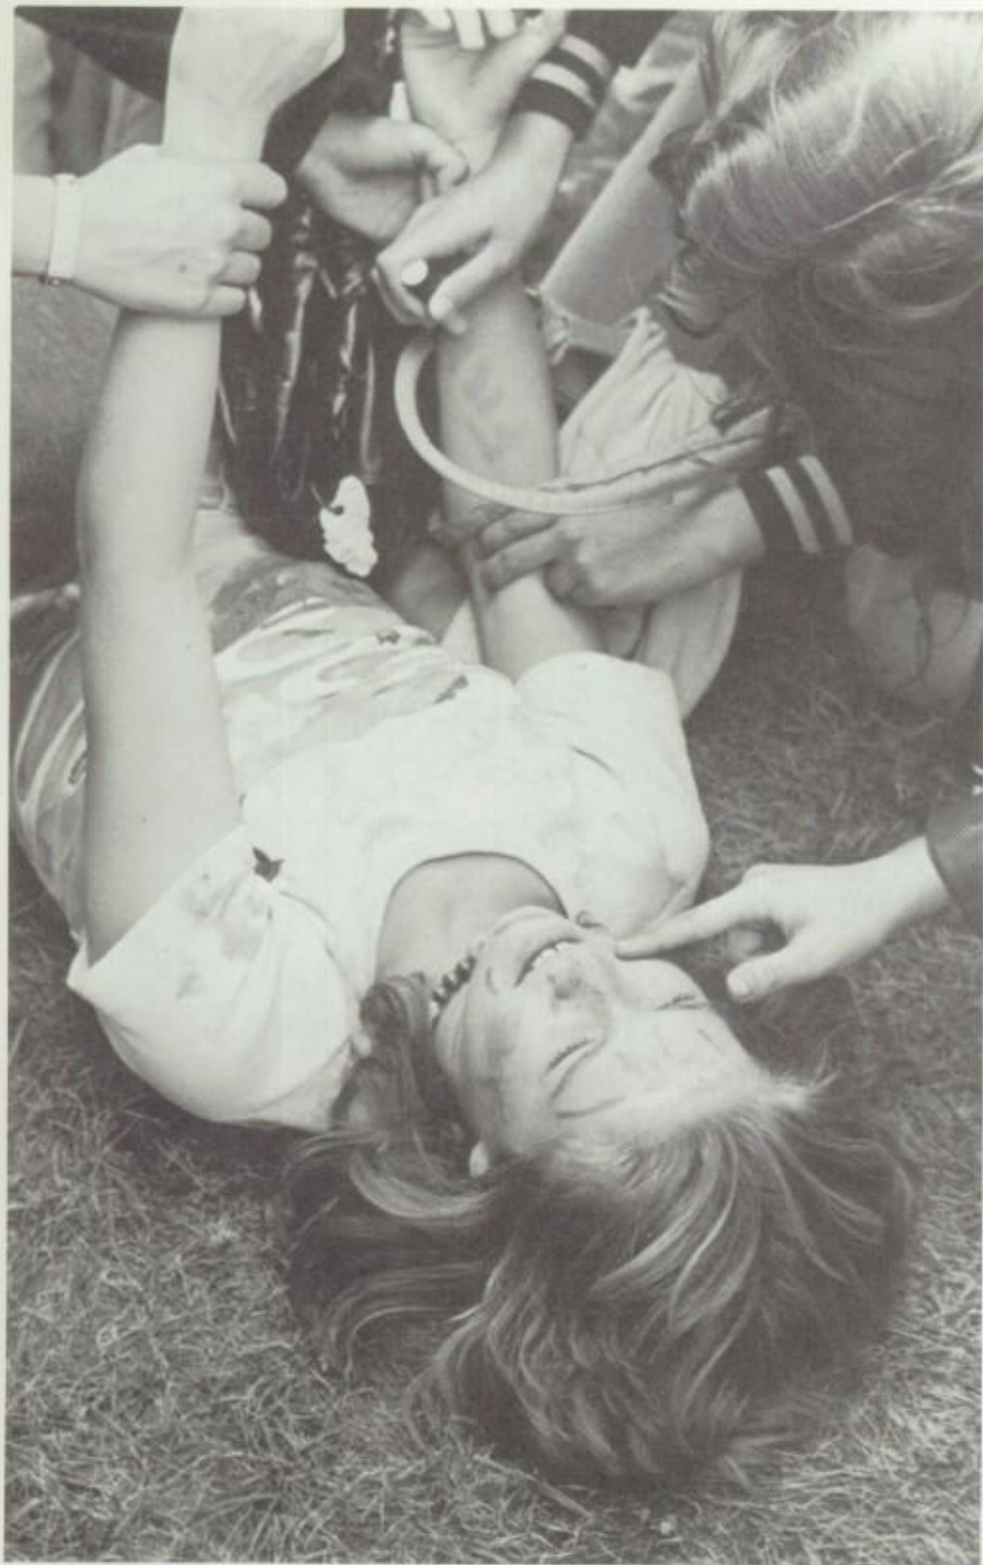

"Oh; well I got my study hall dropped — now I'm an SA rep."

"Really? When do you write this essay?"

"Wow! Don't you know anything?"

Hard to believe, but for a year this, too, was the class of '77. We **were** Freshmen. We, too, were lost in a large high school. We tried to act like adults, but ended up looking twice as foolish. We wrestled in the halls ... got thrown out of the library for playing paper football and token hockey ... We wore jeans, but they were stiff and ready for the floods ... Remember carrying eight textbooks, a super-huge-do-it-all three ring binder (only \$2.98), an assignment book, two pencils, an eraser, a ruler, a protractor, a compass, paper reinforcements **and** the sacred roster ("If you get caught without your roster ... ") ... and after leaving school, looking like a pack-mule, you somehow managed to drop everything while fumbling for your token ... Oh well ...

water color memories of the way we were ...

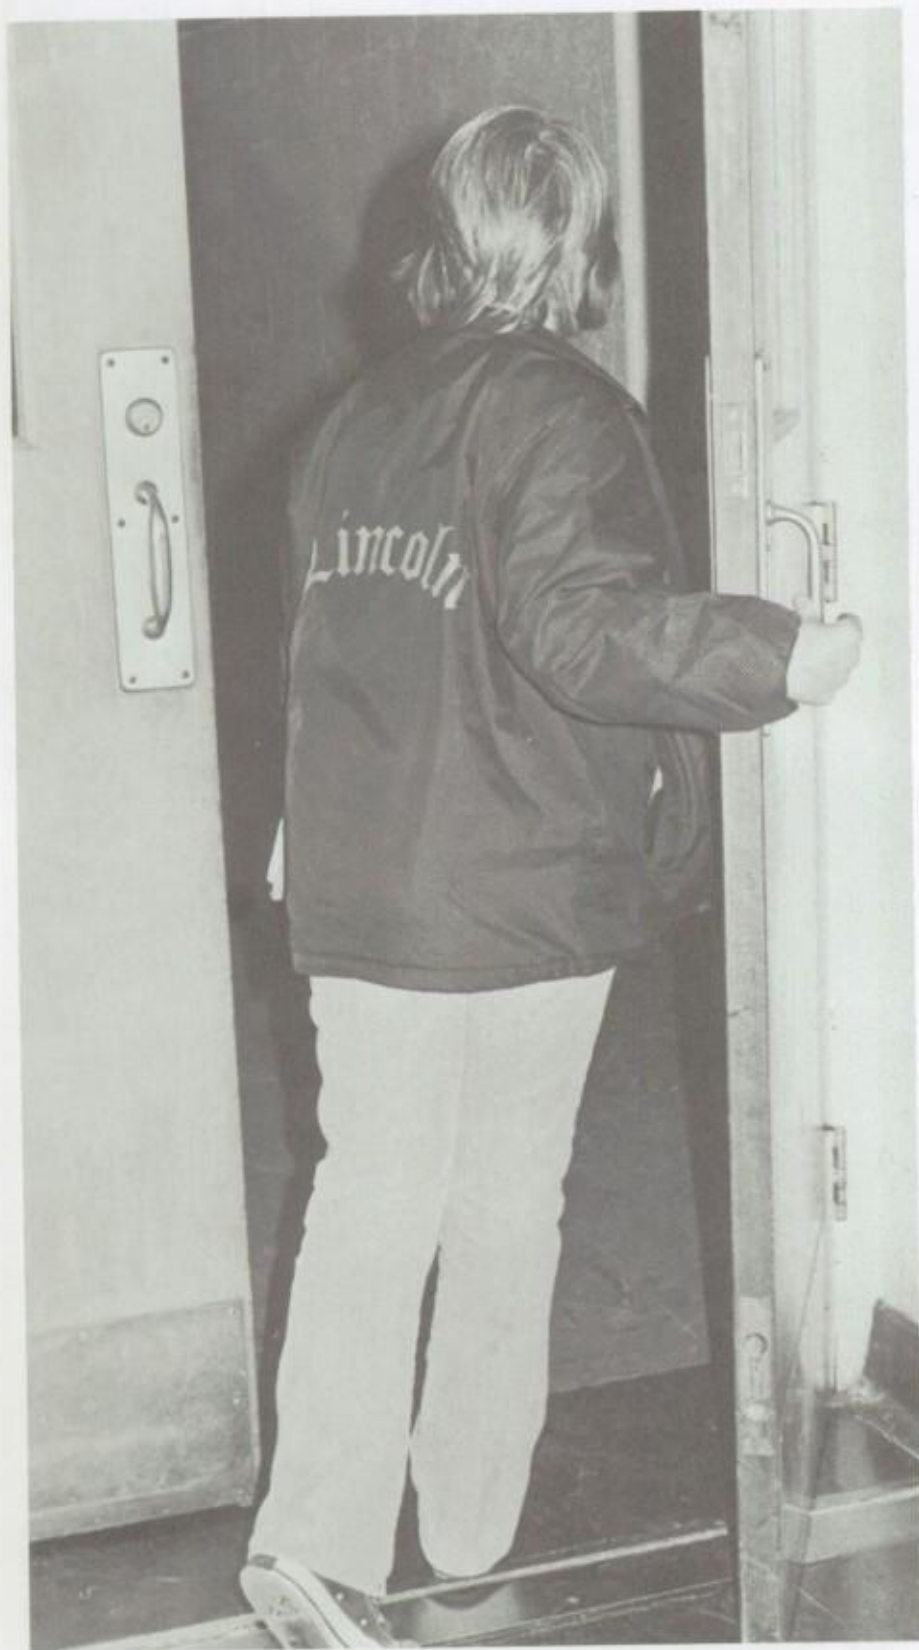

... Freshmen year was not all crisis, for we soon memorized **both** locker combinations, forgot about remembering the schedule and instead, waited for the bell, and knew our roster by heart. Soon we found out that the passage to familiarity was through involvement. Some of us joined anything we could ... hall guards ... Math-Team ... Treble Choir ... others were content to participate in that age-old Freshmen activity — sneaking out of the lunchroom. We soon realized, however, that most activities were often misleading for they required **real** skills ... but slowly we secured our niche.

As Freshmen we were easily amazed, amazed at the wide ranging lunchroom cuisine (How naive we were! But then again, the stomach of a Freshman is unfathomable to medical science.) ... amazed at being allowed to buy pretzels **in school** ... amazed that fire drills were no more than recesses ... amazed at the skill required to navigate the hallway in the vicinity of the 120 ramp ... amazed that the short trek to the annex was, in reality, a lesson in survival amongst the elements.

Finally, our first year culminated with the Jamboree — the ultimate in participation — where everyone acts like a Freshman. Most of us had witnessed Jamborees, , but the 1974 Jamboree, "Wild, Wild West", offered to us the first recognition as a class, for we had our own relay. But the year really did go fast, and we looked forward to the first summer in which we could say "I go to Lincoln."

Sophomore year ... one step up ... we were now officially "upperclassmen" ... This was the year to truly become a student ... the year of biology ... the first real elective ... But the most distinguishing factor of Sophomore year was that it presented no surprises ... Upon arriving everyone knew where he was and what he was going to do ... whether it was signing up for a J.V. sport ... or trying out for majorettes ... or colorguards ("one, two, three, four, five, six, seven, eight") ... or the play ... or Chamber Choir ... or just about anything. Above all, however, every Sophomore made it his business to get a jacket — ANY jacket — that said "Lincoln."

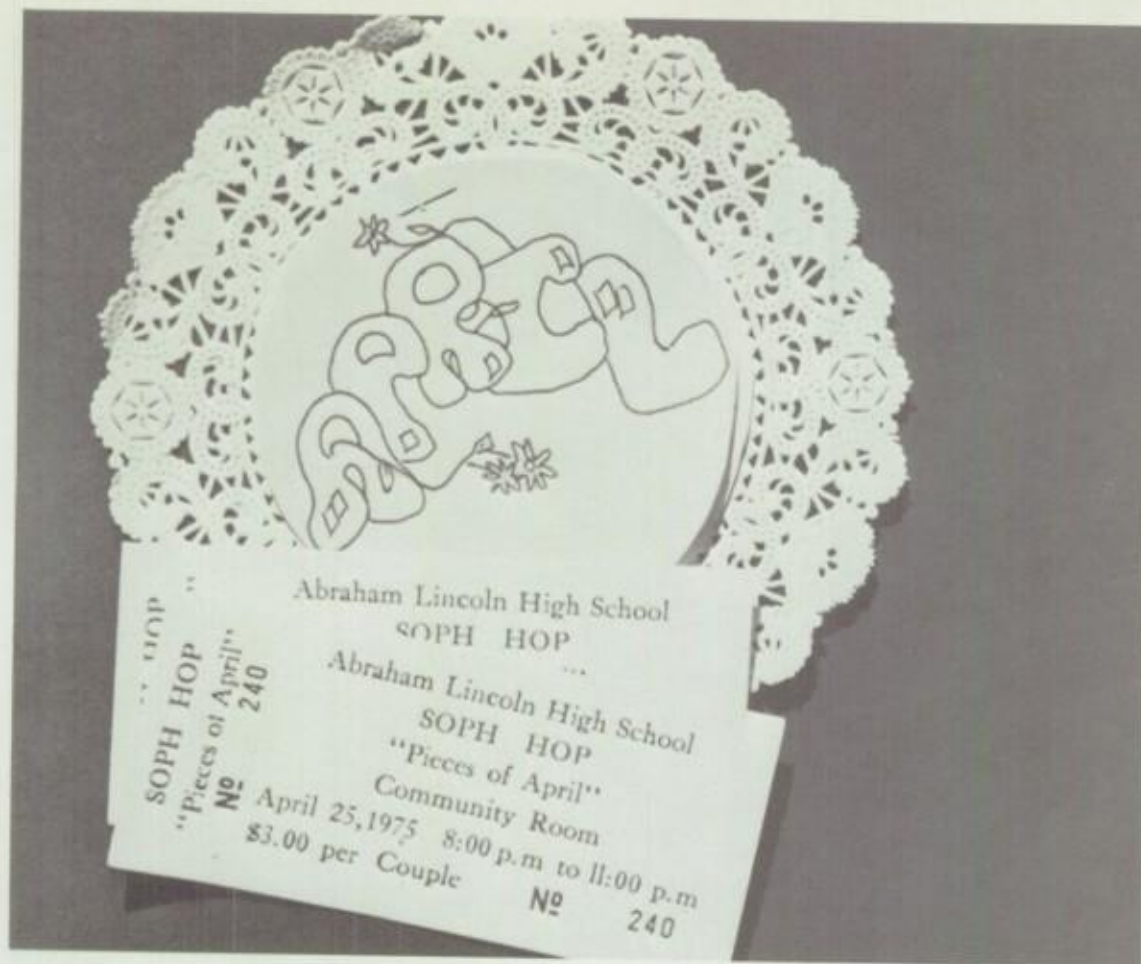

As Sophomores, we also participated in one of the most unique events ever held at Lincoln — 50's Day. For one Wednesday it was Elvis Presley instead of Elton John — the Dovells instead of Led Zeppelin. The whole school looked like the cast from **Grease** ... Vitalis and Ducktails ... Pigtails and bobby socks ... complete with a Chevy on stage.

As Sophomores we could finally claim that we were the Class of 77 ... and we had a pin to prove it.

another, for the way we were.

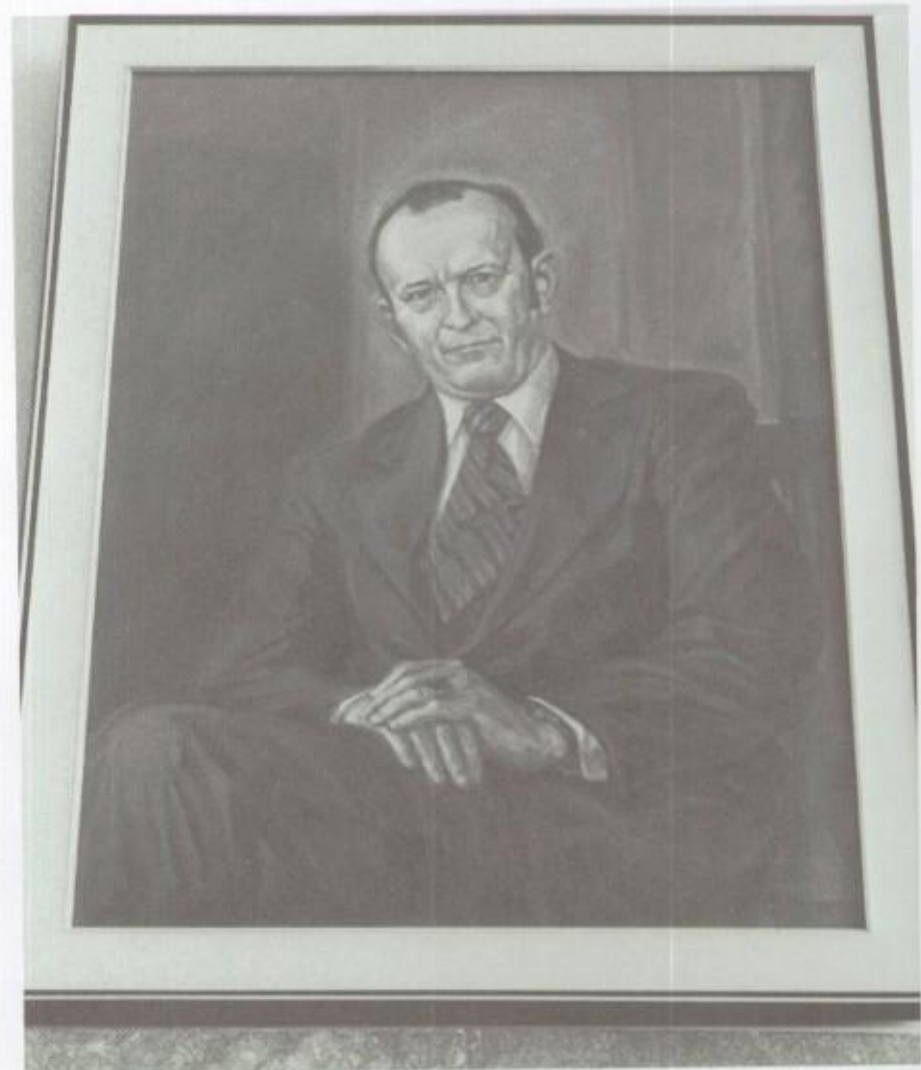

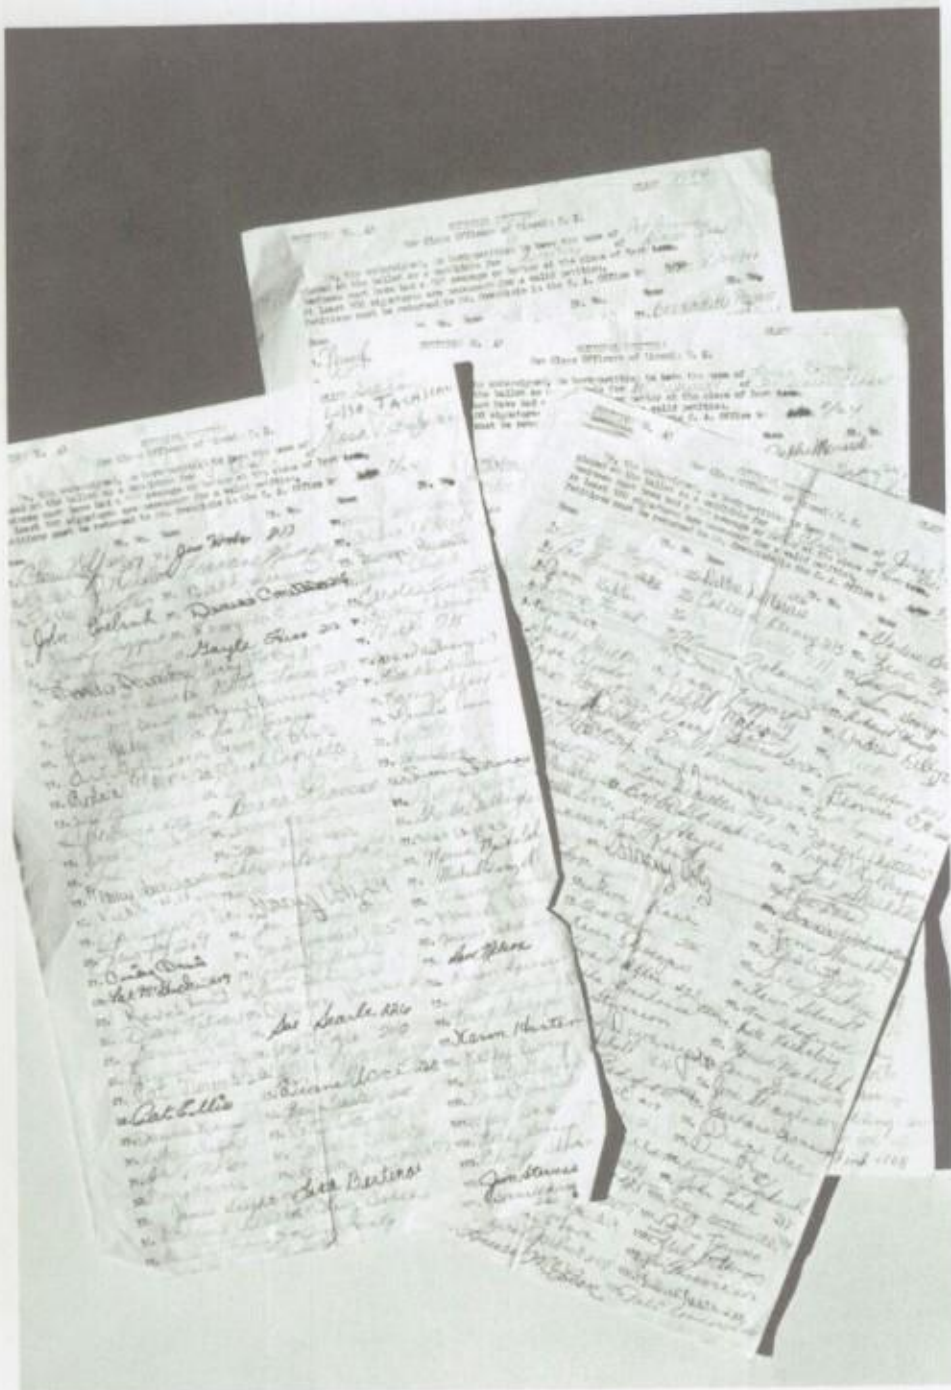

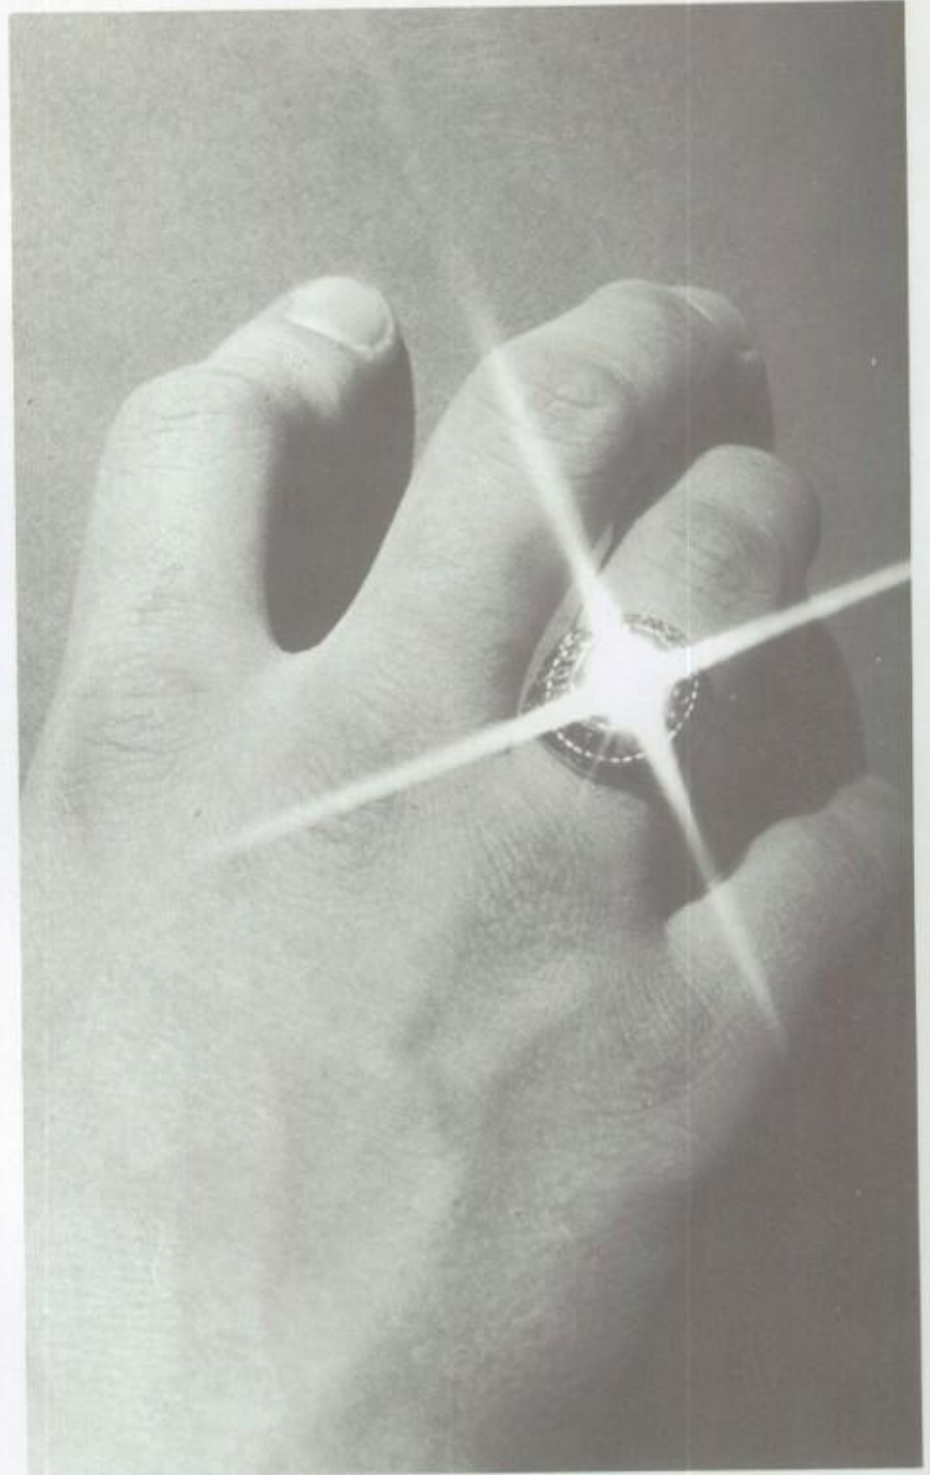

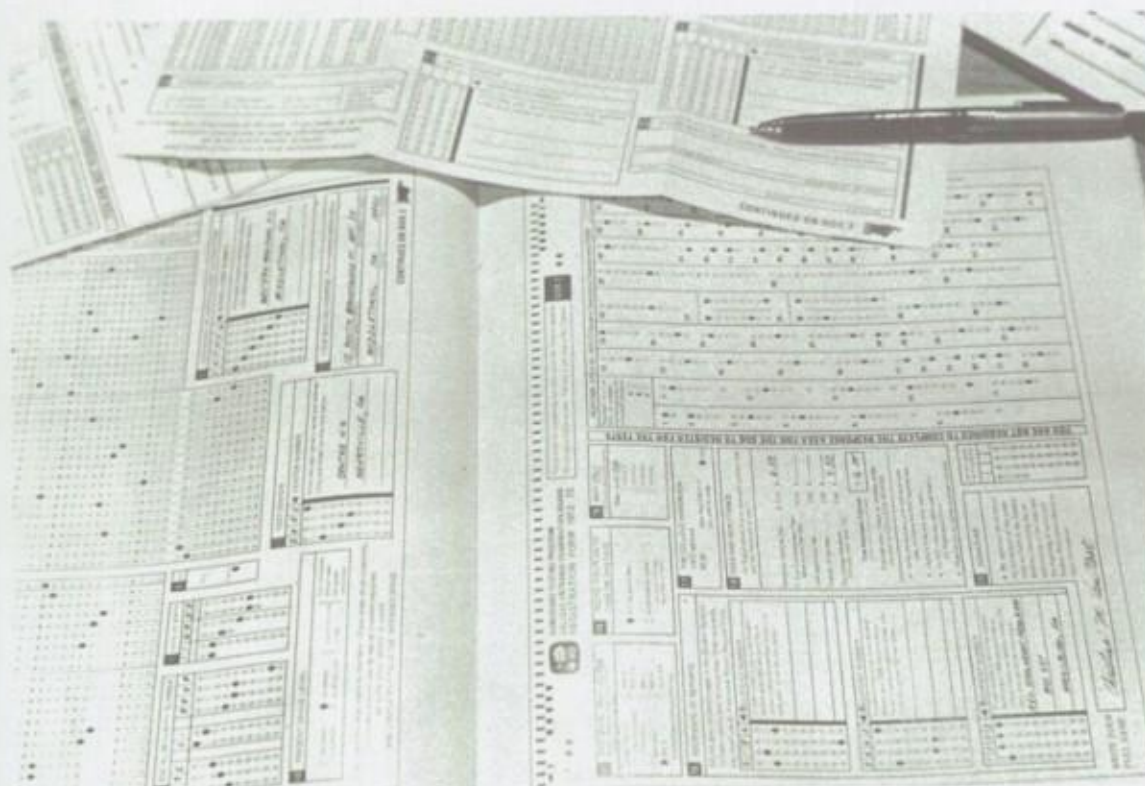

"No holding hands, kissing, foot-syng or otherwise showing signs of affection in the halls."

It was funny how sophomores paid little attention to this and other rules. No longer could we say "I was lost" as an excuse for lateness to class. Instead it was ... "I walked my boyfriend to his locker" ... "I was catching a smoke" ... "I was in the bathroom" ... "Sorry, I was at the ramp" ... and the ever popular "What do ya mean I'm late!" ... But probably the greatest change came in spring. It was time for the sophomore to test his tenth grade health notes. We began to be seen in pairs as we gained the courage to show our affection. The increased interest in the opposite sex led to the first real class social activity, the "Soph Hop." Held in the Community Room on April 25th, 1975, "Pieces of April" was the perfect end to the Sophomore Year.

then, or has time rewritten every line? ...

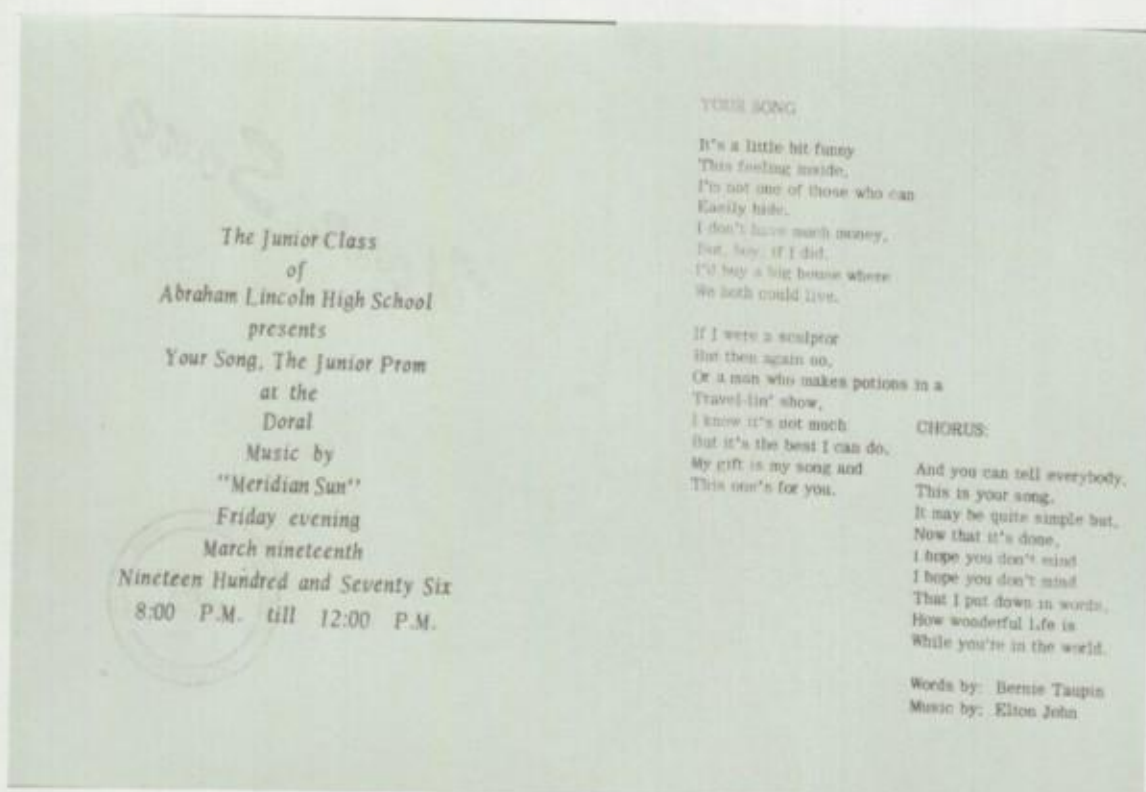

The "Sexy K" had soul and the Class of '77 had ... Class ... Three Principals ... PSAT's ... our annual egg throw ... S.A. elections ... Spirit Day ... Career Conference ... No more benches.

All these things were part of our Junior Year. When not turning rings, we were cheering at football games ... or sneaking out to lunch (we finally had cars) ... or just plain enjoying school ... Romances were not the novelty they used to be, and our attention centered for the first time on elections; S.A. and class offices became envied positions. Who can forget Dennis Ott's rousing campaign speech (Don't be a snot — vote for Ott!) But although we always thought of "next year" the following two dates will stand out in our minds ... March 19, 1976 and June 10, 1976.

"It's a little bit funny
This feeling inside
I'm not one of those
Who can easily hide . . ."

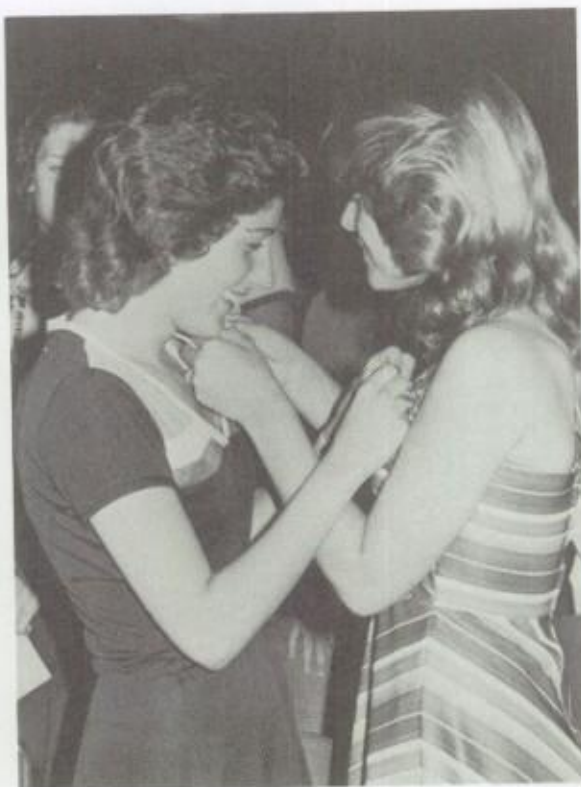

Friday evening, March 19, 1976 . . . The Junior Prom . . . Candlelight, fabulous music, and a crowded dance floor.

Months of preparation by the Junior Class officers and Prom Committees culminated in a night of magic that seemed too, too short. Under beautiful March skies, the Junior Prom was held at the Doral and featured music by a fantastic band, Meridian Sun.

"I hope you don't mind
I hope you don't mind
That I put down the words
How wonderful life is
While you're in the world."

to remember, we simply choose to forget . . .

June 10, 1976, was one of the hottest days of the year. However, the spirit of the Junior Class was not stifled for this was Move-up Day ... The day we became seniors ... The only number with any significance on this day was "77".

Lincoln hummed with activity as the now-senior class gathered in Williams Hall where the traditional "pinning" took place. Featuring addresses by newly-appointed principal Dr. Harry Silcox and Mr. Michael Rush, the special assembly program served to emphasize the distinction this day held for the Class of '77.

CLASS OFFICERS

Mr. A. Scuncio, Class of '77 Faculty Sponsor.

Class Sponsor Mr. A. Scuncio

In every land the language knows
Some tender, singing word,
That always, when the friend
Speeds on his way, is heard.

With "Au revoir," "Auf wiedersehn,"
"Addio," or "Fare thee well,"
Each meant, for sweet remembrance sake,
The heart's good wishes to tell.

But I like best the Spanish,
That holds all needs of men:
"God keep you, friend, in love, wealth
and health,
Until we meet again."

Amor, Pesetas y Salud
Y tiempo para gastarlos.
Vaya con Dios
Hasta la vista, Adiós.

America M. Scuncio!

Laina Colombo, Class of '77 President

Class President Laina Colombo

How can I thank the great class of 1977 for giving me the privilege and honor of being president for all four years at Lincoln High School?

Although some of the decisions made for our class were unfavorable to some, activities such as the proms, skating parties, hayrides, and others later became happy and enjoyable experiences.

Throughout our years at Lincoln we have met many friends and different personalities. As we look to the future, we shall continue meeting people and continue learning. Before we make any final decisions with our life, we shall ponder on the future and decide what is best for each individual.

My best wishes for everyone
Stay Happy

Laina Colombo

I remember photographs

Watercolors of the past . . .

Janis Ian

. . . but at best we can only capture mere images in the continuum of time. It is hoped that these images can evoke the moods of the fall of our senior year. There were goals within grasp and those that seemed so elusive, so far off. Our first days were mirrored in the season, cool and easy.

On the road of experience
I'm trying to find my own way

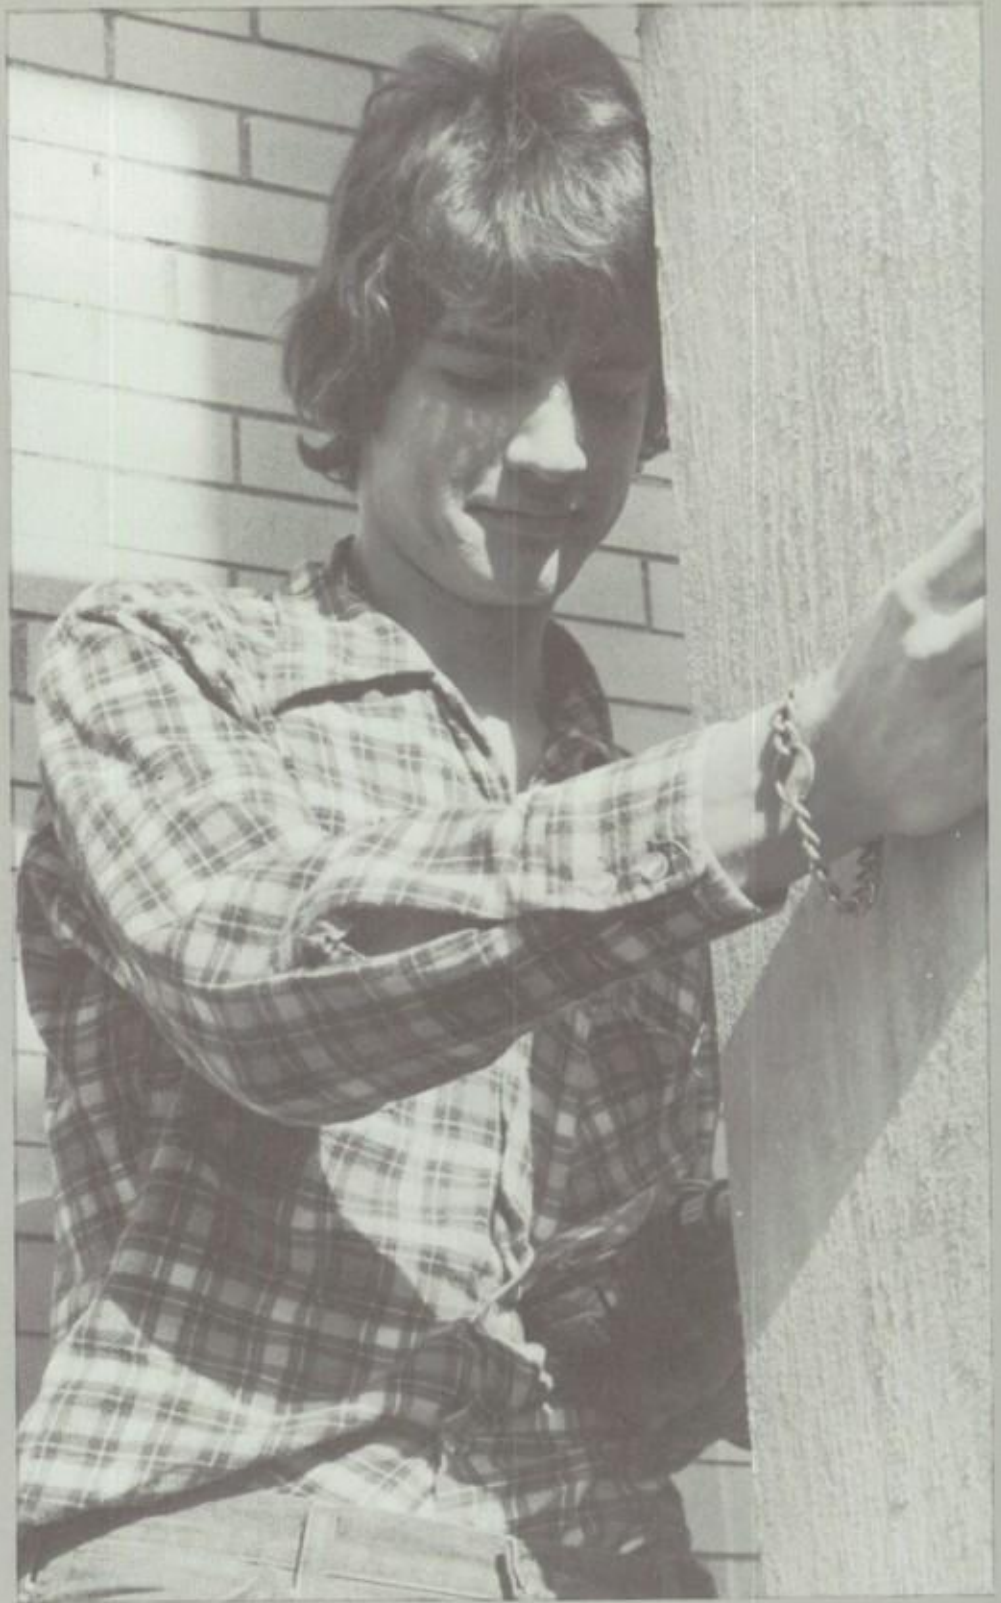

...

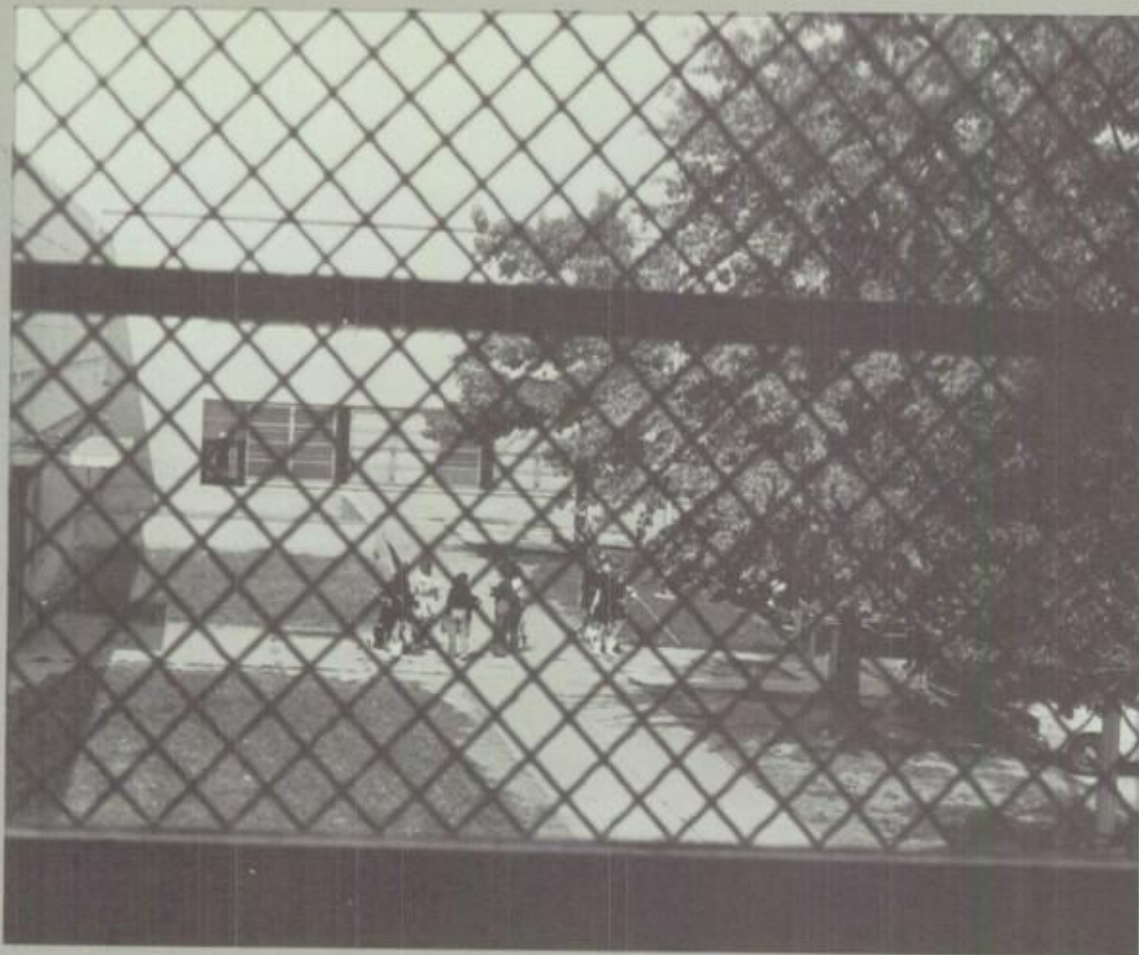

And I'm looking for space
And to find out who I am
And I'm looking to know and
understand.

John Denver

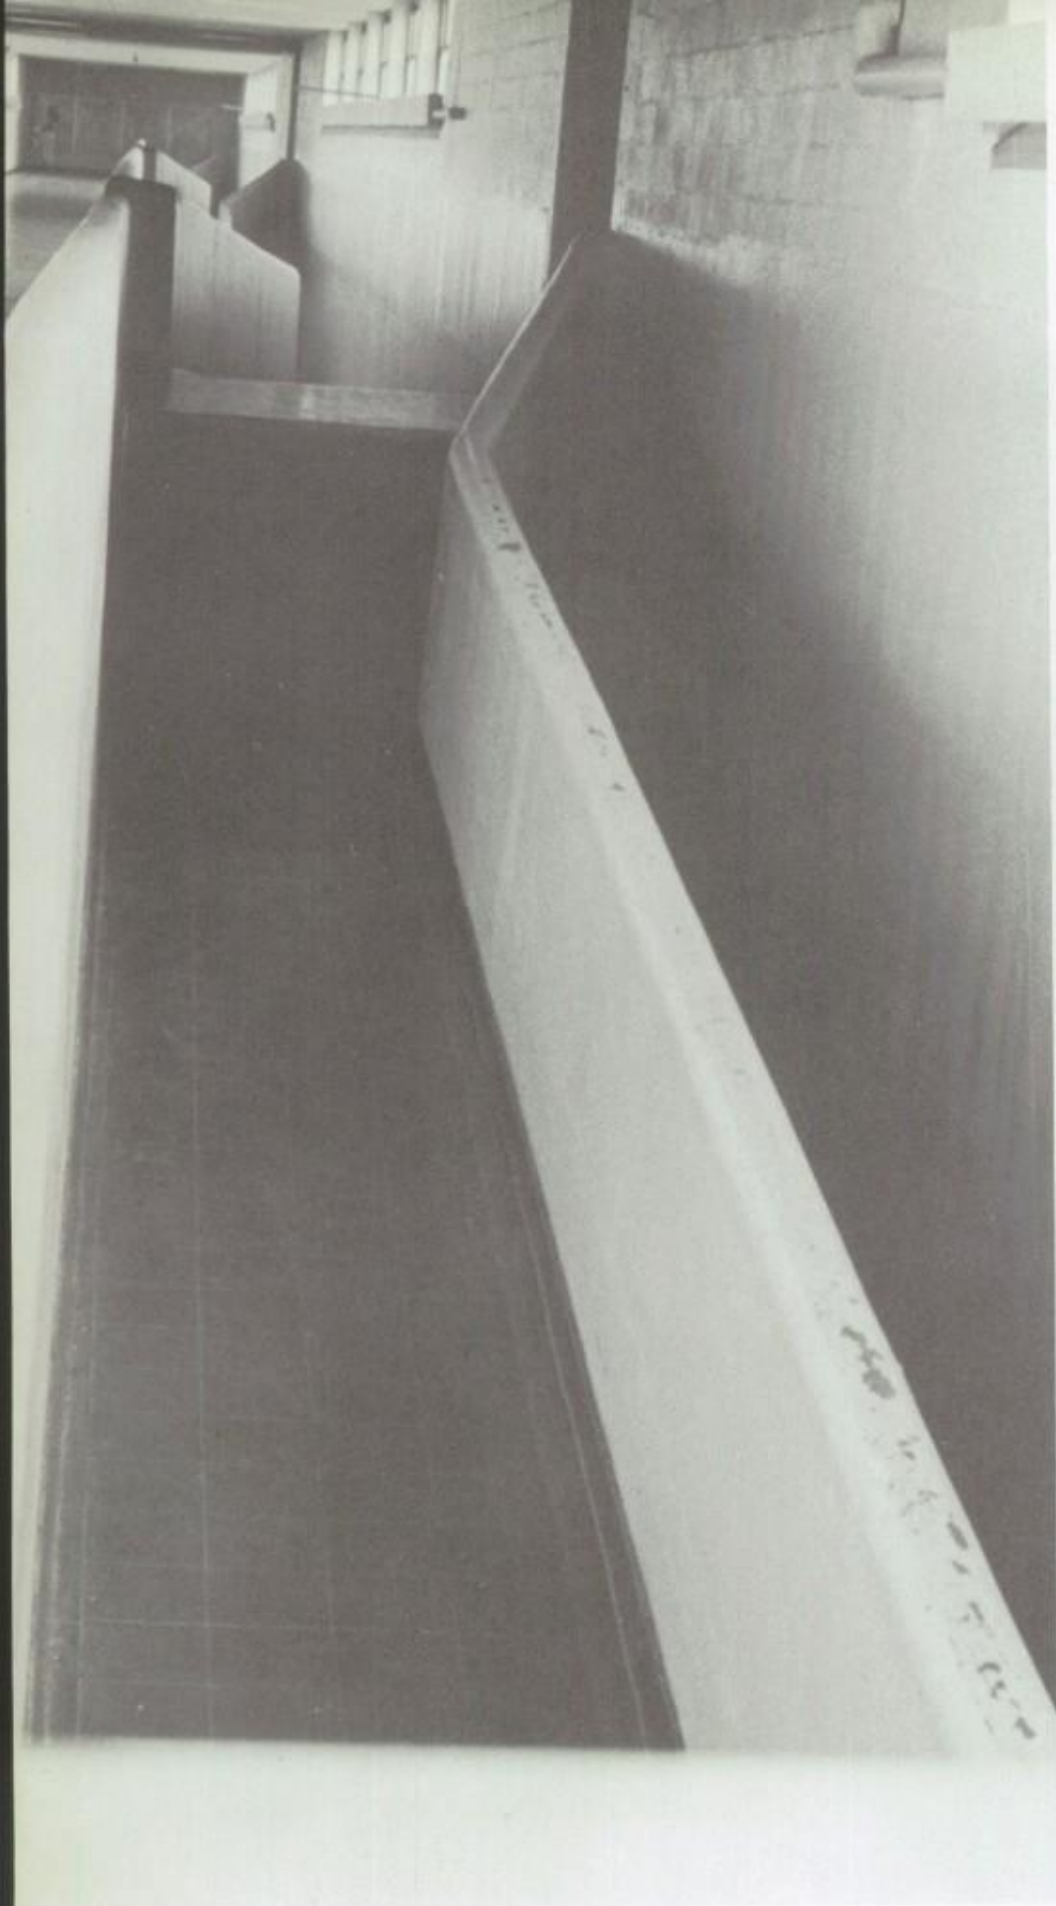

Direction takes various
routes; desires are channeled
into suitable mediums of
expression. But integral to all
was the energy — the optimism
of youth. As seniors we
possessed this to the fullest.

Life is a wheel
And in the circle of the wheel
People come and people go.
Cleo Laine

Classes have come and
classes will go. We have taken
our place on the circle whose
center lies with Lincoln High
School. But we have not left
our mark on it — it has left its
mark on us.

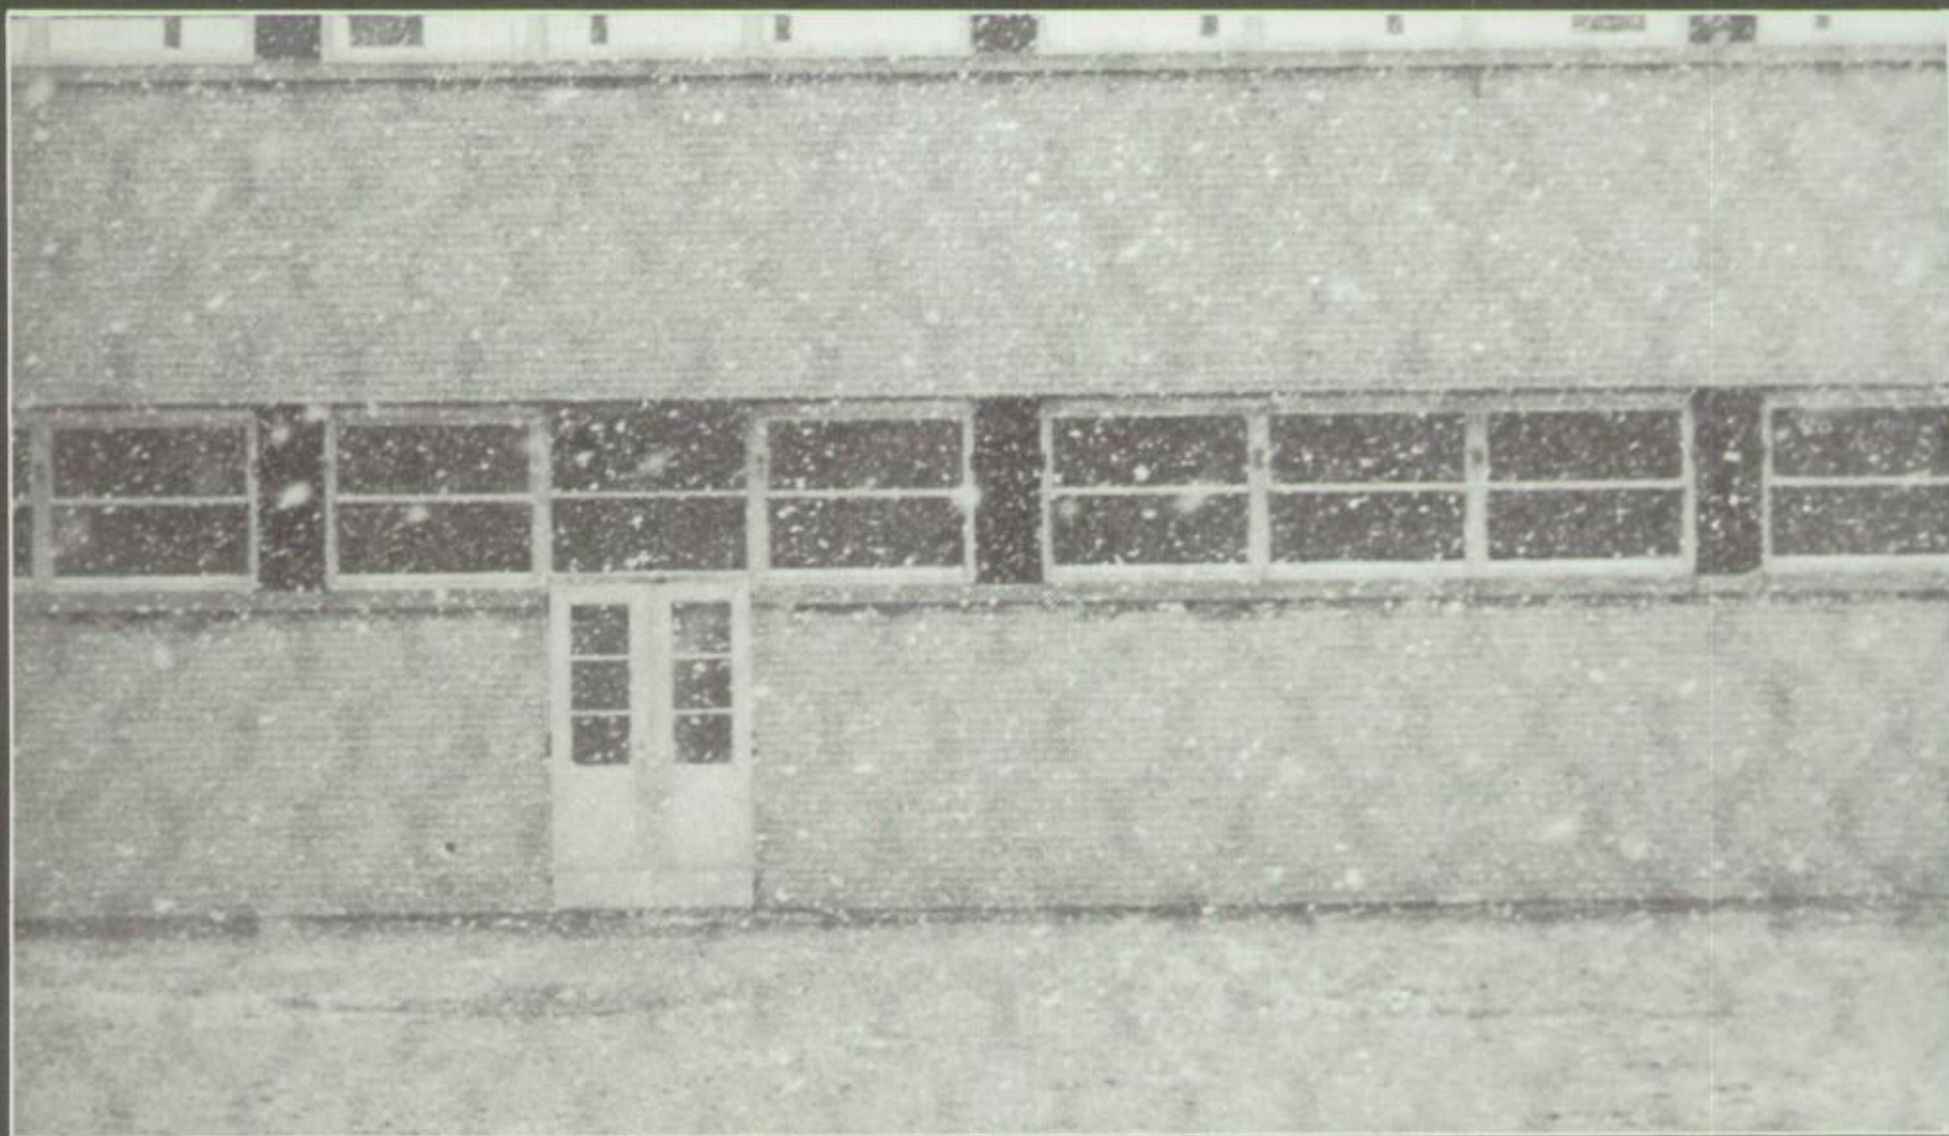

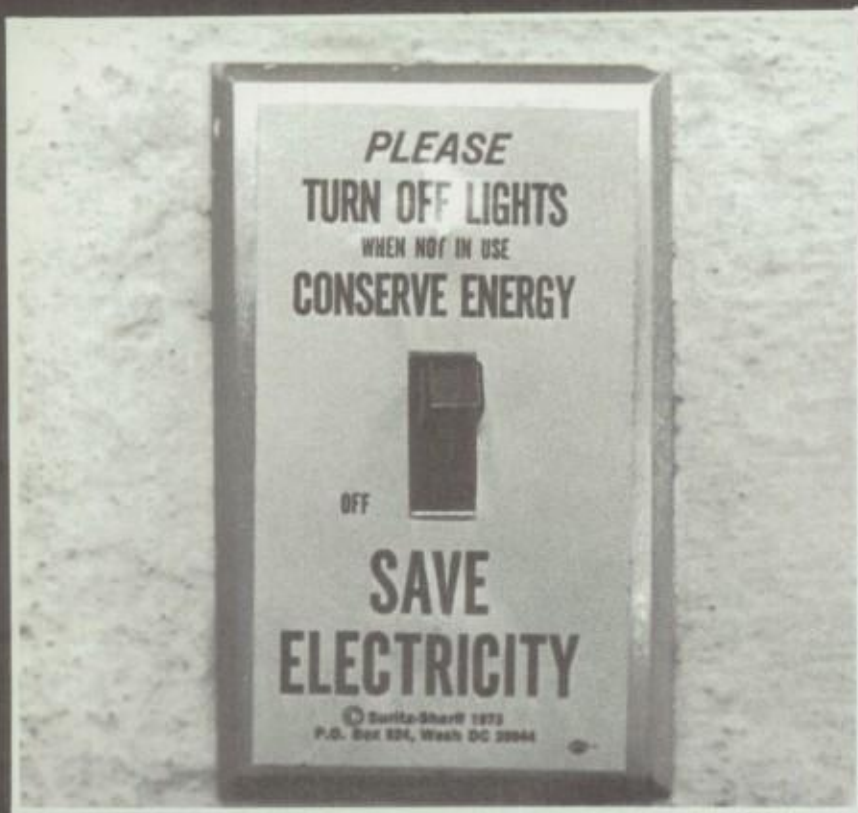

I listen to the wind
To the wind of my soul
Where I'll end up, well I think
Only God really knows.

Cat Stevens

The ending is still obscure.
For as we see more, we ques-
tion more. Although questions
present obstacles, we still live
for the moment.

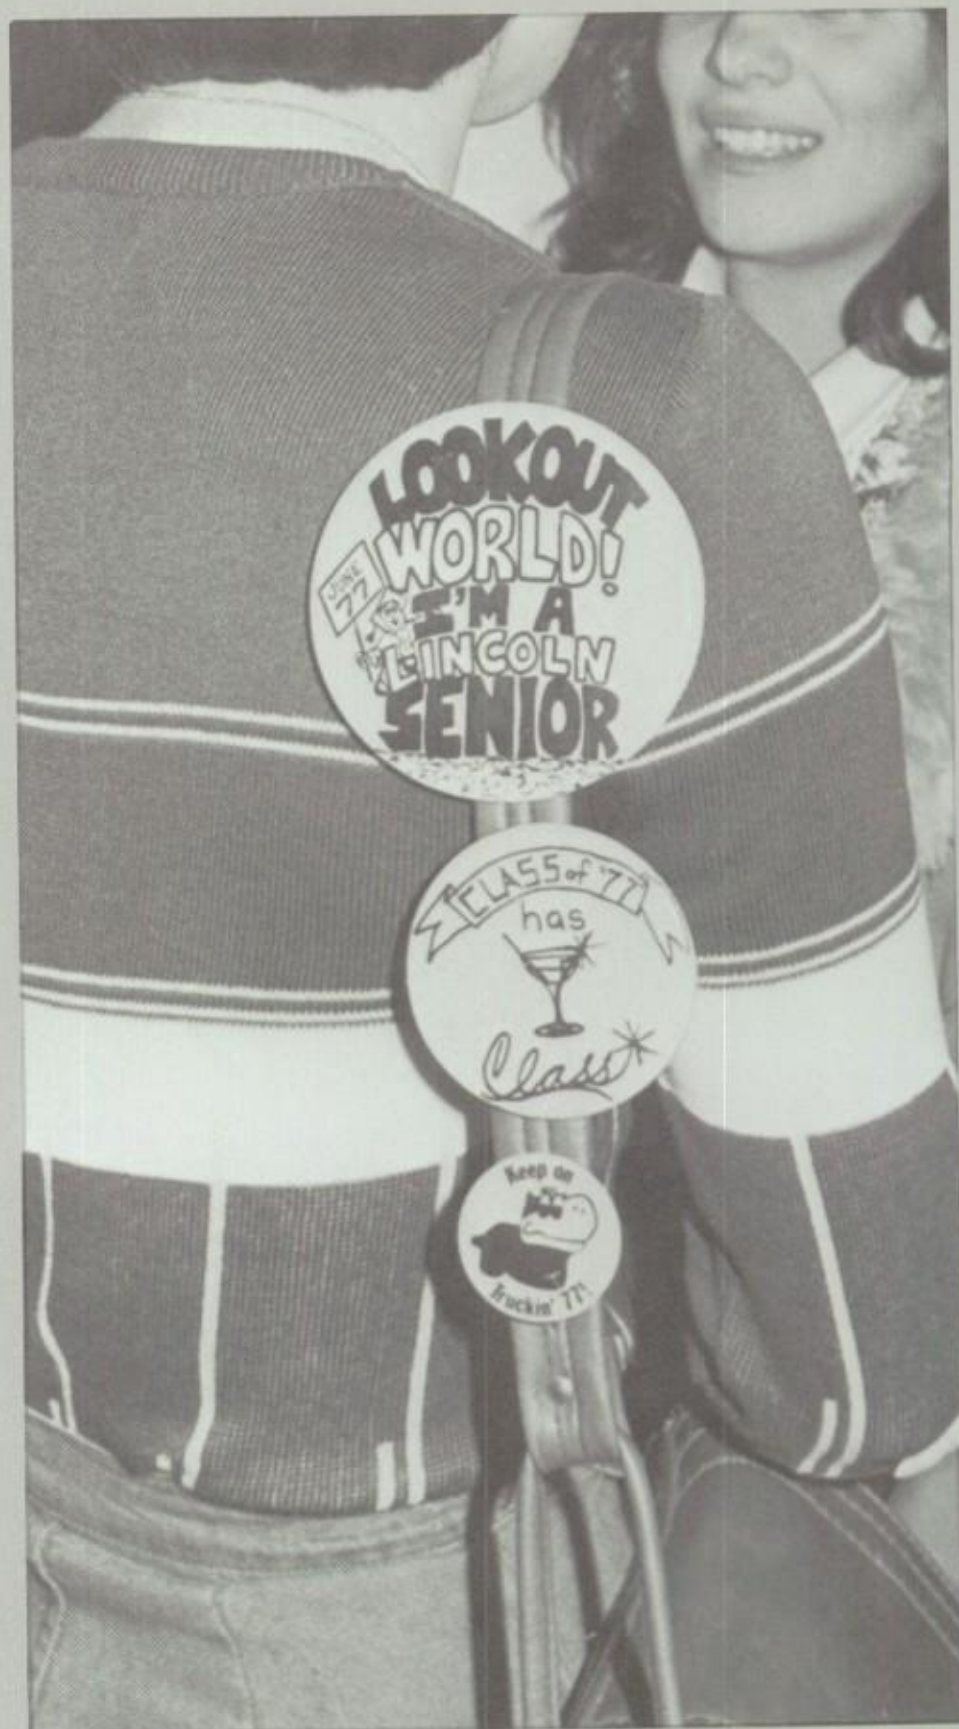

There's a dream keeps returning
like the rain to the sea,
There's a fire ever burning
in the soul of the free,
there's a lifetime of learning
but before you can rest,
Take a look at yourself, boy —
it's like you never left.

Dave Mason

The coldness of the sur-
roundings in winter tends to
force the individual inward. But
awareness leaves us with the
realization that things are not
changing — we are changing.

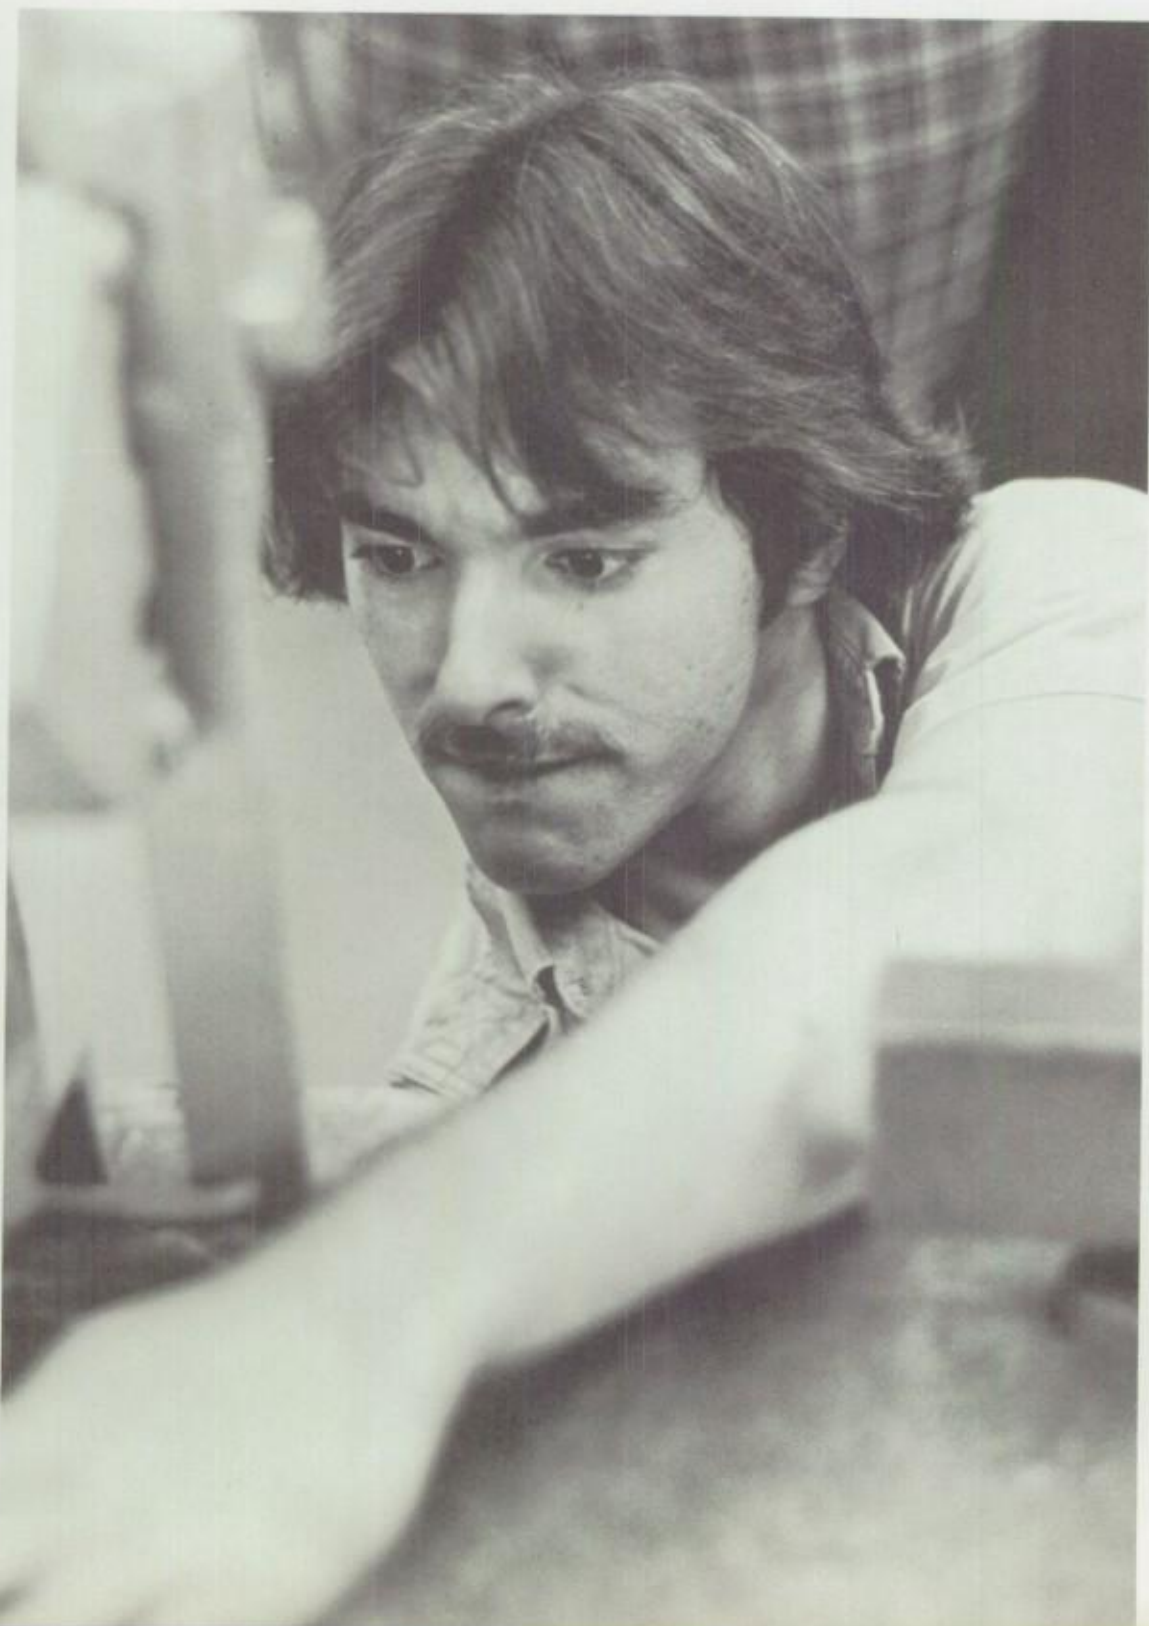

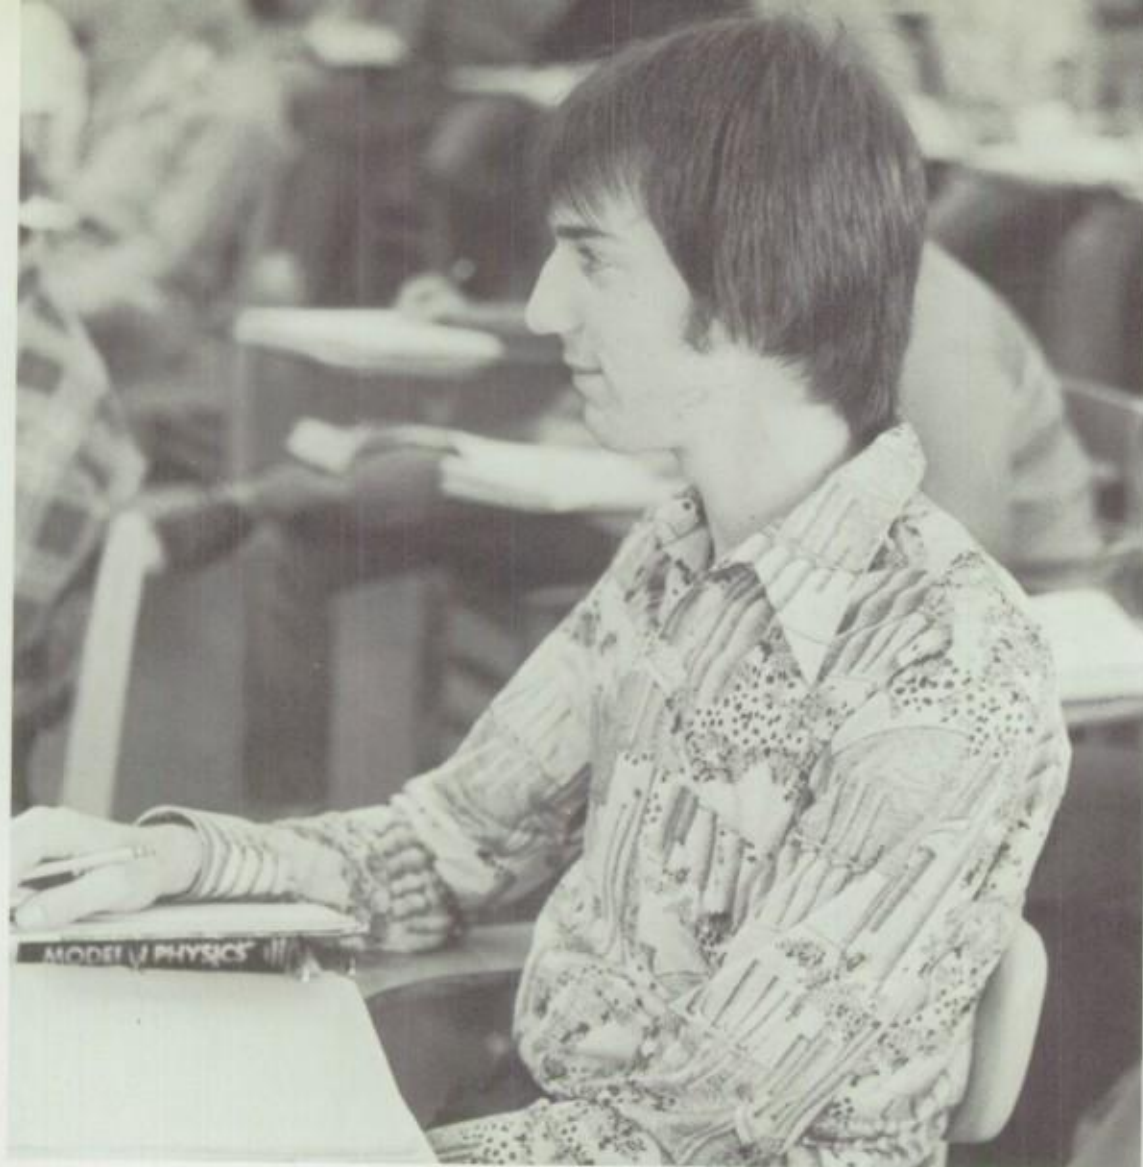

Now, the things that I remember seem

So distant, so small
Though it hasn't really been that
long a time

Jackson Browne

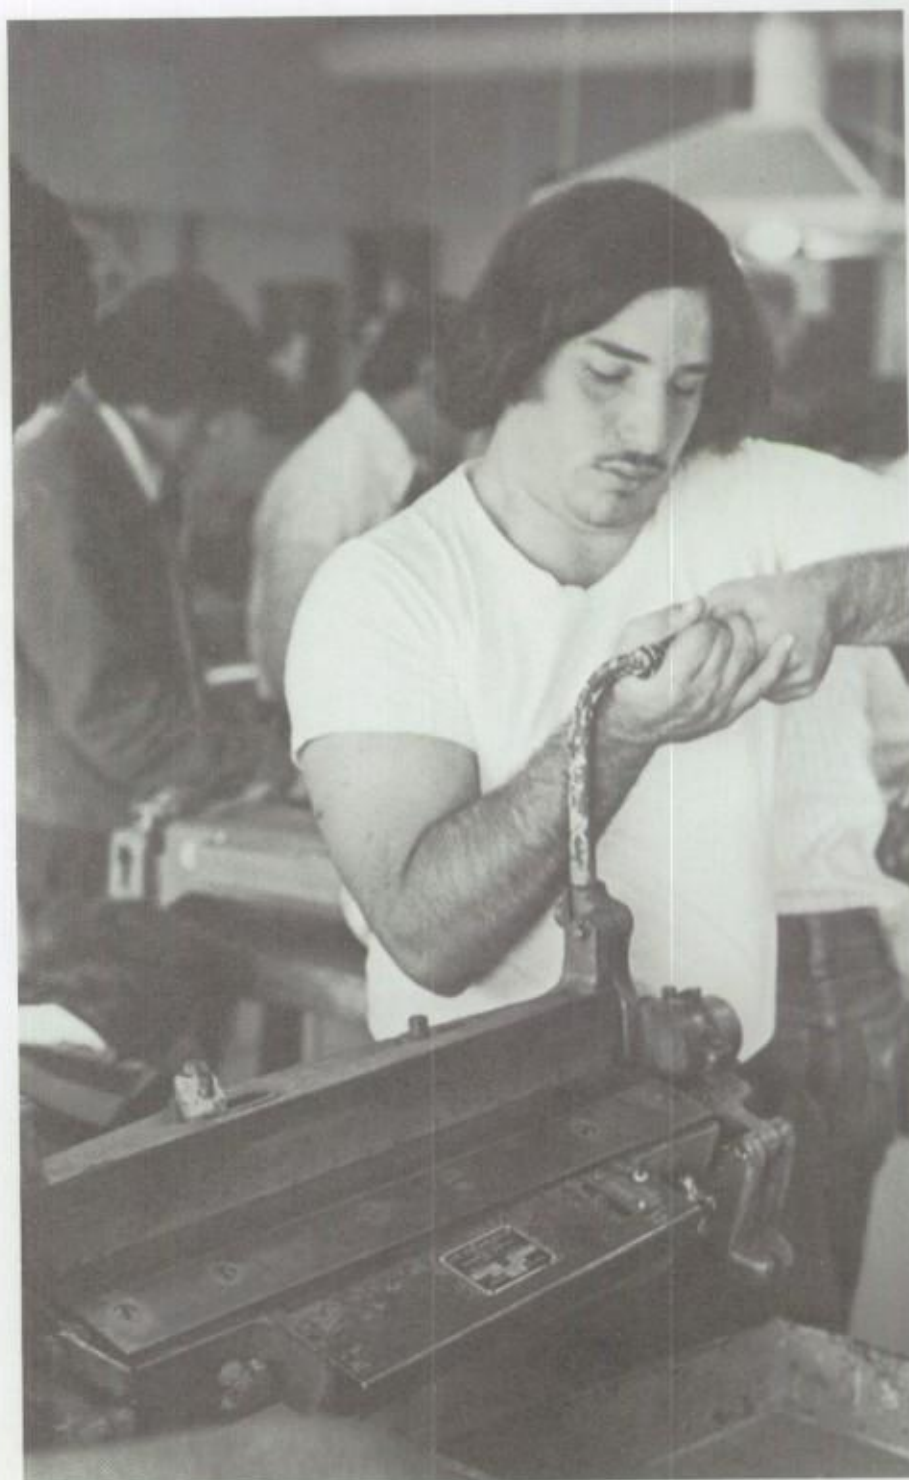

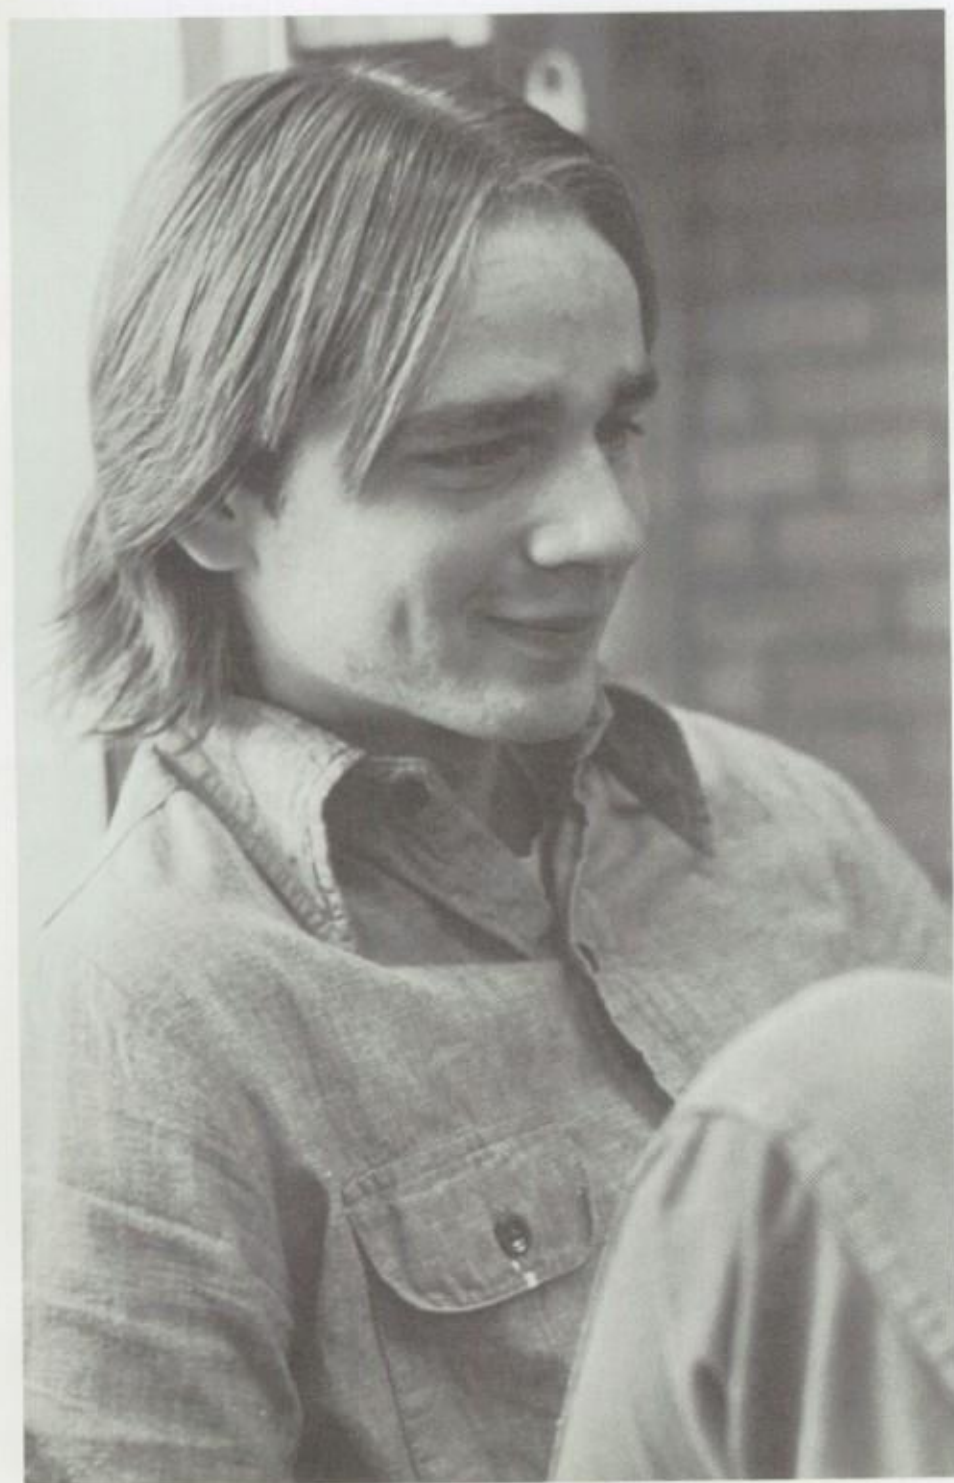

Our expectations of the future inevitably became a reality and subsequently memories. And with the new year came a new set of hopes.

I want you to know
Wherever you go
The world is a classroom
Just to teach your soul . . .
Seals & Crofts

Are life and school different?
Merely in size.

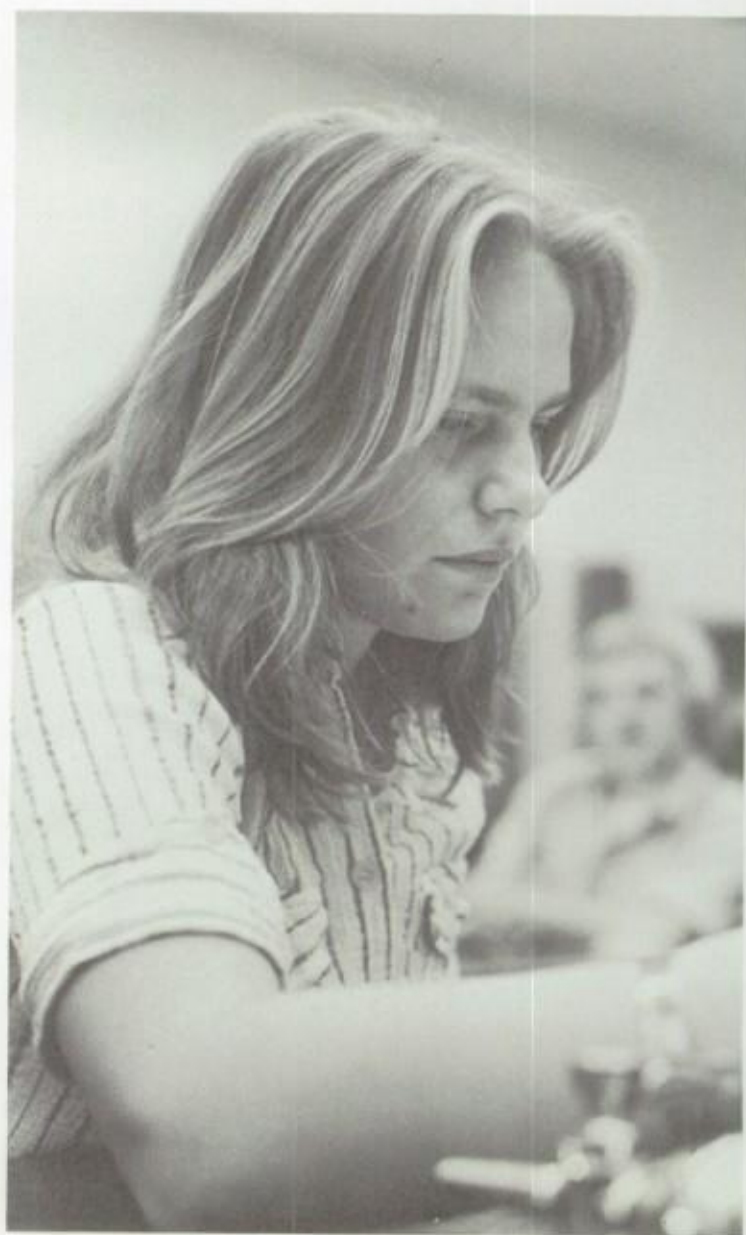

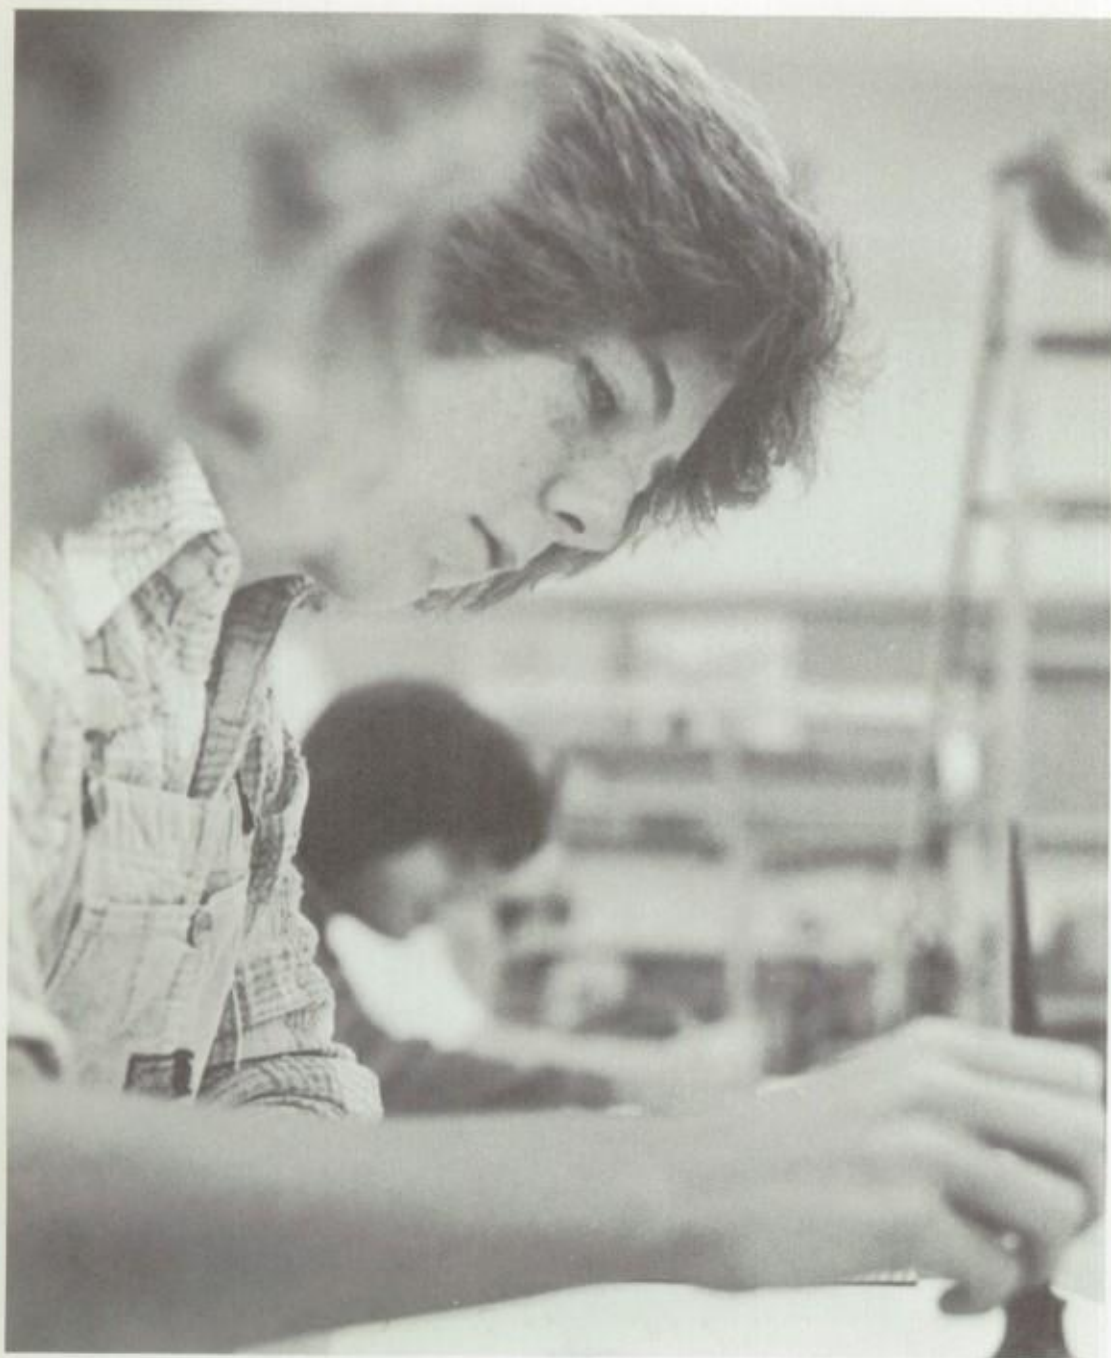

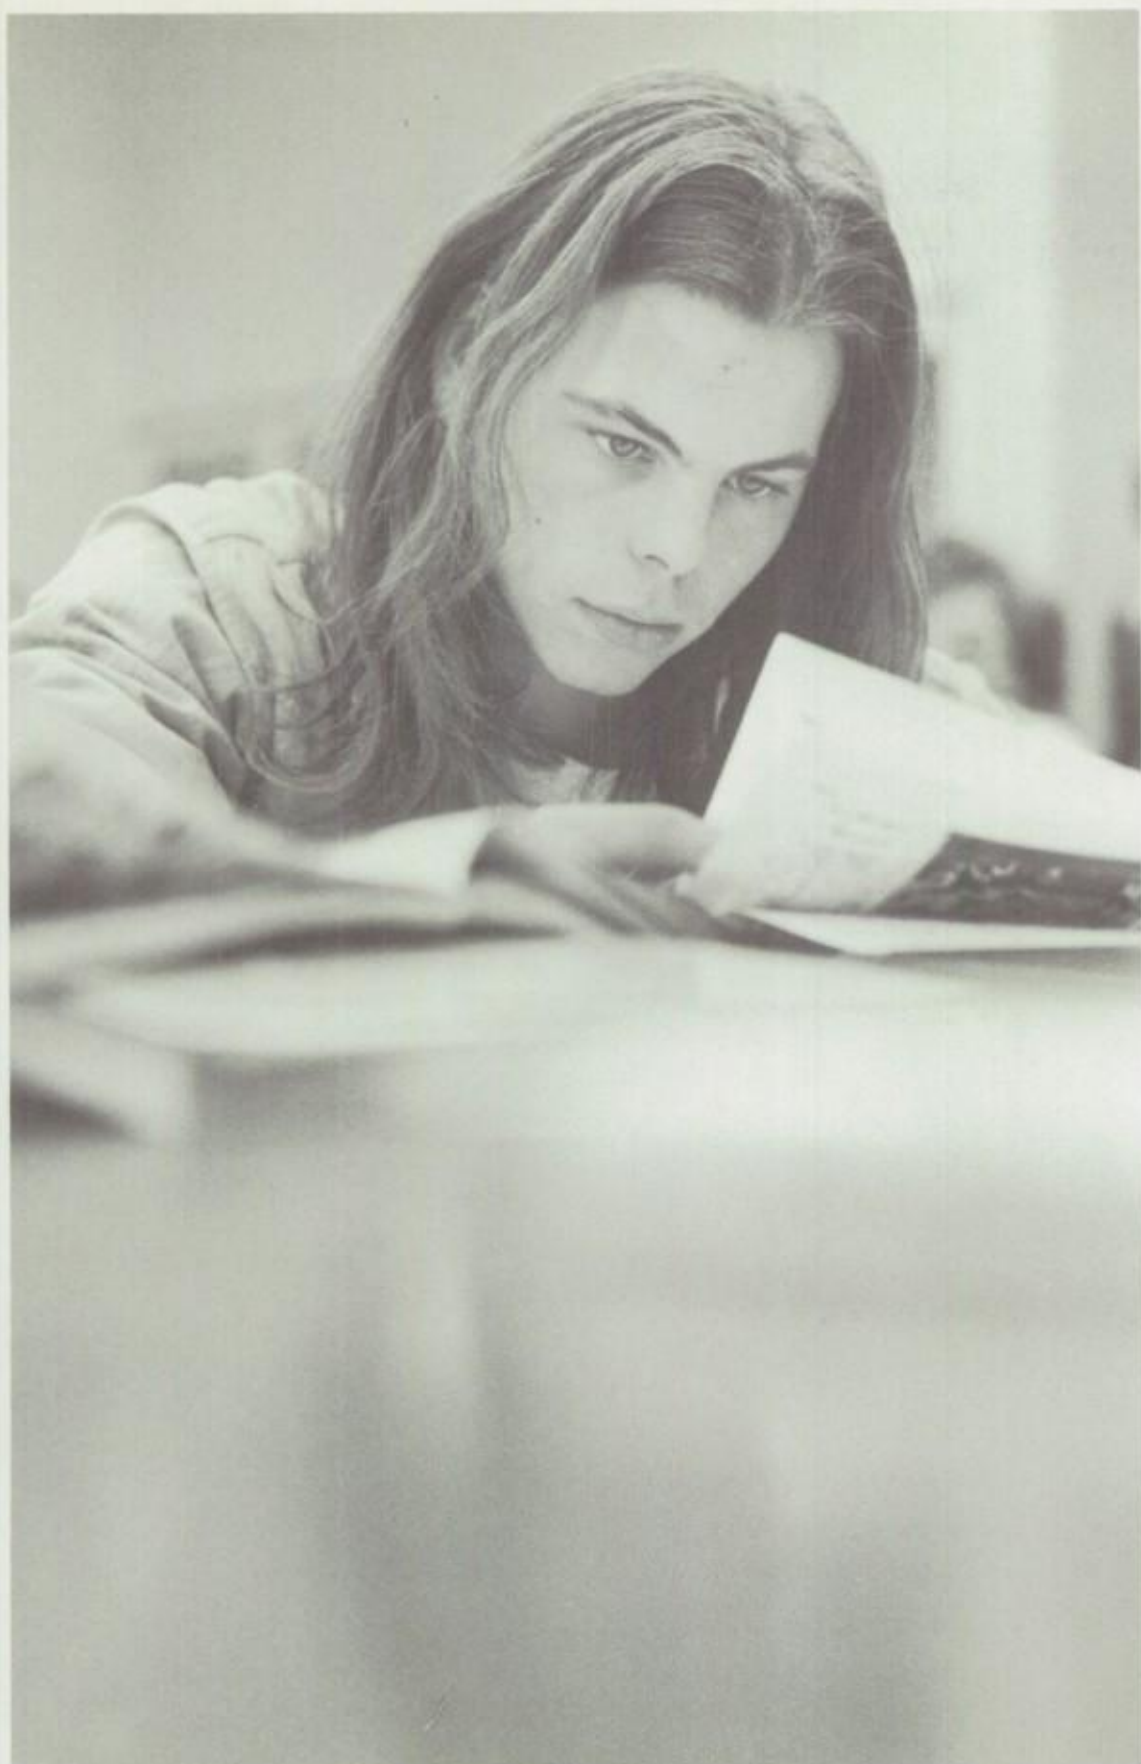

And in that moment ev'rything
is possible
I'm the king of every mountain
I climb
And here, I know
I'm near my space in time.

Loggins & Messina

As increased concentration
withdrew us from our sur-
roundings. We became almost
oblivious — but we lifted our
heads.

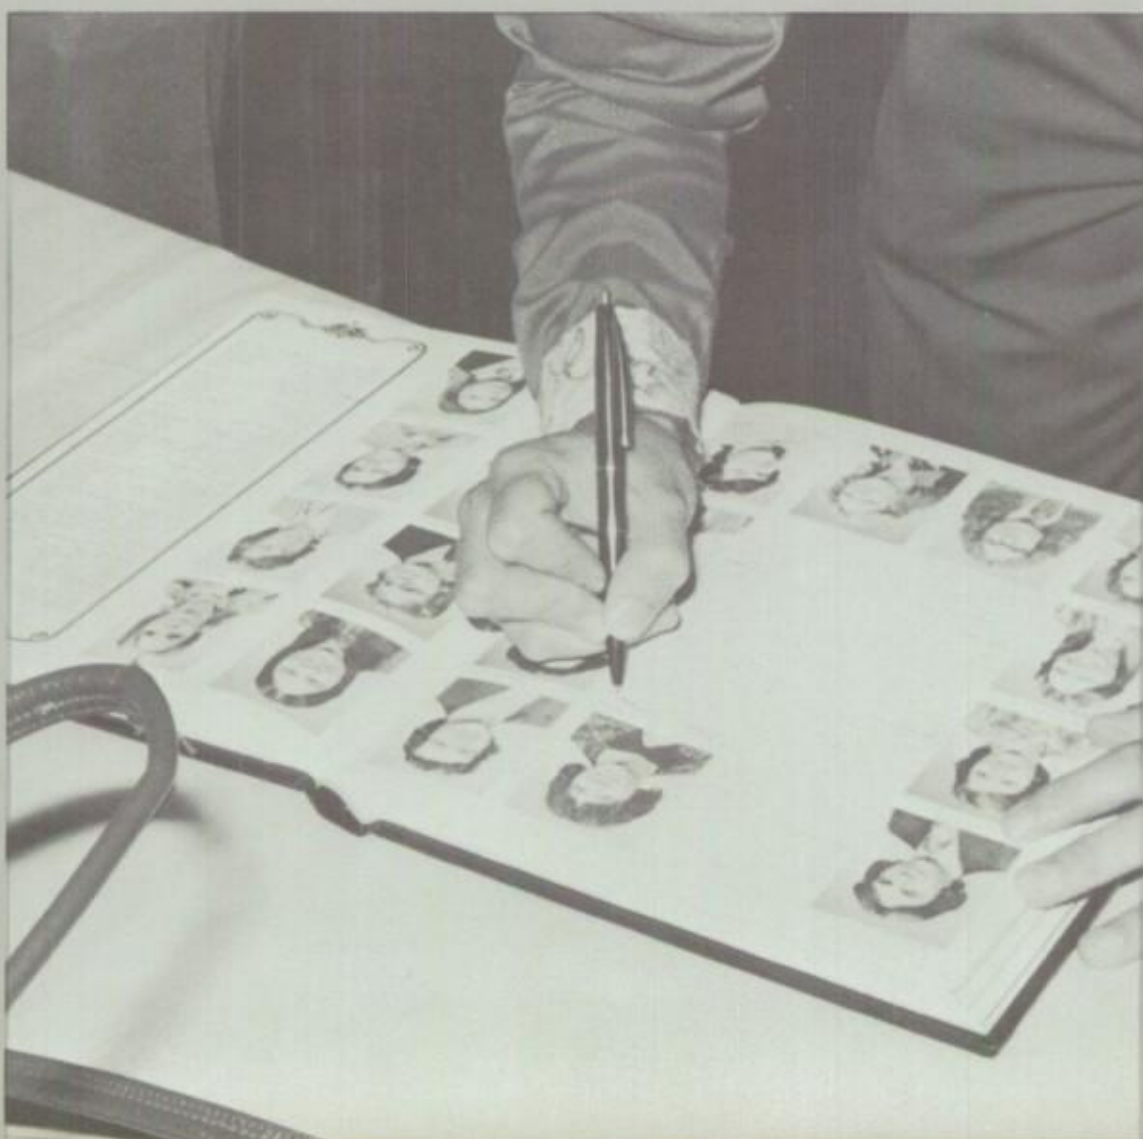

We may never pass this way
again . . .

Seals & Crofts

We may try to read more into
the obvious than is there. But
sometimes the plain truth is
profound.

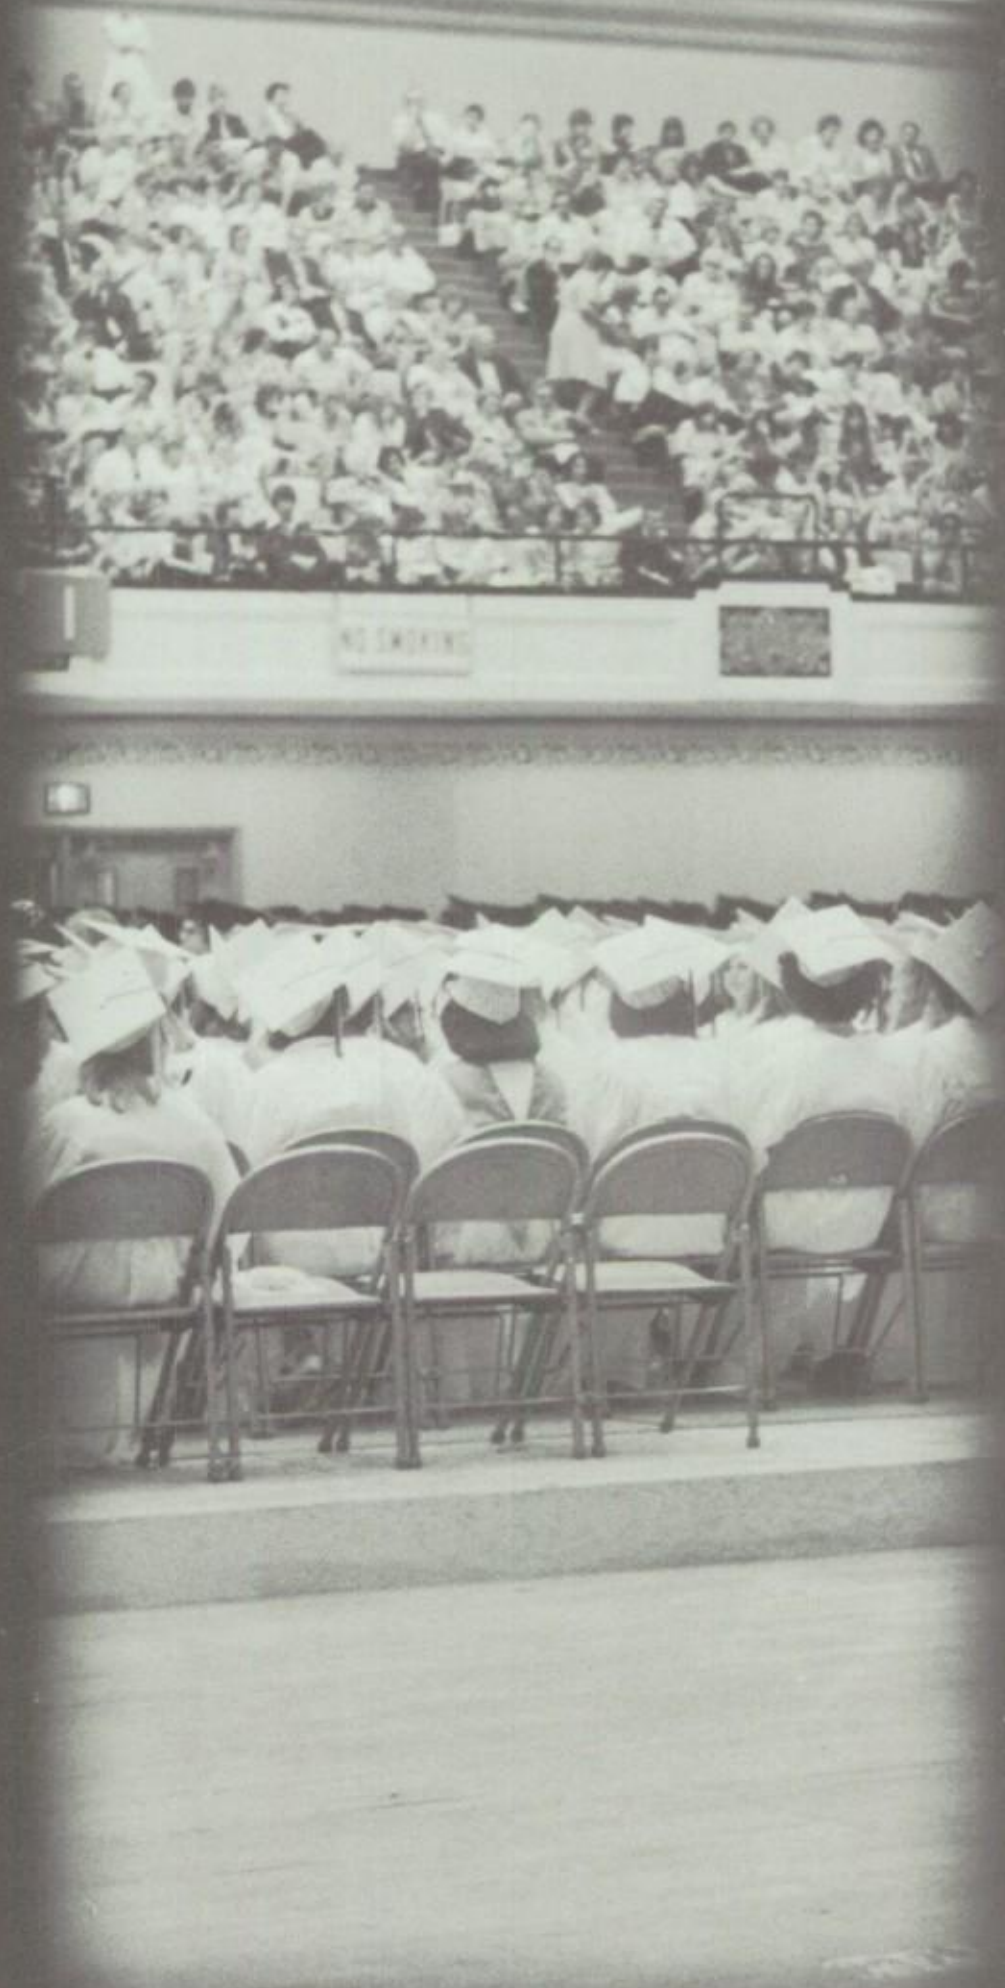

And we all know it's better
Yesterday has passed
Now let's all start the living
For the one that's going to last.
Cat Stevens

Desiderata

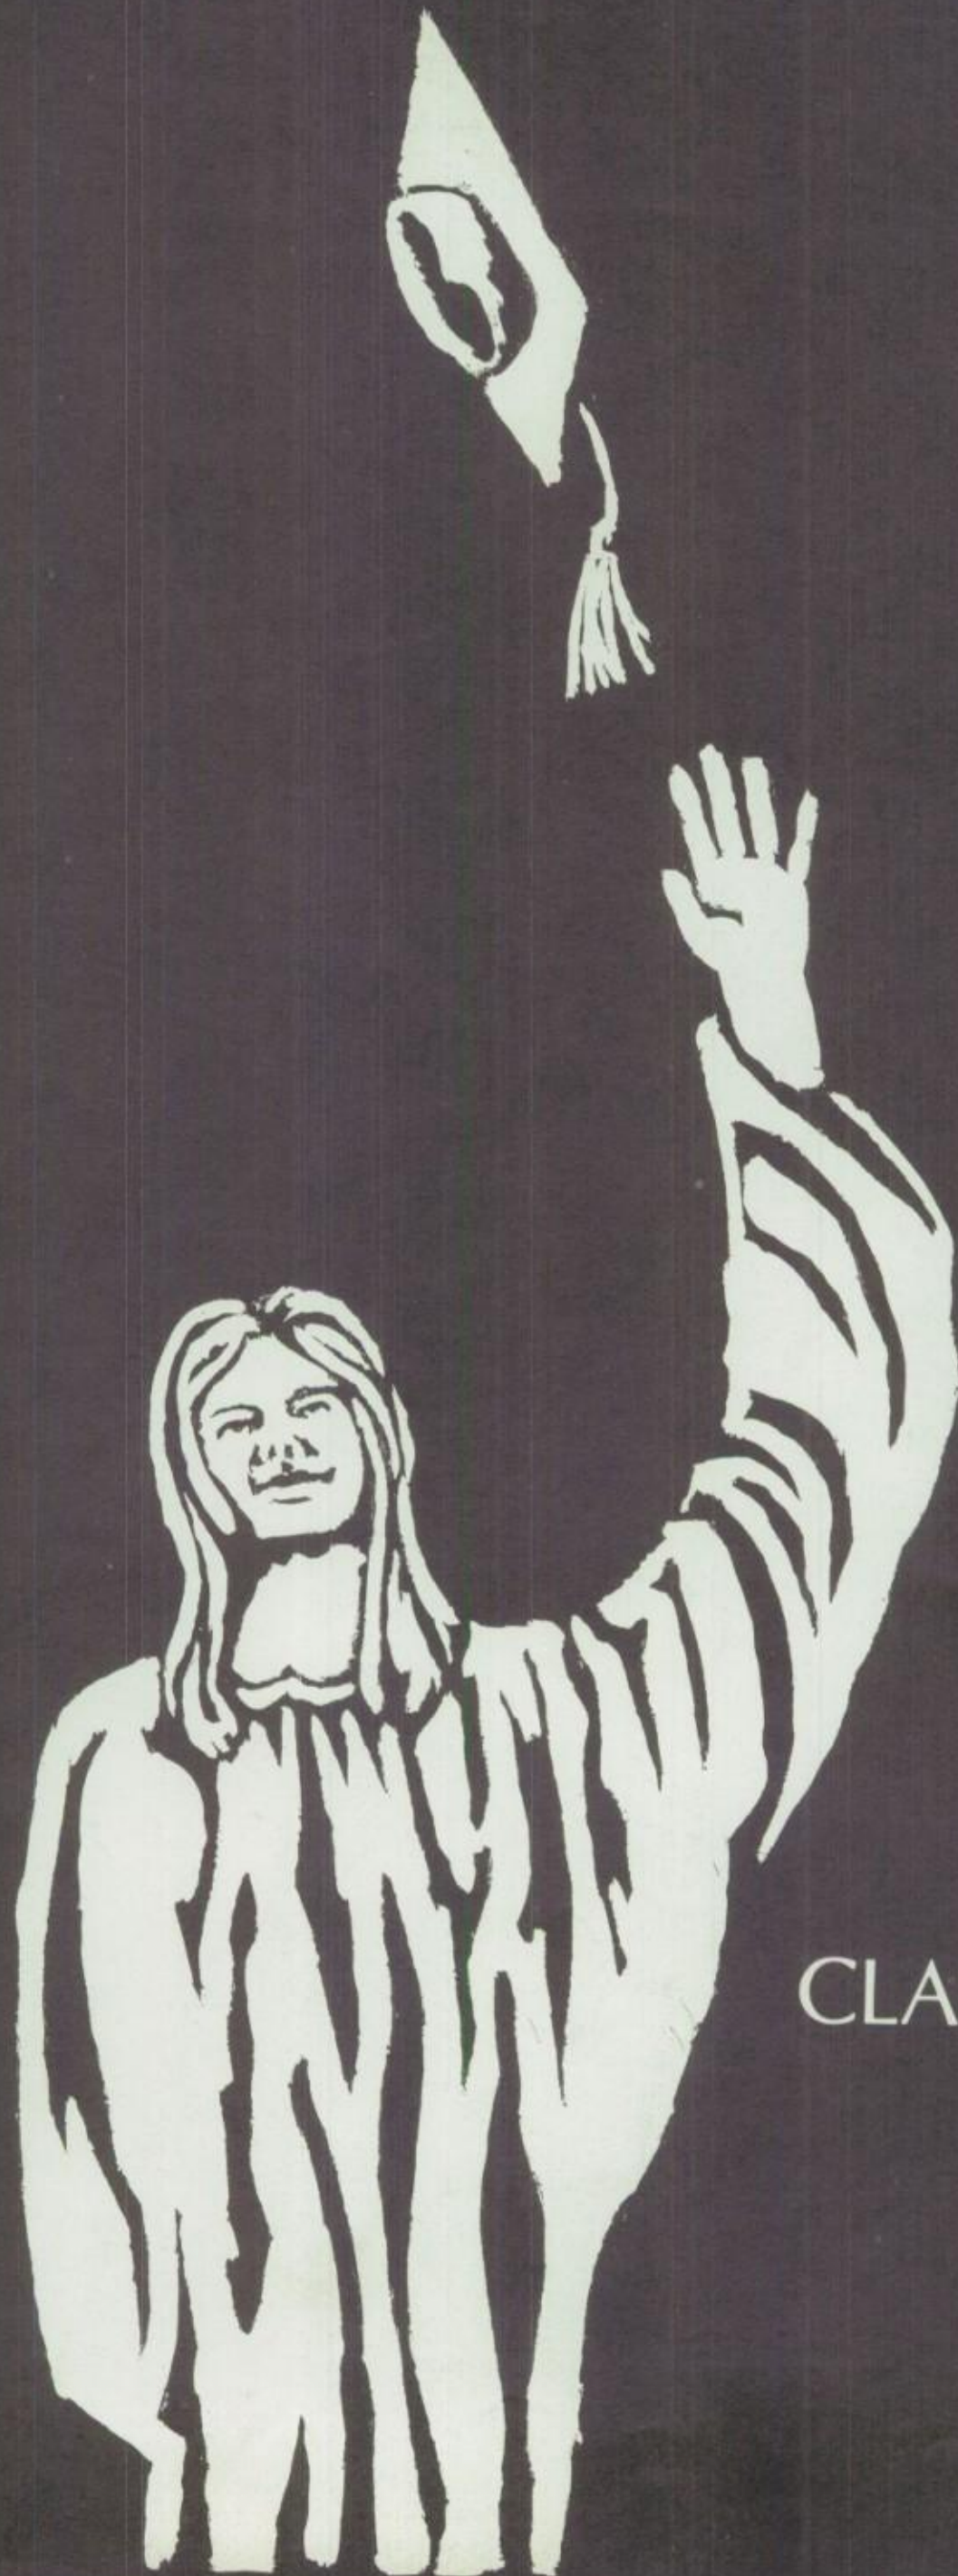

Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull & ignorant; they too have their story. Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Max Ehrman

We are individuals ... We are unique ...

We are the ...

Diane Blickle
And the numerous other
people who assisted in
compiling the personal
records.

Milli Rymarczick, Log Editor, for her complete cooperation

David Garrett, Log Photographer, for photographic contributions

Mr. William Brown, History Department, and
Mr. Harry Richman, Science Department, for generous use of their office space

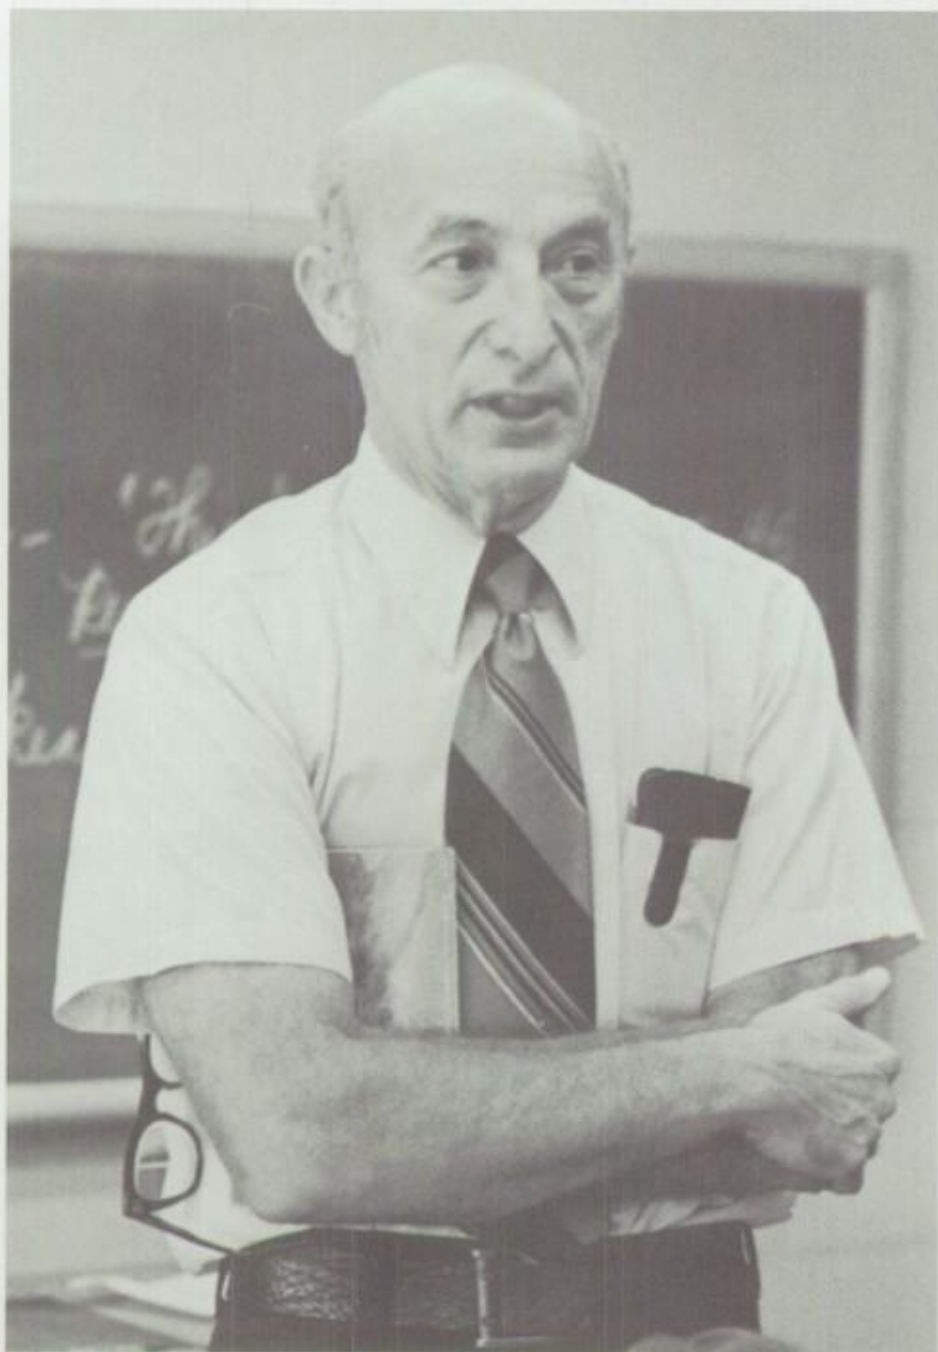

Mr. Scuncio, for help with the "Memories . . ." section

Ms. Humphreville, for the use of the Library

Andi Stein and Beth Mostovoy for literary contributions

Mr. Robert Davine, of Herff-Jones Yearbooks

... And very special thanks to:

Mr. Ellis Rosenberg

The compiling of a Yearbook is a large task for any group of young people. However, with the help of Mr. Ellis Rosenberg, the assembly of the 1977 Railsplitter was made highly enjoyable. Mr. Rosenberg had many jobs in the process of developing the book; Business Manager, Financial Director, Technical, etc.; but, to this staff, his most noteworthy role was that of a calming influence. His quick wit and relaxed attitude did much to mitigate the pressures of a project of this magnitude. Mr. Rosenberg, because of you, we shall always remember our experience with a smile.

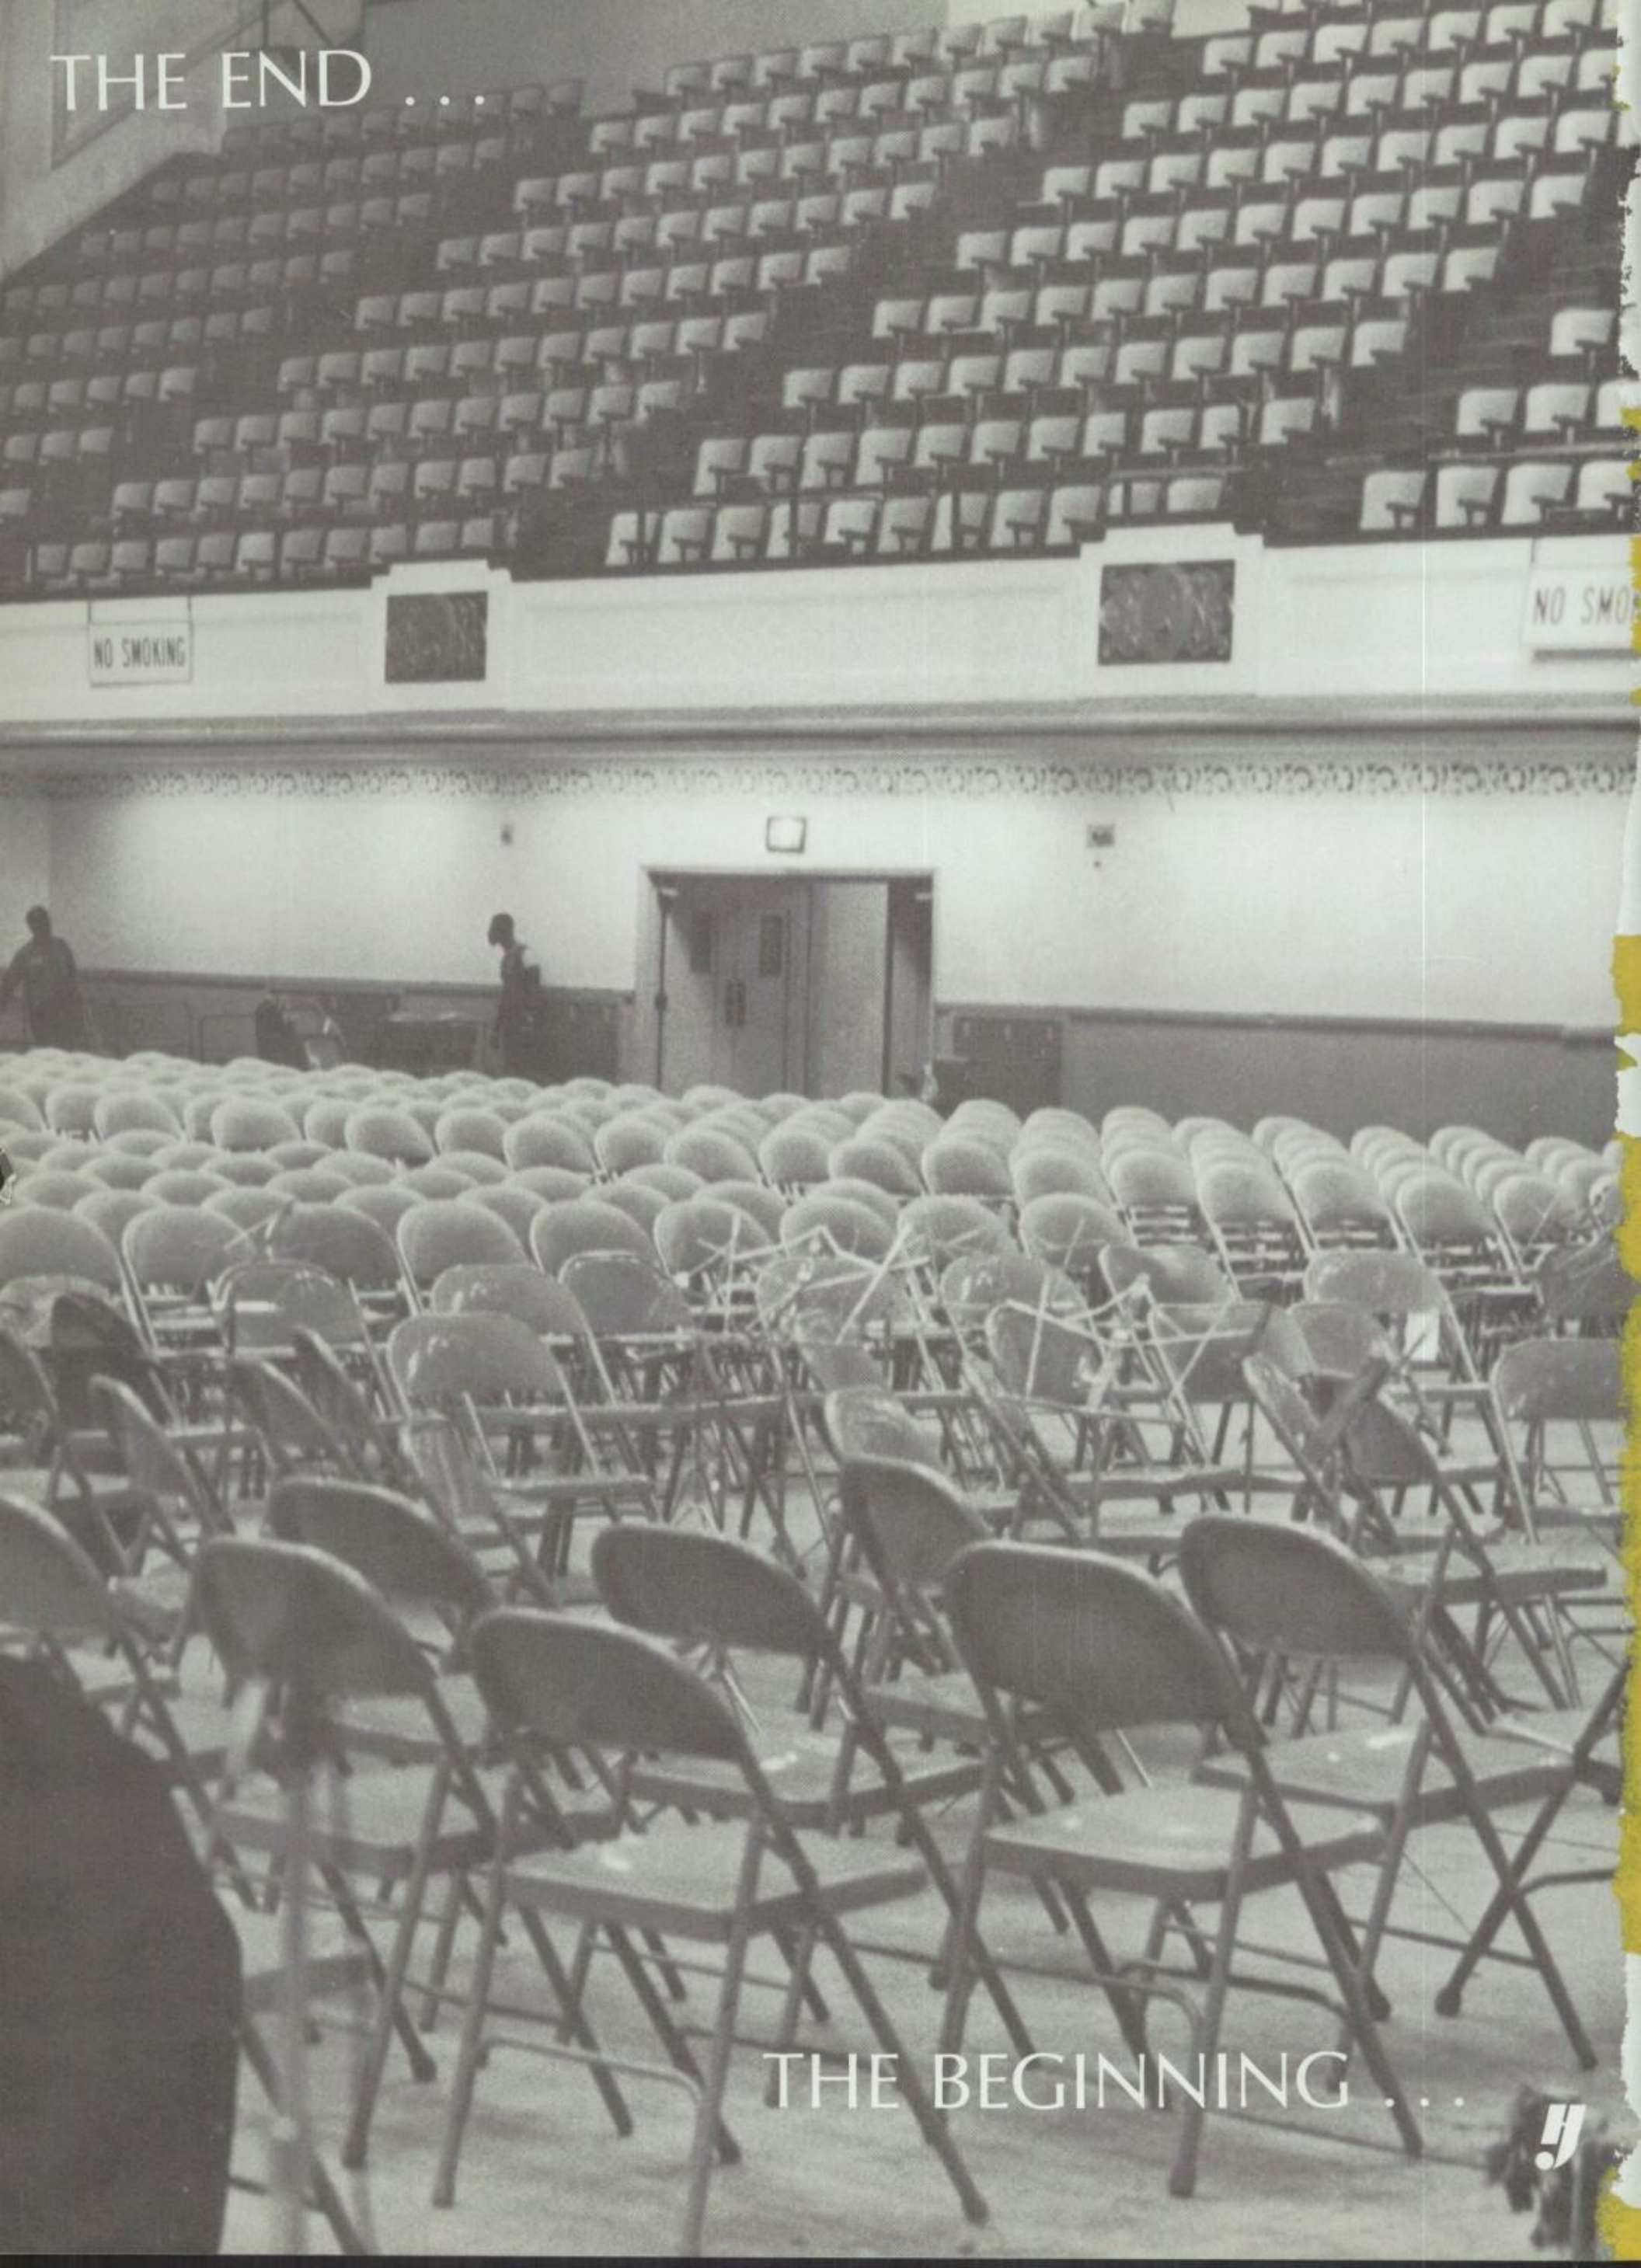

Mr. Gary Luthran

What is a Yearbook without pictures? Simple — Nothing. What is the 1977 Railsplitter without Mr. Gary Luthran? Nothing! It is hard for this staff to fully express our gratitude to Gary for his excellent photography which, above all, captured the mood of the school, the people, and the Class of '77. Amidst cries of "Get it" "Get it" and "Fisheye" He always came through for us with the pictures we needed. Thank you, Gary, for allowing us to remember ourselves.

THE END . . .
